

Authorised Version and Reformers versus Unauthorised Academic – Annotations OT h(H)ell

See this writer's companion work¹ for scripture reference lists with summary details.

Table “The Defects of the KJV,” “NIV – Apostate?,” Some ‘Disputed Texts,’ Annotations OT h(H)ell Version Comparison

This work is an extension of the earlier comparison². With the AV1611 as the standard the table lists **31** annotated Old Testament scriptures on **h(H)ell**

The table groups the **31** annotations in chronological order. They reinforce the parent work in response to ‘our critic’³

The table compares the equivalent readings of **18** pre-1611 and post-1611 bible versions with the **31** annotations. See **Versions Cited**

Versions Cited

See **References** for the sites used in this writer’s works for:

WY, TYN, COV, GRE, MAT, GEN, BIS, 1385, 1395 Wycliffe and 16th century Bibles; Tyndale, Coverdale, Great, Matthew, Geneva, Bishops⁴

JR = Jesuit Rheims New Testament 1582⁵

DR = Catholic Douay-Rheims Version, Challoner’s Revision 1749-1752⁶

RV = English Revised Version, 1885⁷

ESV = 2016 English Standard Version⁸

NIV = 1984, 2011 Editions New International Version⁹

NKJV = New King James Version¹⁰

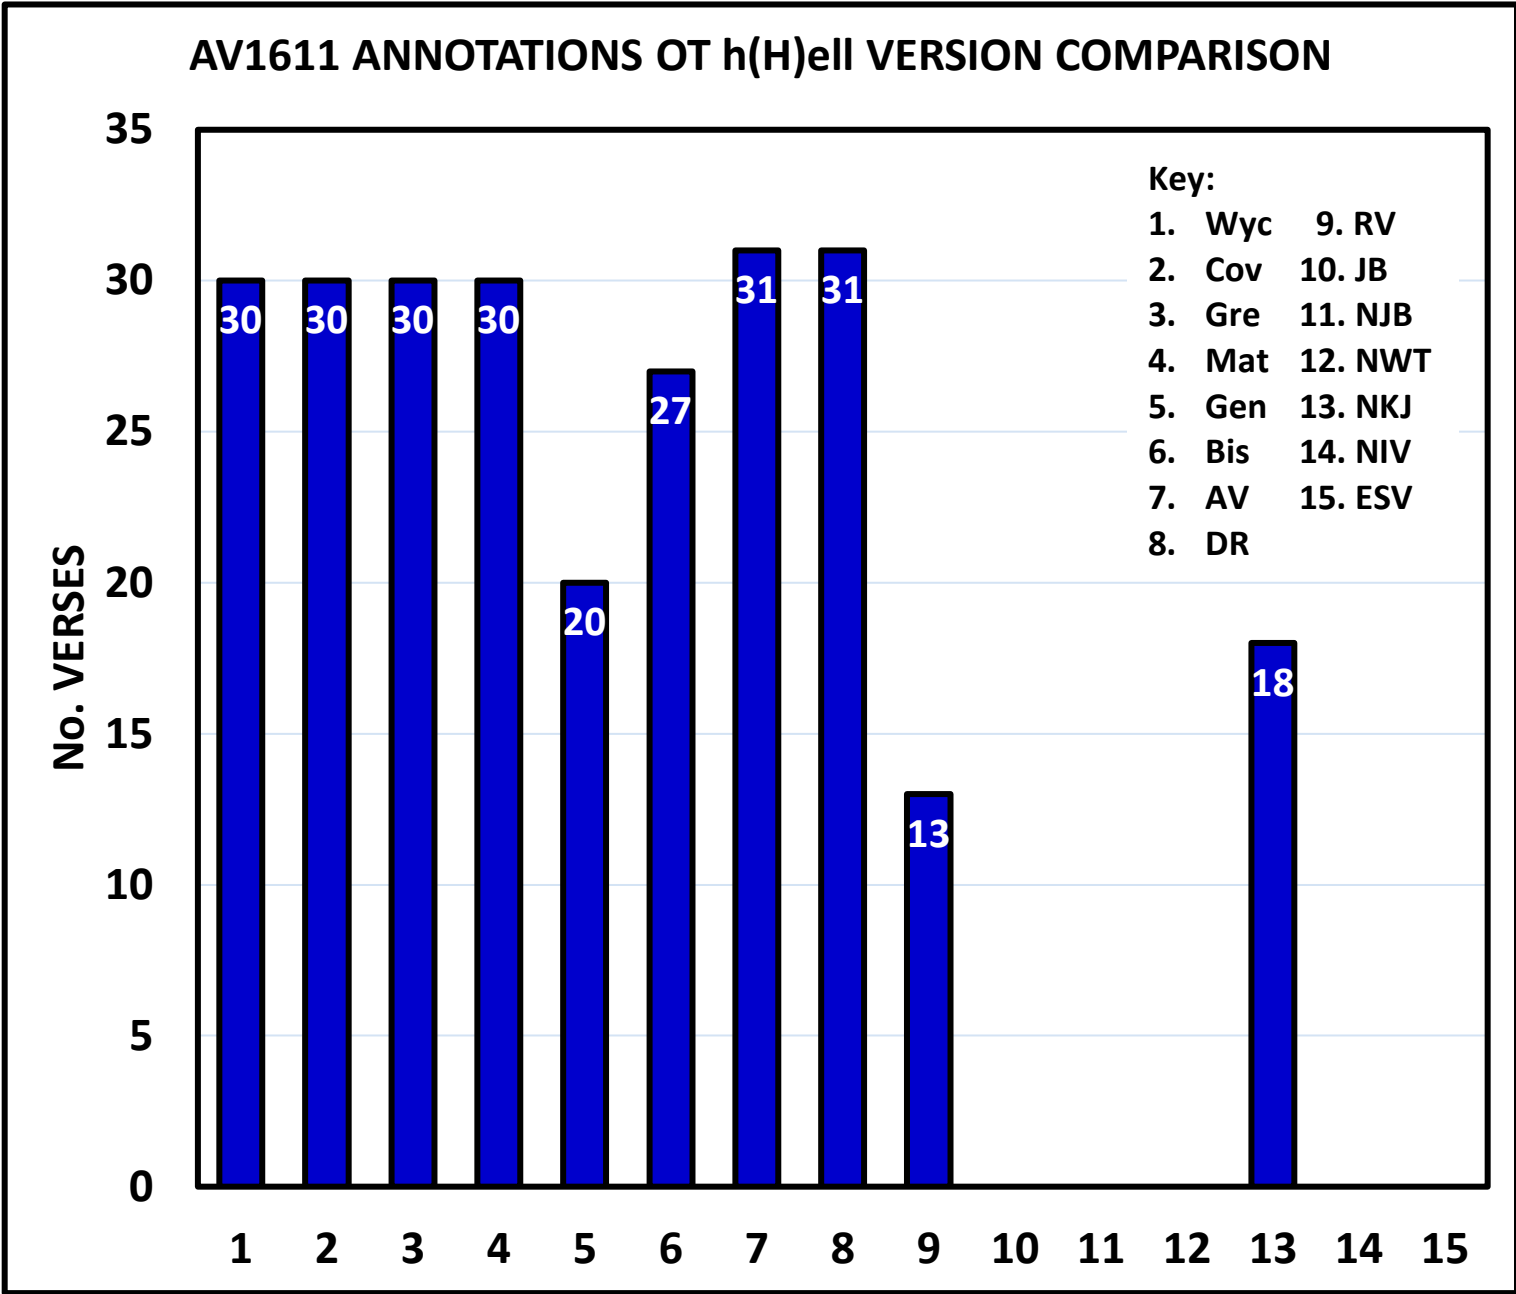

NKJV f.n. = New King James Version footnote

JB, NJB = Catholic Jerusalem, New Jerusalem Bibles, respectively¹¹

NWT = Jehovah’s Witness Watchtower 1984, 2013 New World Translation¹²

Ne = Nestle’s 21st Edition Greek-English Interlinear New Testament¹³. Nestle’s Text underlies the NIV New Testament and those of most of the post-1611 versions, the exception being the NKJV. Nevertheless, it should be understood that the NKJV is *not* a King James Version¹⁴.

TR = George Ricker Berry’s Interlinear Edition of Stephanus’ 1550 Edition of the TR Textus Receptus Received Greek New Testament Text¹⁵. TR editions largely bear witness to the AV1611 Text but none of them perfectly replicates the AV1611 Text and none of them is authoritative over it¹⁶.

Results

The table and the chart show that Wycliffe and the 16th Century English Protestant Bibles together with the DR largely agree with the AV1611 with respect to the **31** AV1611 OT **h(H)ell** references, the imbalance of GEN, BIS erroneously in favour of **the grave** notwithstanding. The post-DR rejection of OT **h(H)ell** is stark, only the RV and the NKJV retaining the term, in **13** and **18** of **31** occurrences respectively, **42%** and **58%** respectively.

Appraisal

The post-DR rejection of OT **h(H)ell** by the later Catholic versions the JB, NJB, followed by the NIV, ESV, NWT, underlines both Rome's habitual departure from **the book of the LORD** Isaiah 34:16 and the Catholic nature of the other 20th-21st Century versions. The RV, NKJV results, though appreciably in excess of the zero results for the NIV, ESV, nevertheless show the RV, NKJV to be less 'Protestant' than the DR, as these studies have shown repeatedly¹⁷.

Conclusion

Proverbs 23:27 **For a whore is a deep ditch; and a strange woman is a narrow pit.**

Proverbs 23:28 **She also lieth in wait as for a prey, and increaseth the transgressors among men.**
