

British Governance versus Rome

Overview

Remember that Catholics must obey the pope rather than the Queen or Parliament or indeed any non-Catholic leader¹. Catholics themselves confirmed Adrian Hilton's observation². This citation is a disclosure by the *Waterford Mail* of a Catholic declaration on governance.

ATROCIOUS INSULT TO THE QUEEN³

When the Pope and the Queen are placed in antagonism to each other as has been done lately and it is intimated that Her Majesty would not accept a divided allegiance we are compelled to say plainly which allegiance we consider the most important, and we would not hesitate to tell the Queen to her face that she must either be content with this divided allegiance or none at all. Let us never forget that whatever her boasted authority may be it is as nothing and less than nothing compared to that of the Vicar of Christ.

This citation is from the Catholic newspaper *Tablet*.

The law of God, that is, the Pope's command, will be, or rather has been, and is being, carried into effect; the Parliamentary lie will be spit upon, and trampled under foot, and treated as all honest men treat a lie - that is — rigorously disobeyed⁴.

No wonder Article XXXVII of the Church of England⁵ stipulates *The Bishop of Rome hath no jurisdiction in this realm of England.*

Conclusion

And then shall that Wicked be revealed, whom the Lord shall consume with the spirit of his mouth, and shall destroy with the brightness of his coming: 2 Thessalonians 2:8
