Tft! News – has now been in circulation for over 22 years.

What a start to the year...!

Well, I've never had a start to a year like 2023... my dad dying, a friend in a garden centre being diagnosed with terminal cancer, losing our rented house, among other tough situations. It's been very hard but I'm so thankful to the Lord for all His love and support, and for all those who have stood with me. Like always, I get more than my fair share of 'nutters' and the start to 2023 didn't disappoint...! December was a tough month for JDA and January was average with February picking up. We've already had two trade shows and Lord willing we're back on track again. Loads of tracts, books and Bibles have been sent out worldwide and orders are coming in near daily for materials. Overall, 2022 was a great year for us in the ministry, at The Oaks Church, and for JDA. I am always thanking the Lord for each day of life and how He guides us through. I would also like to thank all of you who stand with us in the work we do, because as you know, we have many enemies, especially 'Christians' who attack us on a regular basis. My calling as the 'Moron Slayer' saw more 'morons' slain last year than ever. The stats are as follows...

Pentecostal morons – 28
Brethren morons – 22
Baptist morons – 40
Cults, sects and false religious morons – 67
Bible 'correcting' morons – 666
Bible rejecting morons – 55
Other morons – lost count
Friends and family morons – 9
Atheistic morons – 126
Satanic and Scientology morons – 66

I believe it was my best ever year for slaying morons, and one to which I am proud to say... *"Never has one man slain so many morons in such a short time. I have fought them on the beaches, I have fought them on the shore, I have fought them in the air... anywhere and everywhere... I seek them out, and I wield my two-edged sword, and off comes another moronic head."* May it continue to the Rapture.

1611...

Deut 16v11 **And thou shalt rejoice before the LORD thy God, thou, and thy son, and thy daughter, and thy manservant, and thy maidservant, and the Levite that is within thy gates, and the stranger, and the fatherless, and the widow, that are among you, in the place which the LORD thy God hath chosen to place his name there.** The 7th word is LORD; the 49th word is LORD. The 1611th mention of the word LORD appears in Deut 16v11...!

Isa 34v16 **Seek ye out of the book of the LORD, and read...** Do you KNOW 'The Book of the Lord'?

And Hilkiah the high priest said unto Shaphan the scribe, I have found the book of the law in the house of the LORD. And Hilkiah gave the book to Shaphan, and he read it. 2 Kings 22v8. Is the Bible lost somewhere in your life? If so, get it out again and start reading it. If you want to know the Lord and increase your faith, read the King James Bible.

Warning

This issue is very negative, if you are easily offended do not read any further.

Thousands of these have been distributed already praise the Lord.

THERE ARE SOME BIG PROBLEMS IN THE WORLD TODAY.

Below, is one that is affecting everyone, but very few are talking about it. Why? Watch this video and prepare for a shock.

The question now is, what are YOU going to do about this information?

You want more proof? Listen to these UK GP doctors who are speaking out.

It's time to start standing up for the truth, because the mainstream media and the government are certainly not telling us the truth.

I would suggest passing this information onto everyone you know on every social media platform you can, before it's too late.

We have never seen anything like what we are seeing today, and many in authority are too scared to talk about it... Why?

Something is happening behind the scenes.

And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

Revelation 13v16-18

...I declare unto you the gospel...

...how that Christ died for our sins according to the scriptures;

...he was buried, and that he rose again the third day according to the scriptures:

1 Corinthians 15v1-4

...Believe on the Lord Jesus Christ, and thou shalt be saved...

Acts 16v31

IF THERE EVER WAS A TIME TO READ THE KING JAMES BIBLE, IT'S NOW.

This tract card was an add on to the other booklets we printed regarding the covid SCAM. This card links you to the film 'Died Suddenly', made about the cause of death regarding the 'death-shot' vaccines. **Drop them everywhere.** Everyone seems to know someone who has either been injured or died after taking the vaccine.

'Cast out'...

Satan is a cherub (Ezek 28v14), a created being (Ezek 28v13). He is the 5th cherub that is missing from Ezek 1v5. He represents the reptilian and aquatic animals before God's throne (Rev 4v6-7).

Ezek 28v16 **By the multitude of thy merchandise they have filled the midst of thee with violence, and thou hast sinned: therefore I will cast thee as profane out of the mountain of God: and I will destroy thee, O covering cherub, from the midst of the stones of fire.** The phrase 'cast out' (John 12v31, Rev 12v9) is more than just a changing of location, it has to do with losing authority. Satan has FIVE 'casting outs'... 1) Satan loses his authority in the 3rd Heaven (Ezek 28v16); 2) Satan loses his authority in the 2nd heaven (Luke 10v18); 3) Satan loses his authority in the 1st heaven (Eph 2v2) in the Tribulation (Rev 12v9); 4) Satan at the 2nd Advent loses his authority over the earth when he is cast down 'into the bottomless pit' (Rev 20v1-3); 5) Satan's final casting out is when he is cast into the Lake of Fire (Rev 20v10).

Dad and 'The End'...

From the moment I got saved I prayed that my family would get saved. My mum died an atheist I 'think' (I don't know for certain) and my sister I haven't heard from for over 30 years. My dad has been the most hardened atheist I've come up against. He hated talking anything spiritual or Christian. He was a nightmare to be honest, and his pride destroyed his own life sadly. Like my mother, I don't 'know' for certain how he died, but I fear the worst to be honest. I had numerous conversations and debates with him. I left tracts and Bibles around the house, and I wrote him a number of letters urging him to get saved and escape Hell and come to Heaven with me. Our relationship when I was a boy was excellent, but the moment I failed my exams and became a Christian, he turned against me in a very vitriolic manner. No one really understands what he was like, and I'm not going to explain it, as the Lord knows, Donna and Dee know, and Matt to a degree. I tried with him, but not hard enough sadly. I'm saddened by his death, but there is also a relief too in some ways. Other Christians also tried to witness to my dad, but always came off quite shocked by his angry and aggressive manner. Will I see him in Heaven... I doubt it sadly, but if I do, it will be a miracle and a last-minute death-bed conversion. The Lord Jesus knows, understands and always gets the glory.

'On his knees' – I've produced a booklet about it all...

And it was so, that when Solomon had made an end of praying all this prayer and supplication unto the LORD, he arose from before the altar of the LORD, from kneeling on his knees with his hands spread up to heaven. 1 Kings 8v54.

On Thursday 12th January 2023 my dad died.

My Dad, who was 89 years old, was taken to hospital on the Monday afternoon, but discharged himself two days later as he was very agitated and uncomfortable being there; he just wanted to go home. I believe now, he knew he was dying and wanted to die at home rather than in hospital. I wonder what 'insight' you get in your final days and hours knowing that you only have a very short time left here on earth before passing into eternity?

Without going into all the details as to what happened during the week - to be honest it was very tough - I'll sum it up like this...

My wife Donna and I decided to stay over at Dad's house the night he came out of hospital, as he was very frightened; he actually said he was 'terrified', but didn't know what of. He was very anxious, in fact the word I would use to best describe what he was going through is 'tormented'.

My Dad was a hardened atheist and rejected God all his life. He lived in guilt, regret, disappointment, sadness, and fear for much of his life. My mother and sister had left him, and he also pushed me away too. He was a very difficult man, and wouldn't bend for anyone. Pride was his downfall.

My Dad and I had been estranged for over 25 years, so meeting him again, the day before he died, was a huge moment for me. Donna had looked after him for all these years, visiting him for 2-4 hours every day, and had really been a mediator between us. I looked after him from 'afar'. Most of you reading this won't actually understand what that means, and I'm not here to justify myself to anyone, God knows. It was a very sad situation.

When I walked into the room where Dad was, I saw a frail old man who was 89 years old, broken, and at the point of death. It hurt, and it hit me hard and deep. We spent hours sitting up with him, trying to talk to him. I told him I loved him at least four times, two of which 'penetrated', and hit home, as he looked at me with intensity.

He kept telling us that he was terrified, but didn't know why, or of what. He had no peace and was scared of the unknown, 'the future', as all atheists are, even though some of them try to cover it up. I urged him to call upon God to help him, save him, and give him peace. He responded with "*Don't start...!*"

Rather than even give God 'a try', he would rather suffer the torment and anguish of dying and entering eternity, not knowing that depending on 'how' he died, Heaven or Hell awaited him. He was 'hanging in the balance', and it was only his own freewill 'choice' that could decide his everlasting destination.

Over many years I had given Dad the Gospel, talked and debated with him, left him Gospel tracts, Bibles, books, written to him a number of times, and now he was at death's dark door... very much alone and scared. It was heart-breaking to watch, and I was going through many emotions... sadness, frustration, pity, sorrow, anger, helplessness, guilt, regret, plus a whole host of other things.

Donna and I stayed overnight, and in the morning, Donna received a call from him at 6.00am, so we both went down the stairs to see Dad, and help him in every way possible. We sat with him for two hours. Over the last few days, we'd had hardly any sleep, so when he was dozing off again, we went back upstairs to grab a couple more hours as Donna had said to him to just give her another call if he needed anything.

Donna awoke at 9.40am and went to check on him, and then called me immediately. I went down and we found him **on his knees** holding a chair. I placed my hand on his back and head and they were very cold, he had stopped 'gasping', and was perfectly still. The stillness and silence was surreal. His soul had departed from his body. The end had come. My Dad had died and now he was 'gone'. He'd slipped into eternity just an hour or so beforehand... but where had he gone, Heaven or Hell?

I cannot explain, or put into words, how the Lord sorted everything out over those final days. It was all a 'miracle' as to what happened, and there is no way I would have pictured myself reconciling with my dad in the last moments of his life, while trying yet again to 'save' him from going to Hell. I am so thankful to the Lord for helping my wife Donna and myself through all of this.

Donna is so much stronger than I with this kind of situation, and I leant on her so much that week. We are both grieving in different ways at present, and have had to push things back in our minds, as we're not ready to deal with them just yet.

I won't know until Heaven as to whether my dad got saved or not, the Lord knows. This man who had spent 89 years of life fighting and striving against God his Creator (Isaiah 45v9, Proverbs 13v15), finished up by **dying on his knees**... God gets all the glory no matter what man may think himself to be. Every atheist will fall on his knees and confess that Jesus Christ is Lord eventually (Philippians 2v5-11), whether in time or eternity. If he does it in this life, he'll get saved and go to Heaven. If he does it in eternity, he'll go to Hell afterwards (Matthew 21v44).

My feelings now after penning this booklet are... so much sorrow... *'If only', lots of guilt, 'I could have done more'... regret, sadness, failure, and loss.* I wasn't the son my dad wanted, or could have been, and my dad wasn't the Dad I wanted, and could have been; we both made many mistakes.

We hardly ever agreed on anything. His atheism and humanism set us poles apart. When I became a Christian at the age of 18 it disappointed him and sadly destroyed our relationship, which would never recover. I'm just so thankful to the Lord that I had one last chance with him, and only the Lord knows how it ended.

For those of you who are in similar situations, my suggestions, advice, *call it what you will*, is this...

Swallow your pride and make the *first step* towards reconciliation. Don't let it go a moment longer. Don't do what I did and become estranged to your loved ones. Call, visit, email, or write a letter, but do something and try hard to put things right. Again, none of you will really understand my experience, but hopefully you can take something from all of this, for your own situation.

It's heart-breaking, but 'death is a part of life' as you all know. I feel very sad for my dad, and for what could and should have been, but wasn't. I know I can't go back... I can't try again... I can't talk to him anymore... he's gone, and he's left a void in my life.

When death comes, it really does 'sting'... it hurts, and it's crushing.

1 Corinthians 15v53 **For this corruptible must put on incorruption, and this mortal must put on immortality.**

54 **So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in victory.**

55 **O death, where is thy sting? O grave, where is thy victory?**

56 **The sting of death is sin; and the strength of sin is the law.**

57 **But thanks be to God, which giveth us the victory through our Lord Jesus Christ.**

58 **Therefore, my beloved brethren, be ye stedfast, unmoveable, always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord.**

I thank God that soon, 'death' shall be no more. **And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.**

Revelation 21v4.

Learn to forgive and don't hold grudges. Don't let bitterness take hold of you, as this will destroy your life.

I hope to see my dad in Heaven... but I don't know... I just hope.

The question now is...

Do you know where you are going when you die? You can 'know'...!

1 John 5v11 **And this is the record, that God hath given to us eternal life, and this life is in his Son.**

12 **He that hath the Son hath life; and he that hath not the Son of God hath not life.**

13 **These things have I written unto you that believe on the name of the Son of God; that ye may know that ye have eternal life, and that ye may believe on the name of the Son of God.**

You have a choice: to die 'in your sins' and take them to Hell with you... or... 'to die with your sins forgiven' and go to Heaven. We are all sinners, and Jesus Christ came to take all of our sins upon Himself, die, be judged in our place, go to Hell for us, and rise again the third day conquering sin and death. For all those who have put their faith and trust in what He did, in other words, **believed the Gospel** (the death, burial and resurrection of Jesus Christ), we can have everlasting life and a place in Heaven. You either receive the Lord Jesus Christ as your Saviour, or you reject Him, that's your choice.

Here are some Scriptures from the Bible to help you understand more...

Romans 3v23 **For all have sinned, and come short of the glory of God;**

Romans 5v12 **Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned:**

Romans 6v23 **For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.**

1 Corinthians 15v1 **Moreover, brethren, I declare unto you the gospel which I preached unto you, which also ye have received, and wherein ye stand;**

2 **By which also ye are saved, if ye keep in memory what I preached unto you, unless ye have believed in vain.**

3 **For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures;**

4 **And that he was buried, and that he rose again the third day according to the scriptures:**

Hebrews 9v27 **And as it is appointed unto men once to die, but after this the judgment:**

John 3v16 **For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.**

Acts 16v30+31 **...Sirs, what must I do to be saved? ...Believe on the Lord Jesus Christ, and thou shalt be saved, and thy house.**

Colossians 1v14 **In whom we have redemption through his blood, even the forgiveness of sins:**

After reading these Scriptures, why don't you cry out to the Lord Jesus Christ asking Him to forgive all of your sins?

Romans 10v9 **That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved.**

10 **For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation.**

11 **For the scripture saith, Whosoever believeth on him shall not be ashamed.**

12 **For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him.**

13 **For whosoever shall call upon the name of the Lord shall be saved.**

Don't leave it a moment longer, get saved today and become a Christian.

Have you been to Jesus for the cleansing power?

Are you washed in the blood of the Lamb?

Are you fully trusting in His grace this hour?

Are you washed in the blood of the Lamb?

Are you washed in the blood?

In the soul-cleansing blood of the Lamb?

Are your garments spotless? Are they white as snow?

Are you washed in the blood of the Lamb?

Elisha Hoffman

Bereavement can be such a sad, lonely, terrible time. If you're struggling, talk. Don't go it alone. It hit me hard, and if I can help you in anyway, let me know.

Here are a few verses of comfort from the Holy Scriptures...

Psalms 62v8 **Trust in him at all times; ye people, pour out your heart before him: God is a refuge for us.** Have you talked to the Lord recently?

Psalms 27v10 **When my father and my mother forsake me, then the LORD will take me up.** Our families can let us down, but the Lord Jesus will never let us down.

Psalms 68v5+6 **A father of the fatherless, and a judge of the widows, is God in his holy habitation. God setteth the solitary in families: he bringeth out those which are bound with chains: but the rebellious dwell in a dry land.** The Lord understands what we are going through.

Job 19v14 **My kinsfolk have failed, and my familiar friends have forgotten me.** How often this happens. Have you run to the Lord for help and salvation? He'll never fail or forget you.

Isaiah 49v16 **Behold, I have graven thee upon the palms of my hands...**

He was crucified for you.

Psalms 49v15 **But God will redeem my soul from the power of the grave: for he shall receive me.** There is life after death, and what you have done with Jesus Christ in this life, will determine where you spend eternity, either in Heaven or Hell, and that choice is yours right now.

Psalms 73v24-26 **Thou shalt guide me with thy counsel, and afterward receive me to glory. Whom have I in heaven but thee? and there is none upon earth that I desire beside thee. My flesh and my heart faileth: but God is the strength of my heart, and my portion for ever.** The Lord will guide us through the trials of this life if we let Him.

Proverbs 18v24 **...there is a friend that sticketh closer than a brother.** That friend, is the Lord Jesus Christ.

Ephesians 4v21 **...the truth is in Jesus:**

When I survey the wondrous cross
On which the Prince of Glory died
My richest gain I count but loss
And pour contempt on all my pride.

Forbid it Lord that I should boast
Save in the death of Christ my Lord
All the vain things that charm me most
I sacrifice them to His blood.

See from His head, His hands His feet
Sorrow and love flow mingled down
Did e'er such love and sorrow meet
Or thorns compose so rich a crown.

Were the whole realm of nature mine
That were an offering far too small
Love so amazing so divine
Demands my soul my life my all.

Isaac Watts

A personal note...

I will carry this sad and true account of my dad's death with me until my own work on earth is done. I enjoyed my childhood, not knowing what was really going on 'behind the scenes', and what problems my parents were having together. As a child, life is full of fun, and *should* be. Your parents are your protectors, guardians, and people you can love, trust and turn to about anything, but sadly, for many, this is not the case.

I loved my dad. He was my 'hero' when I was a child, but as I got older and found my own path through life, we grew apart, as he didn't approve of my choices, and wouldn't accept me as a Christian.

Now he has left this world, and all I have is memories. As you are reading this, my dad is 'somewhere', Heaven or Hell, only the Lord knows, but one day I too shall find out. I hope it's Heaven.

Every day I think about him, but I have to stop myself from entering 'dark places' where my heart would just break, as I have many regrets. Like you, we all have to deal with 'life and death', and it's very hard at times. We don't want things to happen the way they do, but oftentimes we find ourselves in places because of the choices we've made, whether they be good or bad.

I have chosen to walk with the Lord Jesus Christ, asking Him to guide me through life. It's the best decision I ever made, and would urge you to do the same.

The Lord said... **I will never leave thee, nor forsake thee.** Hebrews 13v5.

For this God is our God for ever and ever: he will be our guide even unto death. Psalm 48v14.

The beast that thou sawest and was NOT... SHALL ascend... that WAS... yet IS...!!!!???

Rev 17v8 **The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.**

'The beast that thou sawest was, and is not' – this is the Devil in a certain type of 'manifestation' as a MAN, the counterfeit of God manifest in the flesh as Jesus Christ was (Heb 10v5, 1 Tim 3v16, Isa 7v10-15).

Rev 17v10+11 **And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space. And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.**

The 'Beast' is Satan (the Dragon), but he also comes as a 'man', just like our Lord Jesus did.

We see him in Rev 13v18 **Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.**

He WAS a man on earth...! Judas Iscariot.

'And is NOT...' – This man was not living at the time John wrote the book of Revelation..

...and shall ascend out of the bottomless pit... (Rev 17v8) – So this 'man', Judas Iscariot, will 'come again' ascending out of the pit. Remember he was a 'devil' and went to his own place... John 6v70 **Jesus answered them, Have not I chosen you twelve, and one of you is a devil? Acts 1v25 That he may take part of this ministry and apostleship, from which Judas by transgression fell, that he might go to his own place.**

Judas is going to have a 'second coming' just like Jesus Christ. He will ascend out of the pit (Rev 11v7) and will go into 'perdition'

2 Thes 2v3 **Let no man deceive you by any means: for that day shall not come, except there come a falling away first, and that man of sin be revealed, the son of perdition;**

At present he is the 'angel' of the bottomless pit (Rev 9v11). Note he has a Hebrew and a Greek name also. Ruckman writes... He is from Kerioth, east of Jordan in Syria. He has Hamitic blood as a half-breed Jew. He is the Antichrist in the Tribulation, the Devil incarnate, the 'son of perdition', that is now in the bottomless pit.

It has to be TWO-WAY...!

Friendships can ONLY work TWO-WAY... relationships can ONLY work TWO-WAY not 'one-way'... do you understand that? If you are lonely, it's because you are NOT trying YOUR side of things and are pushing people away. YOU need to change... do you understand that? Prov 18v24 **A man that hath friends must shew himself friendly: and there is a friend that sticketh closer than a brother.**

Reaching all the Funeral Directors in England...

Well, many Christians took a letter of the alphabet and sent a mailshot to all the funeral directors beginning with that letter with our booklets 'On his knees' and 'Don't wait until I'm gone.' I doubt that this has ever been done before and we thank the Lord for all those who got involved.

This Sodomite picks and chooses which Scriptures are relevant for him...!

All three of these 'debaters' were useless, fact. None of them answered each other's points and all of them personified arrogance and pride. The boy in the photo is a raving sodomite who ran to Hebrew, Greek, and any Bible 'version' he could find to justify his position. He stated categorically that ALL of Scripture was not Scripture, ONLY the 'bits and pieces' that he chose to believe in is truth e.g. 'some' of the teachings of Jesus he said were 'good'... how nice. This arrogant punk-kid will burn hotter than many when he hits the Lake of Fire. He's rejected God's authority, the Scriptures and set himself up as **the** authority. This self-deluded fool thinks he's 'saved' which is mind blowing...!

Rom 1v24-32 **Wherefore God also gave them up to uncleanness through the lusts of their own hearts, to dishonour their own bodies between themselves: Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen. For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet. And even as they did not like to retain God in their knowledge, God gave them over to a reprobate mind, to do those things which are not convenient; Being filled with all unrighteousness, fornication, wickedness, covetousness, maliciousness; full of envy, murder, debate, deceit, malignity; whisperers, Backbiters, haters of God, despiteful, proud, boasters, inventors of evil things, disobedient to parents, Without understanding, covenantbreakers, without natural affection, implacable, unmerciful: Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them.**

The Roman Catholic Church

This Roman Catholic Goon and halfwit knows as much Bible as the JW's or DUNG-slinger, and is just as 'sound'. He thinks 'baptising' babies saves them...! It's only people who don't read and study their Bibles who get sucked into idiots like this. I wouldn't be surprised if DUNG-slinger started preaching this next. The Roman Catholic religion is antichrist (Rev 17), and stands contrary to the King James Bible. This false religion teaches many 'doctrines of devils' (1 Tim 4v1) and should be avoided like the plague. As Christians

we should stand against this satanic religion, and point out to everyone, the heresies it teaches. That is why I produced my booklet, 'Are you a Roman Catholic?' Sow them everywhere.

Billy 'Burke' (I promise I didn't choose the name, it's real, the only thing about him that is ...!)

This fake and fraudster is just another 'signs and wonders' conman, making money out of suckers who don't read their Bible. This 'burke' is just another one to 'clock up' as a lying fake who thinks he is a 'healer'. Beware of this utter nutjob who will schmooze you into giving him money... DON'T. He's hooked up with Creepy-Copeland and this pair are as 'Christian' as Pilate and Herod. Luke 23v12 **And the same day Pilate and Herod were made friends...** I believe in 'healing'... I don't believe in 'healers' for today. If anyone claims to be a 'healer', they are NOT from God... they are working for their 'god' instead... Satan. Liars, cheats, and fraudsters are scattered throughout the Pentecostal and Charismatic churches. My advice... GET OUT NOW!

Billy 'Burke' couldn't heal DUNG-slingers DEAD beard...!

Street Preaching...!

Some street preaching Christians, or should I say 'most', seem to have a high opinion of themselves, feeling they are doing the 'proper' Christian work, whereas all other Christians are doing 'secondary work', it's just not quite as important as 'street preaching'. This type of idiot Christian is about as spiritual as Diotrefes (3 John 1v9), and just as 'fruitless'. I've street preached for years in the past, and don't at present. Am I backsliding? As Ruckman used to say... *Go kid your grandmother...!* Whatever God calls YOU to do, do it with all your heart. If it's 'care homes' get in there. If God gives you a ministry in schools, prisons, hospitals etc, go for it with all your heart. If it's 'door to door' work (which is one of the toughest ministries out there), or car-boots, may the Lord bless your every effort, but if you are a 'street preacher' don't you think that every other Christians should be a street preacher. I've got a missionary NUT on my mailing list who thinks that every Christian should 'street preach', he's a numpty, who's always begging for money. This self-delusional fool is as judgmental as they get, and produces very little fruit along with his miserable wife. They'd be better keeping their big mouths shut and focus on what the Lord has called them to do, without trying to be controversial. They're not, they're idiots who speak a lot of claptrap. They don't fool us Bible Believers who love the Lord Jesus with all our hearts and serve Him in all that we do, including business, so we don't have to be a parasite on other Christians to pay our bills...! Everyone's an expert, everyone's a 'pharisee', everyone knows best. Listen, don't let these numpties who are full of pride, throw you off track. Do what God calls YOU to do, NOT what 'they' think you should be doing. If they're hindering your walk, send them to me, as I love dealing with these super-spiritual naughty boys who think they are above the rest of us... it's my speciality... my calling as a 'Moron Slayer'.

Breaking point...!

We all have one, don't we? Have you hit yours? Are things getting on top of you, so much so, that you feel as if you just can't cope? Who are you talking it through with apart from the Lord? You need to talk with someone and be as honest as you can. Don't bottle it all up and then have a breakdown, talk. We all need help at times, so don't be too proud to ask. Going it alone will result in more problems, oftentimes leading to some kind of depression etc. Talk...! First talk to the Lord about it all, pour out your heart to Him, and then find someone you can trust and sit down with them and explain what you're going through. Too many Christians try to go it alone due to pride and stubbornness and this is always detrimental to their Christian walk. Talk...! Don't stop praying and whatever happens don't stop reading the Scriptures, as the answer to all of our problems is found in God's word.

Poor DUNG-slinger has lost the plot 'again'... is he devil 'possessed'... maybe...!?

I'd always left this 'satanic-little-imp' (chapter and verse DUNG-slinger???) alone, *and said I would, unless* he attacked me, and ONLY THEN, would I *defend* myself from this effeminate snowflake. Well you guessed it, he didn't like my last article regarding his born-again brother, who is doing a wonderful work for the Lord, and obviously DUNG-slinger has had major problems with his own family, he's jealous of them I believe, and I guess they've disowned him now, since he started his *four member cult*, and like Jim Jones, you wouldn't want to be around someone who wants you to live 'out in the woods' would you?! **If you are financially supporting this moron, you are wasting the money that the Lord has given you...** you'd be better spending it on 'fags and booze' as that's how bad this idiot really is, and what a waste it is giving money to this parasite. Remember, this charlatan started all this, and then when I defended myself, he wet his diaper, messed his nappy, and started going 'demented', and dribbling all over the farm. I find him very funny and entertaining to be honest, as no real Christian would seriously listen to this punk let alone follow him. His boyfriend 'JT' disappeared off the planet when I exposed him also, so it's only a matter of time before DUNG-slinger disappears too. He couldn't make it without YouTube so he begged and pleaded with them to reinstate him, so he could return and tout for money again, as he needed some to feed the 'bird' he's 'shacked up' with (as they are NOT married). Now have a look at the photos of this pleb above, what do you see? An isolated, 'bitter and twisted' loner who can't get any kind of ministry off the ground; he can't get a job, can't make any friends (although I've offered to help him many times), and he's so full of pride and arrogance, that his concubine doesn't even want to be seen in the videos with him anymore... *are they still together you ask?* I don't know. Now this dunce, who knows very little Bible, wants you to believe that Jesus is the Holy Spirit, that's how 'far out' he is. I don't know if he's eating 'forest mushrooms', but something has affected his mind, as he's all over the place. It's horrible to go through life like this cretin, especially when no one takes him seriously, but pride has killed what little 'good' he did, and that was 'pre-shack-up-time'. Sadly DUNG-slinger is just a sad lonely loser, who I have tried numerous times to help, but he thinks he knows it all, and has rejected all the love and concern us Bible Believers have shown him. He is so narcissistic and bitter, that no one wants to spend time with him. He attacks all Christians, and thinks that people like Keith Green, Ruckman, and myself are 'satanists', that's what he called us, can you believe it. I really do think he has some mental problems, and maybe a few years in the psychiatric hospital would help, hooked up to all kinds of drugs, vaccines, and drips, then perhaps he can come back to some sort of normality. By the way, have you ever seen a more tatty beard than DUNG-slinger's; he doesn't even know how to look after himself sadly. Someone has asked as to whether he was the original 'gonk', I'm sorry I don't know the answer to that question. He does indeed look like a gonk, but as to whether he was the original, I really don't know. He's not very cuddly is he, more prickly and sour. So, there we have it, DUNG-slinger has made Tft! NEWS 'again'...! He loves it, because he wants as much attention as he can get, so every time he mentions me or Time for Truth! I will return the favour and include an article about him, just so it's even, as that is only fair. He started all this, so I just want to keep the 'gonk' happy. Please pass on my love, as well as this article, to beardy and his concubine.

I guess we could all call him the 'gonk with the conc' (as in concubine)...? Just a thought.

The Gonk with the 'Conc...ubine' ... says he's been 'hexed' ...!

After attacking me, the 'Gonk with the Conc' says he came down with sickness for a week...!!! How about that...!!! He thinks someone has put a 'hex' on him... *it wasn't me folks*. Some of you may have given this 'shacked-up-couple' over to Satan, to teach them a lesson, *but I haven't...* 1Tim 1v20 **Of whom is Hymenaeus** (In Greek this is Mr DUNGslinger) **and Alexander** (In Greek this is Mrs DUNGslinger); **whom I have delivered unto Satan, that they may learn not to blaspheme**. You can tell from the photos above that some sort of 'hex' has 'got him'. I don't know who did it, but it's there, and it wasn't me. Is he possessed or just mentally ill, or both...? I don't know. But whatever little 'devil-imp' entered this bearded fool, is now controlling him it seems. Has he gone past the 'point of no return' regarding salvation? Again, I don't know. Is there any hope for DUNG-slinger, the 'Gonk with the Conc'? It's debatable. He has too many heresies. He thinks **John Wesley** wasn't saved... I mean, let's face it, anyone who can say such a thing is certainly NOT 'of the Lord' are they. You see, it's not just

the Bible that the Gonk knows nothing about, he hasn't got a trade, a skill, he's 'about useless' when it comes to bearing fruit. He believes he can cut up logs, I think he said once, which for the Gonk, is a big thing. His ilk-imps are paying his bills because he refuses to support his concubine and their out of wedlock kid, which is sad. It is what it is, and he is 'IT'. He craves attention. I said that every time he mentions me or Time for Truth! I will repay the favour, just so it's fair. His brother is winning souls for the Lord, DUNG-slinger is attacking Jesus Christ, and Christ's Body, the Church. Is it any wonder why DUNG-slinger thinks he's 'hexed', as he's seeing no blessing whatsoever. The photo here, shows DUNG-slinger trying to 'hex' other Christians and put the spell on them.

He chants things like '*Sex is marriage, and marriage is sex, come on baby, let's give em a 'Hex'...*'

I repeat, every single time he mentions me or Time for Truth! I will return the favour.

If someone could pass this message onto this idiot I'd appreciate it, thanks.

Do NOT support this fake, flake, and fraudster, with one single dime or penny, as you'd be wasting the money that the Lord has given you, only to support a satanic little 'imp' and his concubine. You'd be better spending your hard-earned money on bingo, than this nut!

I think anyone who watches and follows this charlatan is mentally unstable, and certainly not 'normal'.

They are also very shallow in their Bible understanding.

The sooner he's OFF YouTube the better for everyone, as he knows very little, and he confuses the few people that watch him. He's split up with his boyfriends **Jake-the-Snake** (he's vanished into the ether somewhere after we exposed him) and his clone **Philly-Willy-Newton** who buys all of DUNG-Slingers old plaid shirts. (He also thinks the Father went to Hell...!!! I kid you not, he's a heretic). These three stooges are as effective as a chocolate kettle, when it comes to living as a Christian or teaching the Bible. They are full of self-importance, yet they are so insignificant when it comes to sound doctrine, it's amazing how self-deluded they really are. Delusions of grandeur comes to mind... yet 'again'. No serious Christian even watches them, let alone follows these numpties. How grown men can act so immature amazes me. None of them work, and none of them can get employment, as no normal person would consider hiring these bearded fools. They are just 'beggars' in plaid, hoping that a few of their delusional idiot supporters will throw them a few dollars once in a while, so they can 'support' their families, although Willy-Newton hasn't found love yet, only among his chickens I believe. It's sad to watch these arrogant failures, but alas, you reap what you sow in life, and this cult really is 'reaping' the whirlwind that's for sure. I'll keep you all posted.

Given six weeks to live...

Donna and I arrived at the garden centre half-an-hour early. We didn't really know what to expect, but guessed it was a serious matter, so we didn't take our 'business presenters' in with us, just some chocolate, as we have always brought the owner some Galaxy chocolate for years now each time we visit, after a joke about it... it's our 'calling card'.

We've known Peter for at least 18 years and have built up a brilliant relationship with him, so much so, that we've given him the Gospel on a number of occasions, and he's taken some of our tracts and booklets, which he has read.

Today was different. He called us in as he stated in an email he was poorly and would be stepping back from his garden centre business. Peter had built the garden centre from nothing, and it is a huge part of his life.

Through the years he had spoken about his children, and we'd followed them while growing up, through school, college, work etc. His son is now 27 years old and helps run the garden centre. To be honest, his son is a bit of a 'hardcase' when it comes to Christianity and the Gospel, and I've had some debates with him, as well as his dad. Peter is much more receptive. When we arrived, there was a power cut and National Grid vans were everywhere. It's *never* happened before, and the Lord certainly knew what He was doing, which we would find out later.

We walked in and were greeted by two women we'd not seen before, and one of them asked me if I was seeing Peter on business or socially. I said that he had called us in.

We were shown to the restaurant and when we went in, there was his son plus about eight other people. They left immediately and we sat down with Peter's son.

He went on to tell us that his dad had been diagnosed with a cancerous brain tumour and had six weeks to live.

It was a huge shock, even though we thought something wasn't right. I started praying asking the Lord to give me an opportunity to really talk seriously and deep with Peter. His son being there was a huge hindrance.

The restaurant is usually packed, then I realised, if it had been full, I wouldn't be able to speak to Peter, as he is pulled from 'pillar to post' as everyone knows him, and we wouldn't get chance to talk.

Suddenly Peter arrived... I stood up, walked up to him and gave him a huge hug and said, "Are you trying to beat me to Heaven!"

His son 'miraculously' was immediately called away, and we didn't really see him again until we said goodbye. That was amazing.

I started by asking him "What would you like to talk about?" testing the water. He said, 'Anything you like!' I knew he meant I could 'go for it', to which I did. We had an hour together with very few interruptions. He cried a number of times, and it was very emotional.

I urged him to get saved after giving him the Gospel. I urged him to call upon the Lord to help him through all of this and explained how the Lord would lead him through death into Heaven, and that there was nothing to fear, he would just be stepping out of his body into eternity, and the best was yet to come.

It was such an intense, intimate, very emotional time, and he was very frank and open. I would not be surprised to see him in Heaven. I asked if I could leave him with a couple more things to read, so I left him the following...

The End?

How to have all your sins forgiven and go to Heaven... If you want to.

Is there life after death?

Donna's booklet 'Don't wait until I'm gone.'

All of which he promised to read.

I also left him a large print **King James Bible** and highlighted Rev 21.

As a last resort, and if Peter is well enough, one surgeon will attempt to operate to remove the golf ball sized tumour, among others, but it is a massive operation, that no one expects he'll recover from. He is paying £20,000 to try it. He also has tumours elsewhere in his body.

Already in the two weeks prior to our visit, he had planned his funeral and started sorting everything out, dealing with solicitors, banks, businesses etc.

He is organising his death and making it as easy as he can for his family. He is a very loving and caring man... he just needs the Lord in this desperate situation, before it's too late. I hope he has found Him today.

I cannot tell you how thankful to the Lord I was on how it all went, as it was very pressurised, and such a serious and emotional meeting together.

We drove back, at peace with the opportunity we had, but so saddened by it all.

Please pray for Peter, firstly for his salvation, then if it's the Lord's will, his healing, if not, that he'll be a great testimony to all those around him for the Lord.

It seems I've had a lot to do with death of late, as if the Lord is leading me in these situations, which I thank Him for, even though I find it very tough, He continues to carry me through it all.

It shows me yet again, how important it is to live every day for the Lord and to try to reach everyone around us with the Gospel.

Thy will be done Lord. (Interestingly occurs three times in Scripture).

Why is it that DUNG-slinger can't read plain English, neither able to count to two?

Now look at this big mouthed Gonk...! Let's see HOW DUNG-slinger reads the following text... 1 Cor 8v6 **But to us there is but one God, the Father, of whom are all things, and we in him; and one Lord Jesus Christ, by whom are all things, and we by him.**

He reads it thus... **But to us** (his cult followers, all six of them...!) **there is but one God, the Father** (who IS Jesus), **of whom are all things, and we in him; and one Lord Jesus Christ** (that's the Father according to Gonk...!), **by whom are all things, and we by him.**

Now let's read it as it is in context... **But to us** (us Christians NOT the 'Jesus ONLY cult') **there is but one God, the Father** (NOT the Son, the Father, yet ONE God), **of whom are all things, and we in him** (that's ONE, the

Father...!); **and one Lord Jesus Christ** (how many 'persons' is this in the verse? Is it ONE or TWO? Father

AND Son, or as Gonk says... Father only because Jesus IS the Father...! Is he just DUMB or 'wilfully' ignorant?), **by whom**

(Jesus NOT the Father) **are all things, and we by him** (that's TWO, the Son, TWO Persons...! Jesus is NOT the Father). So,

what do we have here in the Godhead aka the Trinity? You have the Father who is separate from the Son yet both are God... NOT two God's. That is just too much for DUNG-slingers

half-ounce-brain to cope with. That just causes him and his big-mouthed concubine to change the Scripture to teach their heresy. DUNG-slinger and his big-mouthed concubine are Bible 'correctors', they lie to you if they tell you that they *believe* the Bible, they DON'T. They are trying to make merchandise 'OFF the Bible' by getting simpleton 'Christians' to send them money... DON'T send them a dime / penny.

For there are three that bear record in heaven, the Father (1), the Word (2), and the Holy Ghost (3): and these three (3) are one (1). 1 John 5v7

$1 \times 1 \times 1 = 1$ – ONE God

not

$1 + 1 + 1 = 3$ – 'NOT' THREE 'God's'

Remember, every time he mentions me or Time for Truth! I will expose him for the parasitical heretic he really is. Please pass this message onto DUNG-slinger and 'Miss World', his concubine.

Our next step in life...

Well, we have decided to end Time to Regroup! as the commitment among Christians wasn't there anymore. When hard times come, Christians show up. When things get back to normal, and the sun is shining, suddenly these meetings weren't needed anymore. We did what we could for all those who came, and taught them to the best of our ability. These meetings were set up just once a month for all those isolated Christians who haven't got any fellowship, and wanted some, as well as for sound Bible teaching. We could get up to 45 people at some, but then only a few committed to the meeting each month, so we might as well just have our normal church. So, that's what we've done. I tried to help those isolated Christians, but they didn't help themselves, so this meeting has now closed. If there is a need, we try to meet that need. If Christians can't be bothered, that's to their shame, and I want no part with them. My job is to look after, feed and protect the sheep that come. I tried to help those who were 'scattered' around, but they didn't want it bad enough. It's a shame, but that's life among Christians these days. Most aren't faithful, committed, interested in the Lord's work or word, but instead they are lazy, inept, puerile, 'fruitless'. They will have to give an account to the Lord at the Judgement Seat of Christ. They should be shaking in their boots...! Every church I have ever been to is full of lazy, half-hearted Christians who wouldn't lift a finger to help, or get involved. They just 'tick a box' and that's their life. They have no passion, no desire, couldn't care less that souls are going to Hell daily, and never read or study their Bibles out of love for the word. I wouldn't say every Christian is like this though, only about 95% of them. That's why Christians leave The Oaks Church, because we just don't tolerate half-hearted morons who aren't in love with the Lord. Attention seekers and proud Christians leave us, and then vanish into the ether, never to be heard from again. I would rather have 12 committed Christians than 120 lukewarm ones, who turn up as and when they feel. To be brutally honest, you are better off without them even in your lives. So, a new chapter has opened up in our life, and we shall seek the Lord as to whether we start a new work in Shropshire. We are in the Lord's hands, and pray that He will lead us to the right people. We love serving the Lord, and we love reading His word daily, that's Tft!

Two booklets that will help with bereavement and a loved one coming to the end of their life...

Donna and I have both written a booklet due to the situation we experienced regarding my dad coming to the end of his life. Lord willing, they will minister to all those who experience the same or similar situations regarding a loved one and them coming to the end. Donna and I have been heart-broken regarding the experience we went through together, but the Lord Jesus has sustained us, protected and looked after us throughout it all. To us, it's been a miracle and we can only thank the Lord for guiding us in every decision we have made so far. These two booklets are written from the heart and will certainly get you thinking, and hopefully save you from some of the pain we have had to go through. So far, we have received so much encouragement regarding them.

Dodgy-Podgy-Breaker and his Dodgy-Podgy-Wife - confused as usual...

Is this jackass saved? Yes, I believe he is... **but...** he is very confused when it comes to teaching and preaching the simple Gospel. He really shouldn't go around teaching that if you **pray, call or ask** the Lord Jesus Christ to save you from Hell, Jesus will SEND YOU TO HELL 'because' you *prayed, called or asked*, as according to fat-slob-Breaker, THAT... is 'working' for your salvation. Now what he attempts to teach is absolute nonsense, so just reject it every time you hear it, between his snacks. He's not really interested in reaching lost souls, or teaching 'truth', he's interested in gaining subscribers because he's arrogant and proud and he's destroying the small ministry he's got. He appeals to the Spanish, and those who don't read and study their Bibles themselves. Bible 'believers' don't follow this overweight gasbag and his inflated wife. These two live on KFC and 'puddings', and sadly it has affected their minds that they have actually turned into two big 'puddings' themselves. None of them work for a living, they just live on 'handouts', I guess they are unemployable. I mean, would you employ these two at your 'food' establishment... *exactly...!!!*

The most dangerous LIE is the one closest to the truth... remember that.

Where is it going wrong for you?

You're not making the right choices so your life is going pear-shaped. What are you doing about it? Are you stuck in a rut? If you don't start making some good decisions you'll ruin and waste your life like so many do. 1 John 2v17 **And the world passeth away, and the lust thereof: but he that doeth the will of God abideth for ever.** There is nothing more important than doing the will of God, nothing. I know of Christians close to myself who are making some terrible choices, yet they just can't see it. I send out updates every week challenging all of us to keep checking to see whether we are in the will of God or not, yet these folk don't seem to be touched by them, why is that? Stubbornness and pride will lead you astray. Are you walking in the word of God seeking Him through that Book, or do you just pick it up as and when? Don't waste time, use it wisely. Mark 3v35 **For whosoever shall do the will of God, the same is my brother, and my sister, and mother.** Rom 12v2 **And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that good, and acceptable, and perfect, will of God.** Eph 6v6 **Not with eyeservice, as menpleasers; but as the servants of Christ, doing the will of God from the heart;** 1 Pet 4v2 **That he no longer should live the rest of his time in the flesh to the lusts of men, but to the will of God.**

I hope...

What are you hoping for in life, apart from the Rapture of course? What are you seeking? Are you trying to start something, whether it's a new job, or attempting to get a ministry off the ground. What are you actually hoping for? Have you made some good decisions of late, or are you stuck in a rut? I've met Christians who have been stuck in a rut for much of their lives, and they never seems to be able to get out of it. They've got to the point where they are content to be there as change would bring even more of a challenge. They never really amount to much in life, and their bear very little fruit for the Lord, if any. Are you like this? Are you stuck in a rut? Are you content just staying there? Has the 'spark' gone now?

The Balanced Diet by Matt...

Since my conversion in September 2017, the Lord has taught me many things, and He's opened my eyes to many topics about which, prior to salvation, I had no idea about!

The Lord Jesus Christ. Who He is. What He is like. What He is like in character, and how He wants me to live.

The attributes of God.

The Bible, itself.

Sound doctrine.

Christian liberty and holiness.

The local church, what it is, and what it is not!

The Bible version issue.

Dispensational teaching.

Prophecy.

What God approves of, and what God condemns as sin.

The Christian is always learning.

The Christian life after you get saved is a massive journey, and I've had to learn many lessons the hard way, because of my own sin, pride, stubbornness and foolishness.

I've been saved now for 5 and a half years, as I'm writing this article. One of the things John mentioned when I first came to the Oaks church (one year after I got saved back in September 2018) was the thing of being a balanced Christian. This always stuck with me, because at the time, I never really understood what that meant.

In the years that followed, I'm learning now that a fruitful Christian life really is a matter of balance and correct prioritisation (majoring on the important things, and not making mountains out of molehills. Not making a massive deal out of peripheral issues!).

The Lord should come first, above all things. Others next, and yourself last. But we know, that the Bible is so much more than merely a religious book, of do's and don'ts. The Bible is the word of God, and it is God's revelation of Himself to us, in a book! How in the world can a book be written about God? Volumes and volumes and volumes of written material has been produced, about the most minute of topics! Chemistry, manufacturing, music and so on. And yet the Bible is what God has given to us, to learn about Him. Who we are, what we ought to be doing, and where we'll go after death.

It's very easy to become an unbalanced Christian. To be heavy on certain aspects of the Bible and doctrine, and neglectful of others. Many Christians get obsessive over certain topics and doctrines, and set themselves up as some sort of authority on the subject. We all ought to aim to be balanced as believers and we ought to be questioning our walk with the Lord and examining ourselves, all of the time.

Are you balanced in these areas?

Prophetic teaching – You'll meet and listen to Christians, who are massively into prophecy and prophetic teaching. It's great that they are looking for the Lord's return, and that is something that we all should do. You don't want to become watered down, in this regard. But oftentimes, Christians end up being obsessive over the news and current events (and now alternative news media sites like Rumble, Telegram and BitChute), to the neglect of practical Christian living. Over the reading of the word of God. Prayer. Bible study. Passing out tracts. Generosity and care for other believers. You don't want to get to a place where you are using the imminence of the rapture to sit around, looking at headlines all day, and you're doing nothing for the Lord with your life! A lot of Christians are unbalanced in this area, sadly. We thank God for the blessed hope of Titus 2:13, but until the Lord calls us home, there is still so much to do for Him!

I find studies on the rapture, the Tribulation (Daniel's 70th week or the Time of Jacob's trouble) and the Millennial reign of the Lord Jesus Christ, the New Jerusalem and eternity, to be as fascinating as anybody else. But some preachers and teachers spend their time on nothing else! When you're dealing with all of life's many ups and downs, times of sickness, financial struggles, bust ups with friends, family and other Christians, fears and worries, sin problems and when you're trying to help other believers with their burdens. If all you've been feeding on is prophecy, studies about what the earth was like before Genesis 1v2, angels and devils and future events, you'll find that you won't be prepared to deal with these practical situations! A Christian preacher or teacher ought to meet the needs of the people he is ministering to.

On the contrary, if you haven't got your prophetic view in line with the scriptures, you'll be easy pickings for false teachers and for the religious liberals. 90% of professing Christians believe that the world is getting better and better, and that they are actually involved in bringing in the Kingdom! They don't even know that the Lord is going to return, never mind all of these things that are pointing to the end of the current dispensation. The scamdemic, hyperinflation, and all of the rest of it. They're easy pickings, ripe to be fleeced by the likes of the prosperity preachers and every man and his dog out there with a charity begging bowl. The key is to be balanced. We're here to love and serve the Lord, to get the gospel out to the unsaved and to minister to the church, the body of Christ. We're not here to reform the government, to be social workers or to be environmentalists. We know that this world is going to be totally burned up, one day soon! (2 Peter 3:10).

Doctrine – You need to be built up in doctrine. We all do. Doctrine, really, is about what is right in the sight of God. When you've lived your whole life doing things contrary to what God approves of, you want to get your life sorted out and you want the Lord to clean you up, as you obey Him! And once you know what the Lord approves of and disapproves of, you

want to remain balanced. If you get too liberal and loose, you'll use eternal security to justify all types of sin and you'll end up being a powerless, worldly, compromised Christian. If you get too legalistic, you'll start getting into unnecessary problems. You'll find yourself being drawn into arguments that are pointless. I've met many, incredibly legalistic Christians during the time in which that I have been saved, and when all has been said and done, they've all been hypocrites in one way or another. The double-standards that these people come up with, truly beggars' belief! I've met legalistic Christians who won't listen to any music that is not "Christian", including classical music, but they'll happily watch hours of brainwashing secular TV in the evenings. I've met Christians who'll dress like the Amish and Mennonites, covering everything up and looking very holy, but they're bulldog bitter and spiteful, always moaning and complaining about one thing or another! A real drag to be around! I've listened to Christian preachers and teachers who'll shout and whack their pulpits, they'll rant and rave in their churches, but as soon as there's a bit of pressure, as soon as things like the lockdowns came about, they remained absolutely silent (They wouldn't want to risk losing their income!). On the same note, I've met Christians who are very vocal in church, shouting "Amen!" and whooping and all of the rest of it when they're sitting through a sermon, but everybody knows that they're living in sin and that their personal lives are a shambles. I've met Christians who'll preach on the streets and militantly pass out tracts, but they'll always make sure that they're being filmed as they're doing it! Is their motive to serve the Lord, or to become online celebrities? I've met Christians who are very well read, and concerning the Bible, they're incredibly knowledgeable about many deep topics, but when you deal with them, they're tighter than a submarine door with their money! You're always going to be picking up the bill when you go out with them! The Lord has standards, but you'd better make sure that you're not on the road to becoming a legalistic pharisee, majoring on certain doctrines but being a total hypocrite when it comes to others.

Christian devotional teaching – Sometimes you'll read the scriptures for comfort. We all ought to do that, throughout our Christian lives, and we're told about this in Romans 15:4. A good question to think about is this. Why are you reading the Bible? Some people read the Bible to acquire head knowledge. If they know every intricate detail about genealogy, biblical numerology and aspects of the covenants and dispensations, they can set themselves up as an authority on the subject and the whole thing becomes an ego trip. They can "draw away" disciples after themselves, and go off on an unbalanced tangent (Acts 20:30). One thing I've learned is that you're going to have to take the meat and leave the bones with many a Christian teacher, preacher and author. Some teachers may be fantastic on prophecy, but they are useless on practical, day-to-day teaching. On the other hand, some teachers may be really captivating when it comes to devotional preaching, but they'll be useless on doctrine! You've got to constantly be judging everything by the scriptures. Not by what feels good! There are churches out there, particularly amongst the Pentecostals, that major on devotional teaching and preaching. We all need to listen to this at times, to be built up in the areas of compassion, care, sincerity, affection, patience, empathy and to grow in love towards the Lord! But if all you are feeding on is devotional studies, not backed up by sound doctrine, you'll eventually stray into error. A good example of this, is how the church of England teach the sermon on the mount, and the "Golden Rule" of Matthew 7:12. There are many great lessons to be learned from those verses of scripture, but if you are going to take these verses doctrinally, you'll find that this is impossible! Christians who are not grounded in sound doctrine easily become discouraged, because they fail to read these portions of scripture in their right contexts! If all you feed on is devotional, lovey-dovey studies, you'll be easy pickings for the many heretics, atheists, religious liberals and false teachers that are out there, teaching works salvation, attacking the deity of Christ and the word of God. Again, the key is to be a balanced believer!

I want to be a balanced Christian, and this is what I am seeking guidance from the Lord about at present. If you follow a handful of Christian teachers, authors, preachers and ministries, make sure that you are getting a "balanced diet", because what you feed on will affect you, in one way or another.

How would you describe your relationship with the Lord Jesus Christ?

Do you feel a million miles away from Him, or are you walking in close communion with Him? What are the reasons? Is the Lord Jesus Christ the central focus and purpose of your life, or are there things and others above Him? How much do you really love the Lord? Why is it that some Christians are totally sold out to serving Him, when others aren't bothered or interested at all, why is that? Why is there such a contrast among Christians? What are your goals in life? Do you ever think about life 'after' death, and meeting the Lord? Do you have a passion to reach lost souls with the Gospel, or couldn't you care less? How do you love someone more? Have you even pondered on what the Lord Jesus Christ has done for YOU? Does it convict you, to the point that you want to live for Him in everything? Are you on fire for the Lord or just lukewarm? Are your thoughts taken up with the Lord, or do you hardly ever think about Him? You can tell who really loves the Lord, by the way they talk and live. Even at The Oaks, you can tell those who are sold out to Him and those who are living in a backslidden state, even though they would never admit it. They are too proud to admit their coldness and failure. It's sad to see so many Christians who just don't really love the Lord Jesus Christ much; I see it all the time, I just don't understand it to be honest. How can any Christian not be totally, absolutely, 'sold out' to following, living, and serving the Lord, after all He has done for us? What are you running after in life? What are you focused on? What things are important to YOU in your life? How come these are more important to you than the Lord is? How did you get into this position? Where did it all start going wrong? What got a hold of you, and led you away from loving and serving the Lord? Are you really honest?

Another Nutjob to avoid like the Rabies...!

If you've never seen him, you haven't missed a thing. I don't even know this idiot's name, but another idiot 'disciple' of his called 'Baby-Rich' sent me his video telling me that this guy disproves everything I've ever believed. I didn't have to watch two minutes before understanding that the guy is not just a fruitcake, he thinks he looks like Jesus... don't they all darling. Both Baby-Rich and his nutjob-guru are about as 'far out man' as you can get. This long-haired-lover-from-Liverpool (USA in fact) thinks that Jesus has returned the second time already, plus another load of such tosh and heretical teachings it really isn't worth going into. If you see this ugly face 'scream!!!'

This 'Cosmetic'-Sceptic is as arrogant as they get, and just as stupid...

It seems easy for punk kids these days to make a living. Just become an atheist and start a YouTube channel, as it's trendy. He gets a kick out of trying to disprove God and the Bible, and of course many follow the idiot... like other 'idiots'. Each to his own of course, and we all have a freewill to believe what we want. I wonder if 'eyelids' evolved? Was there a time when eyelids weren't there, and everyone went around with starey eyes looking surprised? Where did the intelligent design come from to say that we needed eyelids? Just a thought. This 'Cosmetic-Sceptic' is a parasite in reality, as he can't live without God, he can't grow his YouTube numbers without God, and he is living off God and so-called 'famous' people trying to become someone in life. He's just a punk kid with a camera & mic.

Woody-Woodpecker, the guy with no Final Authority, is back on YouTube with his Teddy Bear...

Remember this bozo? He destroyed his own YouTube channel, but because he missed the 'limelight' he had to return; it's like a drug to so many that they can't stay away from it (e.g. Hunter – remember him?). So Woody is back. As usual he's good at attacking all the Muslim errors, but gets caught with his pants down every time someone talks about 'Final Authority', as he hasn't got one. He can't say 'The Bible says', because he doesn't have a Bible, he has many. 'If you have one watch you know the time, if you have two watches, you're never sure'. Woody-Wood-Pecker is 'Pecks-Bad-Boy' as he jumps from version to version, and multiple Greek texts to multiple Hebrew texts to prove his point. Plus, many of his doctrines are all over the shop as he's not dispensational. Shame really.

They Hyper-Dispensationalist Monks ('Punks') who can't rightly divide the Scriptures...

They believe in a 'mentally ascending gospel'.

These two Yo-Yo's believe that if you 'ASK, PRAY or CALL' upon the Lord to save you, that He, the Lord Jesus Christ, will send you to Hell because you are 'working' for your salvation. Now these two utter nut-jobs have created their own very small cult, and already they have fallen out with each other and started attacking each other can you believe. When you follow novices like these, unless you know your Bible, you will be led astray into all kinds of weird doctrines of devils. Ruckman didn't rate Dodgy, Podgy-Breaker, and wrote a letter exposing him, while the midget 'Casper-Pfenny' is a whitewash-washout when it comes to understanding the Bible. The only people who follow

Pfenny are old ladies with dementia, because they forget what he said five minutes earlier. Beware of these two false 'prophets' ('monks') and avoid them like a dog with rabies. None of them are soul winners, and Pfenny hasn't led a soul to Christ his entire life... ask him...! Breaker uses Ruckman's name to get a following, yet he's not a pastor, evangelist, teacher, or preacher... he's a charlatan who keeps getting exposed, and can't get a ministry off the ground. Both are egomaniacs and attack Christ's Body all the time. I warn you about these punks because I get a lot of their 'casualties' come to me very confused. Dump them! Their 'mentally ascending gospel' is from the New Age of Enlightenment... DEAD!

Another move...!

Well, here we go again...! The landlady wants her house back as she's coming back from France. So, we had to be out by the 30th June. It's tough moving Time for Truth! as we have so many boxes, plus looking for a suitable house is also very difficult, due to the size we require. Anyway, the team got on the case, and they found one. We have relocated to Bridgnorth. The Lord certainly provided the house for us, as there is no way we could have done this ourselves. We pray it will be a great ministry house, and if you're ever in Bridgnorth, come and visit us. Whether we start a work here is in the Lord's hands, and we're just praying about it at the moment. We shall continue of course with the Oaks Church in Harvington. This situation has been an absolute 'miracle', and an incredible journey for us, one of which we'd never have dreamed about. I limit God too much I guess. I lack faith too often and try to work things out myself. I need to trust and lean on the Lord for everything in my life, then I would understand more. I just hope and pray that the Lord will keep us in this house until the Rapture, as it's everything we need to run the ministry and business from. Even though it's more expensive than we are used to, the Lord is meeting all of our needs, and we just can't thank Him enough. Lord willing, I shall also get more time to write (I want to finish Christian Soldier's Battle Notes volume two) and focus on creating more tracts etc. I would also like to start up a Bible study if possible. We are seeking the Lord's will.

When is enough, enough?

Ps 107v27 **They... are at their wits' end.** Are you at your wits end? You've tried so hard, but 'they' won't listen. You've tried so hard but it's just not working. You've given your all, but somehow, it's not going according to plan. Enough is enough. Is the Lord showing you that it is not of His will and you are to change direction? Are you 'flogging a dead horse' as they say? There is a time to let go and move on. Is this the time for you in your life? There's a reason why it's not working for you. Is it because of stubbornness and pride that you keep going? If it's not right, stop it now, and move on.

'Clickbait' - Big-Belly-Breaker...!

YouTube is full of Christian 'preachers and teachers' all *justling* for your time, wanting YOU to watch THEM, and because it is so saturated these days, many have to resort to clickbait titles to entice and seduce you, and of course the suckers fall for it every time. Without clickbait, most YouTube channels wouldn't have much of a following. Fat-slob-Breaker is no different, he wants your 'subscription' and because he's growing stale with his followers, he's 'click-baiting' to whip it up a bit. Soon he'll be adding '**another** date for the Rapture' and off the suckers go again clicking on it hoping they'll learn something new, and yet 'again' they'll come away disappointed. Christians never seem to learn do they...! In this photo, Breaker has got the wind from eating too many chicken-wings, so he's taken off his cool shades to express himself a little more. He's full of hot air that's for sure.

Bigger barns...!

Luke 12v18 **And he said, This will I do: I will pull down my barns, and build greater; and there will I bestow all my fruits and my goods.** While some Christians are begging for money to build 'bigger barns' and TV studios (Doug-can-stuff-it), here at Time for Truth! we use every penny on tracts and Bibles. There's a difference between us and a lot of other ministries...! We're not trying to impress you, or schmooze you out of your hard-earned cash...! Those of you who give donations know it goes into getting the Gospel out. We are living in the last days, so 'building projects' or 'TV studios' isn't something on our radar, we'd rather spend the money on tracts and Bibles. I'll never grow a big church for obvious reasons. I just want to do what God wants me to do, rather than seeking 'fame and fortune'. If more money comes in, more tracts and Bibles get bought, simple ain't it...! I don't think The Oaks Church will ever look like this one...

There are some questions we just don't want to be asked aren't there?

I will help and give advice to the best of my knowledge to anyone, but there are some questions I just don't want to be asked, especially from those who I class as friends. Why? Because they wouldn't like the truth, and it would probably destroy our friendship. So, what do we do? We take the good and leave the bad, and make the best of what we've got. You will only be able to go 'so far' with some people, including friends for obvious reasons. I just back off at times, easing out of situations so not to encourage a situation that can only lead to awkwardness and contention. We all need wisdom to deal with these kind of situations. **A man that hath friends must shew himself friendly...** Prov 18v24... and I'm Johnny Friendly (On the Waterfront...!) when I don't get asked certain questions...! I value our friendship too much to give you the honesty that would destroy it... Capiche?

Over 920 updates have now been put out...

These Tft! Newsletters seem to be diminishing due to the email updates. I'm tempted to stop them and focus on the updates. I'd like to know your thoughts on this. We've put out over 920 updates since the covid-scam and had thousands of email responses which has been very encouraging. If you are not on our weekly updates, and have an email address, and would like to be added, just let me know. We cover all kinds of topics and issues. They have helped many since starting this ministry, which we give praise and glory to the Lord for.

What aren't you doing?

Should you be doing something that you know you are neglecting? Are you committed to living for the Lord in your daily lives? How far will you go for the Lord? What percentage of your life does the Lord get? How do you decide 'when' you are going to live for the Lord? Are you a good ambassador for the Lord in your job? Are you a good example to your family and friends? Do you take a stand in your sport? What aren't you doing? What are you failing at? How are you trying to overcome your failings? Are you stuck in a rut? If you're not seeking the Lord to get back on track, you're wasting your life.

Weekly Updates...

Well, I've sent out nearly 920 since the covid scam. Are you on our email mailing list? If not, and you want to be included, just let me have your email address. These updates help us all to stay close to the Lord and challenge us to live for Him in all that we do. I really appreciate all the feedback and responses I receive from them, so thank you to everyone of you who stands with us here at Time for Truth!

I will ascend above the heights of the clouds; I will be like the most High. Isa 14v14.

Poor ol Musky...!!! £2.5 BILLION dollars down the drain. What could you do with £2,500,000,000...? Everyone wants to 'ascend' (just like Pfenny and Breakers mental 'ascending' gospel), yet they all come down with a bang...! Pride and arrogance is in all these who think they know more than the King James Bible. Has man *really* walked on the Moon, or has the world been conned? If the Moon is a picture of the Body of Christ, do you think God is going to allow 'men' to walk all over His Son in 'the heavens'...? No matter what, Musky has been humbled, and 'musk' get his crayons out and 'musk' go back to the drawing board and start again. Man shall populate the planets, but not for at least another 1,007+ years time...!

Pride goeth before destruction, and an haughty spirit before a fall. Prov 16v18.

A few of my own thoughts on life at present...

I'm 52 years old, and this year has certainly been an emotional rollercoaster for me that's for sure. Losing dad, the house, and all that things bring with it was certainly tough at times. I just kept taking it all to the Lord and talking to Him about everything, asking Him to lead me through it all. Now we are in June, and things are looking so much brighter. The house is sorted, and the business is doing well. The ministry is going great, and we are reaching and impacting many lives all across the world. It's an exciting time and I'm enjoying life. My team are brilliant as always, and totally dedicated to serving the Lord and we are all pulling in the same direction praise God. The Oaks Church seems to have been reduced to the 'faithful few' who keep coming, and a new work will be starting in Bridgnorth soon we pray. More tracts, books and Bibles are being shipped out everywhere. I am very blessed.

What questions do you ask God?

Am I where you want me Lord?	What is my next step Lord?
What do you want from me Lord?	Who should I be making contact with?
Am I who doing what I should be doing Lord?	Is there something I am missing in life?
What needs to change in my life?	Here am I send me...! Isa 6v8
Are there parts of my life I'm holding back from you?	Why isn't 'so and so' doing what they should be doing?
What is hindering my walk with you Lord?	Why do so many give up, fall away, leave the church?
How can I get closer to you Lord?	Why am I so weak?
Every time I read your word, please help me to 'listen'.	

He maketh the storm a calm, so that the waves thereof are still. Ps 107v29.

It is with great pleasure I report that DUNGslinger has had *another* YouTube strike...!

He's such a narcissist that he couldn't stay away from YouTube, although his 'god' told him he should quit this platform. He left, then realised that no one was following him, so he returned and 'begged for mercy' from his minuscule cult to forgive him *for leaving them...!!!!!! I know I know...!* Anyway, he returned. Now he has had a couple of strikes and one more will remove his channel completely. **So, here's the deal...!** I would suggest reporting him to YouTube for being a cult and teaching such damnable doctrines of devils e.g. that Jesus is the Holy Spirit and the Father, to name just one heresy, and let's get him banned for good. This lame, shallow little 'satanic imp', is a curse and needs to be shut down. He hasn't got a ministry, although he tells you

he has. He has no friends sadly, although I've tried to help him so many times, he's just too arrogant and proud to receive correction and advice (he's a nut to be brutal), and now he just needs to **GO...!** Let's get rid of him off YouTube **for good**. You'd learn more from Joyce Meyer than you would from DUNGslinger. He's tried other platforms like Rumble but they just don't work for him and his 'begging for money' doesn't have the same effect as YouTube's massive platform. There was once when I thought he had potential, but sadly he cut his own throat doctrinally and went off into the woods like Jim Jones. As I have previously stated, if he mentions me, or Time for Truth! I'll return the favour every single time. He wants marketing and coverage, and I'm here to oblige DUNGslinger. How his poor old conc has stayed with him over these last nutty years is a miracle. *Mind you, have you seen her recently...???*

(Disclaimer... the photo at the top left of this page is NOT 'Osama bin Laden', it just looks like him).

Unstable Christians... are you one?

James 1v8 **A double minded man is unstable in all his ways.** Do you blow 'hot and cold'? One minute you're in, then you're out? What is it with these kinds of Christians today? Are you a hypocrite, pretending to be on an 'even keel'? You say one thing and do another? Do you keep your word or let yourself and others down? Are you faithful or do you drift from one place to another? Can you take criticism, or do you get so easily offended that you just run away? I have to deal with these kinds of Christians on a regular basis sadly. Long gone are the days when you could count on those around you. Sadly today, you can hardly count on anyone. Prov 27v6 **Faithful are the wounds of a friend; but the kisses of an enemy are deceitful.** Some of you don't realise it yet, but I'm the best friend you've got...! Why? Because I tell you the truth. It's not my fault you can't handle it, but I'll keep telling you the truth. Don't be unstable... stay where the Lord leads you until He says move on.

Do NOT run away from Church if things are getting tough for you... this is NOT the answer...

Sometimes things just get on top of us and we feel we just can't cope. Do NOT run away and hide, neither stop going to church, as you need to sit under the ministry of the word of God whatever happens, unless of course you are saturating yourself in it already (which you should be doing), but even then, the preacher / teacher may say something that the Lord wants to say to you. Too many Christians quit, run away and hide, trying to deal with the problems they are facing on their own. It doesn't work 99% of the time. Talk to the Lord and then talk to others asking for prayer and help. Do NOT go it alone... it will only be detrimental to your Christian walk I promise you.

Look around your local church; who isn't doing very well? Do they need help in any way?

Look at all the people in your fellowship; are some of them struggling? Do they need help and support? What about the elderly, are they coping well, or do they need some help? Do all you can to help them. Look out for one another, and keep your eye on those who are perhaps 'slipping through the net'. Don't take things for granted, get to know all those who attend your church, show an interest in everyone, don't be selfish and keep yourself to just those you know and like. Is there more you can do to help? Don't just leave it to others, get involved yourself.

Are you working hard...? Really...?

Working hard is a great testimony to and for the Lord. People watch you without you even knowing it and they take stock of what you are like, your character and how committed you are to what you believe. If you are a lazy loafer, people around you will know that and they'll talk about the 'lazy Christian' to others. Work hard in all that you do. 1 Cor 10v31 **Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God.** Col 3v17 **And whatsoever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by him.** Col 3v23 **And whatsoever ye do, do it heartily, as to the Lord, and not unto men;** *Do you need to step it up a gear? For the Lord...?*

Wealth maketh many friends; but the poor is separated from his neighbour. Prov 19v4. *Who are you sucking up to?*

Turbaned Fool...!

This guy is no friend to Christians that's for sure. The coronation was just another end time sign that the Rapture is anytime now. He has no interest in the King James Bible or Biblical Christianity. He is a puppet which the Devil is using, and suckers are following him as a 'champion for climate change...!' What a wally...! They even produced an article on the 'errors' in the King James Bible that he swore an oath upon. Multi-faith and 'transgenderism' seem to rule England now, and truth has fallen in the street. Fear has gripped this nation and there are no more Cromwell's who will stand up and fight for the truth. Prov 28v1 **The wicked flee when no man pursueth: but the righteous are bold as a lion.** Are YOU as bold as a lion? Do you know of any here in England making a difference?

If any Christian says there's 'too much' Scripture in Church...

If a Christian makes the excuse of 'too much Scripture' at Church, know this, you are dealing with a backsliding Christian who has a number of things wrong with his / her Christian life. *For instance...*

- 1) God wrote a Book, and gave it to us to read, study and live. You can't get enough of it, and the more time you spend in it, the better. If you 'live it' you will fulfil God's will in your life.
- 2) If the person is moaning about 'too much Scripture' just look at the fruit they are bearing in their own life. You will find it is very little, if anything. You will also find that they make excuses about everything; they will lie to justify themselves, and oftentimes will be living in rebellion against God, although pretending to be 'spiritual'.
- 3) You will oftentimes find that the woman takes the lead in the house, as the man isn't where he should be in the Lord.
- 4) These people who cry 'too much Scripture' are usually lazy Christians, who don't witness or evangelise. They are church pew sitters and that is about all. They will moan about everyone and anyone, and criticise all those who are trying to live for Jesus Christ.
- 5) These types of Christians are very jealous and bitter and get a kick out of things going wrong for others.
- 6) The 'too much Scripture' brigade, do not read and study their Bibles because it's too hard and time consuming; they will read shallow books by authors (who are not deep in the Scriptures) about the Bible, but they do not want strong meat.
- 7) In the end, they will leave the church and then start bad-mouthing it, saying to others that they left because there was 'too much Scripture'... PLUS... and then they will start bringing up as many negatives as they can to justify their unscriptural position.
- 8) To be totally honest, when someone says, 'too much Scripture', know this, they are finished as a Christian, and you're best without them. Let them go and don't chase them.
- 9) Beware of the person who says 'too much Scripture'... as there is something deeper than this, it's just an excuse they are using, because they are not living as they should, and they are not where they should be in their Christian life. Something deeper is causing them problems, and by them neglecting the Scriptures, they will downward spiral, until they finally leave the church. I've seen it a number of times in my 34 years as a Christian.
- 10) FACT - You CANNOT get enough Scripture. If you love the Lord, you will love His word.

Are you a Gossip?

Prov 11v13 **A talebearer revealeth secrets: but he that is of a faithful spirit concealeth the matter.** You know something about another that isn't 'good'? So, what are you going to do, tell others? How nasty Christians can be at times. What happened to obeying this verse? Who are you judging others by, your standards? There are way too many Christian gossips in the local church. Rather than hurt others, talk to the Lord and allow Him to sort situations out, rather than you jumping in with your big fat feet causing problems everywhere. There is a time to speak, and a time to keep your big mouth closed and let the Lord work.

The rich ruleth over the poor, and the borrower is servant to the lender. Prov 22v7.

How true this is... bang up to date in 2023. If you are borrowing money, you're servant to the lender, they call the shots and you can't beat the system. Don't overspend; don't live above your means. **Remove far from me vanity and lies: give me neither poverty nor riches; feed me with food convenient for me:** Prov 30v8. Stay humble seeking the Lord's will.

Brief outline of a sermon I recently preached... (Look up every Scripture for a blessing)

It's all about 'Questions...!'

What ONE question would you ask God if you could face to face?

(You're not allowed to ask the date of the Rapture or whether you are in His will or not?)

What's one of the 'best' questions you've ever been asked?

What's one of the most challenging questions you've ever been asked?

Look up these Scriptures...

1 Kings 10v1+3

Mat 22v41-46

Luke 2v46

1 Tim 1v4

1 Tim 6v3+4

2 Tim 2v22-24

Titus 3v9-11

Questioned, being questioned, and asking questions...!

Now compare Gen 3v9 with Mat 2v2

(In the OT God is looking for man... 4,000 years of history later, and man is looking for God!)

What's the motive to your question?

Mat 22v35 (Prov 26v4)

Mark 8v11+12

Mark 11v27-33

Luke 23v8-10 (Ecc 3v7, Isa 53v7)

Life is full of questions...

Where did we come from?

Where do we go when we die?

What is the meaning of life?

What's the purpose to it all?

Why am I here?

There's a lot of things we want to know isn't there? - Dan 2v3 ('dreams' for instance...! Why? What do they mean?)

The more you read the Bible the more questions arise. The deeper you go into the Scriptures the bigger the Book gets.

There are some things we're NOT to know - Acts 1v6+7, Mat 24v3+36, Dan 12v4+8+9, Gen 3v5.

There are certain things in life you're best NOT knowing about, or seeking after...

Deut 29v29

Judges 13v17-22 (v18)

Stay as pure as you can for as long as you can, especially protecting your children from all the evil out there. Be careful what they watch, listen to, and get involved with. Phil 4v8, 1 Tim 5v22, Titus 1v15+16.

You learn by asking questions, that's why I encourage all of you to ask questions with the right motive.

What do you want to know? - Acts 2v28, Rom 16v25-27.

You want to know...

God's will for your life - where you should be and what you should do.

The 'times and seasons' for the return of the Lord.

You want to understand the Scriptures.

You want to understand about life - how to think, act, pray etc.

Read Prov 30v12+13 - that's today in 2023.

Rom 2v7-11 - choices to make. You choose how you want to live.

John 14v1-3, 1 Cor 2v9, 1 Thes 4v11-18.

(If you've looked up every verse you've certainly had a blessing...!)

I know it's hard to imagine, but this day is coming...

Rev 21v4 **And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.** Think how amazing this will be. Read the verse again...! No more death, crying, pain, sorrow... imagine what kind of place this is going to be.

Controlling your emotions... your temper... do you?

What winds you up? How do you cope with things that annoy and anger you? Have you a short fuse or do you let things go, and forgive? Is this something that you need to work on and ask the Lord to help you with? 1 Cor 9v27 **But I keep under my body, and bring it into subjection: lest that by any means, when I have preached to others, I myself should be a castaway.** Discipline... are you good at it? Who did you last fall out with and why? Should you have done more?

Flags Collected: 174

Well, those of you who have been with us for many years can see how Time for Truth! has grown. It's amazing where the Lord has taken us, and we are very grateful and thankful as to how He has used us to reach thousands across the world. We send out well over 100 parcels of literature a month, from tracts, books and Bibles. Our Gospel coins have travelled the world and are being ordered across the globe, it's amazing to think where they actually get to. Every week I am receiving emails from Christians worldwide, and corresponding with them on a regular basis, which is very encouraging. Our tracts are also being ordered every week which is a great blessing, and these little missionaries are setting out on their journeys reaching far and wide, changing lives through the word of God, the Spirit and power of God; may the Lord save many souls through all of this. Our focus here at Time for Truth! has never changed, to get the Gospel out to as many people as we can before the Rapture. Many ministries today do all BUT get the Gospel out sadly. We will always have that focus, and the Lord helping us, continue to support those who are doing the same. Well done to all of you who 'tract' and for making it a priority in your life, as so many Christians don't, which I find hard to believe to be honest. With time running out fast before the Rapture, Christians ought to be saturating their villages, towns and cities with Gospel tracts, especially the Rapture tract we produce, as this will also be used during the Tribulation for those who are left. We are living in the last of the last days today, and there should be an urgency among us all to get the Gospel out to our families, friends, work colleagues, and enemies. You've got to question your own Christian life if you are not doing this, haven't you? Has everyone down your street had the Gospel in tract form yet? If not, what are you waiting for? Set yourself a goal of just a few each day if you can, and discipline yourself to getting the Gospel out so it becomes second nature for you. The only hope for this world is the Gospel... I said the 'only' hope. Don't waste your time in politics and trying to save the planet, as you're wasting your time. Jesus Christ is the answer.

DUNGslinger asks... 'Is it wrong for a Christian to have no real friends?'

Poor poor DUNGslinger... hasn't got any friends... I wonder why? Now he's putting out a pity-party video begging not only for money, but for friends... DUNGslinger wants a little old friend... I've offered to help the dork many times, but sadly his egomaniac attitude and demonic arrogant spirit won't let him, so he stay's lonely the poor kid. He's a very immature boy trying to play a man and failing miserably. He hasn't got much of a following and is very jealous of our ministry, along with Gene Kim's, Ruckman's, etc. He wants what we have, but refuses to submit to the Lord or His word to obtain a ministry, so he begs, and he begs and he begs, making videos that are so inept and puerile no one really takes him seriously, he's asleep to reality sadly.

Disciplining children

Should you smack your children? According to the world, the government, the 'woke idiots' and the liberal Christian parents, no, but according to the Bible... yes. Like anything you have choices to make, and when it comes to bringing up children some of the worst kids, from the worst parents, are those who do not discipline their children by using the 'rod of correction'. Prov 13v24 **He that spareth his rod hateth his son: but he that loveth him chasteneth him betimes.** I know of parents who do everything BUT obey that verse, and their kids are some of the worst kids for rebellion, backchatting, stubbornness, attitude problems, ill mannered, ignorant, spiteful, and 'malicious'. I've met thousands of parents over the years, and I could count on my one hand those who are actually 'good' parents. What are you like as a parent. Are you a good example?

When something goes wrong in your life...

What's the first thing you do? Hit the booze or the drugs (legal or illegal?) What do you do? What do most people do? So many people rely on prescribed drugs to get them through each day, or booze to 'numb the pain'. Rather than turn to the Lord when trouble comes, many Christians hit the tablets (like the people of the world), or even the booze (like the people of the world). Why is that? A lack of faith...! Not reading the Bible or praying enough...! Not having a close walk with the Lord Jesus Christ...! How do you deal with problems in your life?

Why is our country in such a mess? Outreach in Scotland...!

Well **50,000** were delivered by a team up there in Scotland. The backlash was like nothing they or us have ever seen. The abuse from those who got upset by this little piece of paper was unprecedented. I was signed up to some of the worst things you could imagine, and some of the emails I received (with photos) were near 'criminal'. It certainly stirred so many people up, and you could tell thousands read this Gospel tract. Out of all the TFT! tracts ever produced; this is the one that gets the most negative responses.

2024 Gospel Calendars

This year, thanks to Dave, I was 'right on the ball' and for once got ahead of myself in regard to the production of our annual Gospel Calendar. As usual we went for 5,000 and they sold very well. Gospel calendars are the best way of getting the word of God up on atheistic and secular walls in homes and businesses. Push one through every door in your street, in every business, every doctor's surgery, dentist practice, hospital, school etc. Sow these little missionaries everywhere you go. Shops like to take them, even Muslim kebab houses and pubs have taken them. It's a great work to get them out there in your community, where you live. I've had people contact me at the end of the previous years or next, asking if they can have the latest one.

Are you involved in this outreach work?

Christian Soldier's Battle Notes volume TWO...

Lord willing I'm coming to the end of this book. It's been a huge task for me, as I'm just so busy in my life, and have to write between 'life'. I'm very pleased with it so far, and I think it will be a great help to many. I have spent quite a lot of time on charts, trying to make them as easy to understand as possible. It is many books all in one, so value for money is paramount and you will get one of the best deals around by purchasing it. Like volume one, I don't think there's another book like it out there, so buy one for your friends, church, pastor, evangelist, outreach worker, Bible teacher and preacher, as they'll all benefit from it. Will there be a volume three? Probably.

Responsibilities...

Are you doing what you should be doing? If not, you are affecting those around you, even if you don't realise it. Are you the mum and dad you should be, the leader, the team player etc. Are you taking on the responsibilities that you know you should? If not, who is doing them for you?

Free literature...

From day one we have always tried to bless others who need it, with free literature etc. When we get requests for our material, we always ask the Lord to help us, as we also get some liars, cheats, rogues, and parasites who are so stingy when it comes to 'money' they squeak when they walk. We are always giving out free materials as the Lord leads and blesses us. If you financially support our ministry, this is where some of your gifts go. If you can't afford our literature, we will do all we can to help you out. If you are 'stiffing us', the Lord will deal with you.

A good finish to the year...

No matter how this year has gone for you, will it finish well? What are you doing to make sure it does? Are you walking as you should with the Lord? Are you fulfilling His will in your life? Or, are you walking in rebellion and you know it? Time is running out for all of us as the Rapture is imminent, so let us do all we can to serve the Lord Jesus Christ the best we can and with all of our heart, asking Him to use us to reach those around us. Have you been a blessing to others this year, or lived selfishly? Have you grown spiritually or have you stagnated in your walk with the Lord? What's your prayer life like and your Bible reading? Are you enjoying your Christian walk or is it hard work? What changes do you need to make?

Comparison between the Lord Jesus Christ and Muhammed

Death	Jesus died and rose from the dead.	Muhammad died and stayed dead.
Fighting	Jesus never fought.	Muhammad fought in battles many times.
Hearing from God	When Jesus heard from God, he went to the desert to be tempted and began his ministry with boldness. (Mark 1:14-15).	When Muhammad heard from God (supposedly through an angel), he cowered, was uncertain, and wanted to commit suicide. (Quran 74:1-5)
Identity	Jesus claimed to be God (John 8:24; 8:58) as well as a man. Jesus claimed to be the way, the truth, and the life. (John 14:6).	Muhammad claimed to be a man.
Instructions Received	From God the Father (John 5:19)	Allegedly from an angel
Killing	Jesus never killed anyone.	Muhammad killed many.
Life	Jesus had the power to take life but never did. He restored it.	Muhammad had the power to take it, but he never restored it.
	No one ever died in Jesus' presence.	Many people died in Muhammad's presence – he killed them.
Marriage	Jesus never married.	Muhammad had over 20 wives and even married a six-year-old girl and had sex with her when she was nine.
Ministry	Jesus received his calling from God directly. (Matt 3:17). Jesus received his commission in the daylight.	Muhammad allegedly received it from an angel (Gabriel). Muhammad received his words in the darkness of a cave.
Ministry Length	Jesus taught for 3 1/2 years.	Muhammad taught for more than 20 years.
Miracles	Jesus performed many miracles, including healing people, calming a storm with a command, and raising people from the dead.	Muhammad's only alleged miracle was the Quran.
Prophecy	Jesus fulfilled the biblical prophecy about being the Messiah.	Muhammad did not fulfill any biblical prophecy except the ones about false teachers (Matt. 24:24).
Sacrifice	Jesus voluntarily laid his life down for others.	Muhammad saved his own life many times and had others killed.
Sin	Jesus never sinned (1 Pet. 2:22)	Muhammad was a sinner (Quran 40:55; 48:1-2)
Slaves	Jesus owned no slaves.	Muhammad owned slaves.
Virgin Birth	Jesus was virgin born.	Muhammad was not virgin-born.
Voice of God	Jesus received and heard the direct voice of God. (Mark 1:10-11)	Muhammad did not receive or hear the direct voice of God. It was an angel instead.
Women	Jesus spoke well of women.	Muhammad said women were 1/2 as smart as men (Hadith 3:826; 2:541), that the majority in hell will be women (Had. 1:28,301; 2:161; 7:124), and that women could be mortgaged. Women could be beaten (Quran 4:34)

Why people like DUNGslinger go wrong so often...

Prov 24v6 **For by wise counsel thou shalt make thy war: and in multitude of counsellors there is safety.** Who are you accountable to? Who is checking what you do, and guiding you? Who are you leaning on and talking to? If you go it alone, you'll fail, guaranteed, because your self-delusion and pride will mess you up as it has done with all Christians who isolate themselves. I don't know of one sound Christian who has cut themselves off from everyone and is normal. They are all whack-heads who deviate from the truth and follow after self-righteousness and start attacking the Body of Christ... that's all they do with the rest of their lives. They waste everything the Lord has ever given them. DUNGslinger is a castaway (1 Cor 9v27) and useless now. He's lost his mind and only a few mentally unstable morons follow him. Don't cut yourself off and try to go it alone, it will never work, NEVER. I've even seen it with people who were once in our own church, and now they are wandering around in the wilderness with no purpose, no guidance, and answer to no one. They too have lost the plot, and now through arrogance, pride, and self-righteousness, have destroyed their own lives. They won't listen and are unteachable.

What a Psalm for life...

Ps 107v1 **O give thanks unto the LORD, for he is good: for his mercy endureth for ever.**

2 **Let the redeemed of the LORD say so, whom he hath redeemed from the hand of the enemy;**

3 **And gathered them out of the lands, from the east, and from the west, from the north, and from the south.**

4 **They wandered in the wilderness in a solitary way; they found no city to dwell in.**

5 **Hungry and thirsty, their soul fainted in them.**

6 **Then they cried unto the LORD in their trouble, and he delivered them out of their distresses.**

7 **And he led them forth by the right way, that they might go to a city of habitation.**

8 **Oh that men would praise the LORD for his goodness, and for his wonderful works to the children of men!**

9 **For he satisfieth the longing soul, and filleth the hungry soul with goodness.**

10 **Such as sit in darkness and in the shadow of death, being bound in affliction and iron;**

11 **Because they rebelled against the words of God, and contemned the counsel of the most High:** (The Lord knows what is best for us at all times, but we must be living in His word)

12 **Therefore he brought down their heart with labour; they fell down, and there was none to help.** (We all need to be broken at times...!)

13 **Then they cried unto the LORD in their trouble, and he saved them out of their distresses.** (When you cry, He saves...!)

14 **He brought them out of darkness and the shadow of death, and brake their bands in sunder.** (He sets us free)

15 **Oh that men would praise the LORD for his goodness, and for his wonderful works to the children of men!** (Have you praised the Lord recently?)

16 **For he hath broken the gates of brass, and cut the bars of iron in sunder.** (Nothing is too hard for the Lord)

17 **Fools because of their transgression, and because of their iniquities, are afflicted.**

18 **Their soul abhorreth all manner of meat; and they draw near unto the gates of death.**

19 **Then they cry unto the LORD in their trouble, and he saveth them out of their distresses.** (He saves and helps 'fools' and kings alike... if you call upon Him, He will save you and help you... are you calling upon Him?)

20 **He sent his word, and healed them, and delivered them from their destructions.**

21 **Oh that men would praise the LORD for his goodness, and for his wonderful works to the children of men!** (Have you praised and thanked God all week?)

22 **And let them sacrifice the sacrifices of thanksgiving, and declare his works with rejoicing.**

23 **They that go down to the sea in ships, that do business in great waters;**

24 **These see the works of the LORD, and his wonders in the deep.** (Every seaman has stories that you wouldn't believe... He's seen things that most of us haven't. The power of the wind and sea etc.)

25 **For he commandeth, and raiseth the stormy wind, which lifteth up the waves thereof.** (He controls the weather and He controls the 'storms in your life')

26 **They mount up to the heaven, they go down again to the depths: their soul is melted because of trouble.**

27 **They reel to and fro, and stagger like a drunken man, and are at their wits' end.** (Are you at your 'wits end'... have you reached 'rock-bottom' yet?)

28 **Then they cry unto the LORD in their trouble, and he bringeth them out of their distresses.** (Have you cried to the Lord yet?)

29 **He maketh the storm a calm, so that the waves thereof are still.** (There it is... He calms the storm... He creates it, and then calms it... and there is a perfect reason that He knows, as to why we have to go through certain things. We try to work it out and fathom it, but we just can't at times, not until we've come through it. Rom 11v33 **O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are his judgments, and his ways past finding out!**)

30 **Then are they glad because they be quiet; so he bringeth them unto their desired haven.** (Once the storm has passed, there is a peace, like you've never known - John 14v27 **Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid.** Phil 4v7 **And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus.** Col 3v15 **And let the peace of God rule in your hearts, to the which also ye are called in one body; and be ye thankful.**)

31 **Oh that men would praise the LORD for his goodness, and for his wonderful works to the children of men!** (Never stop thanking and praising God... in everything... including the storms of life... just keep trusting in Him - Luke 8v23-25 **But as they sailed he fell asleep: and there came down a storm of wind on the lake; and they were filled with water, and were in jeopardy. And they came to him, and awoke him, saying, Master, master, we perish. Then he arose, and rebuked the wind and the raging of the water: and they ceased, and there was a calm. And he said unto them, Where is your faith? And they being afraid wondered, saying one to another, What manner of man is this! for he commandeth even the winds and water, and they obey him.**)

Mark 4v37 **And there arose a great storm of wind, and the waves beat into the ship, so that it was now full.**

38 **And he was in the hinder part of the ship, asleep on a pillow: and they awake him, and say unto him, Master, carest thou not that we perish?**

39 **And he arose, and rebuked the wind, and said unto the sea, Peace, be still. And the wind ceased, and there was a great calm.**

40 **And he said unto them, Why are ye so fearful? how is it that ye have no faith?**

41 **And they feared exceedingly, and said one to another, What manner of man is this, that even the wind and the sea obey him?)** Every storm you come up against... He knows, and He understands what and why you're going through it. Trust in Him to get you through.

32 **Let them exalt him also in the congregation of the people, and praise him in the assembly of the elders.**

33 **He turneth rivers into a wilderness, and the watersprings into dry ground;** Whatever state you are in, in life, He can turn it around and sort it all out, if you put your faith and trust in Him... but do you? Or... do you run to the doctor, tablets, drugs, booze, men etc?

34 **A fruitful land into barrenness, for the wickedness of them that dwell therein.**

35 **He turneth the wilderness into a standing water, and dry ground into watersprings.**

36 **And there he maketh the hungry to dwell, that they may prepare a city for habitation;**

37 **And sow the fields, and plant vineyards, which may yield fruits of increase.**

38 **He blesseth them also, so that they are multiplied greatly; and suffereth not their cattle to decrease.**

39 **Again, they are minished and brought low through oppression, affliction, and sorrow.**

40 **He poureth contempt upon princes, and causeth them to wander in the wilderness, where there is no way.**

41 **Yet setteth he the poor on high from affliction, and maketh him families like a flock.**

42 **The righteous shall see it, and rejoice: and all iniquity shall stop her mouth. (Titus 1v11...!)**

43 **Whoso is wise, and will observe these things, even they shall understand the lovingkindness of the LORD. (Do you understand the lovingkindness of the Lord?)**

What a Psalm... I said... WHAT A PSALM...!!! Did you get much out of that...? I certainly did. It helps me to deal with the storms in my own life. Without the Lord at the helm (James 3v4) guiding me, I haven't got a clue...!

Studying the 'storms' in Scripture would make a great Bible study I'm sure.

I am so thankful to the Lord for getting me through another tough week, and landing me safely on the shore.

I want to thank Him and praise Him, and love Him with everything I have.

A flurry of responses from our tracts...

Recently we've had a number of responses from our tracts which has been very encouraging again, at least people are reading them and getting the truth no matter what. One lady in her 80's wanted some free tracts to give out on the streets, she's been evangelising for 47 years, so we sent her a box full of tracts and booklets.

Deut 10v12 **And now, Israel, what doth the LORD thy God require of thee, but to fear the LORD thy God, to walk in all his ways, and to love him, and to serve the LORD thy God with all thy heart and with all thy soul,** compared to... 2 Kings 10v31 **But Jehu took no heed to walk in the law of the LORD God of Israel with all his heart: for he departed not from the sins of Jeroboam, which made Israel to sin.** Which one are you? And you wonder why you're in the situation you're in?

He also that is slothful in his work is brother to him that is a great waster. Prov 18v9.

One of the fastest men on the planet is a Christian...!

Thank the Lord that this gifted athlete is a Christian. The BBC tried to cover this up, and blocked out the verse regarding the Lord's name, but other papers carried the story fully, explaining his Christian faith. Pray for Zharnel Hughes.

He seems like a nice guy. May the Lord use him to reach lost souls with the Gospel, especially via his platform.

One guy sent this to be included in this newsletter...

Here's something you can add to your news if you want. It's something I've been thinking about lately. I feel like a drunkard who finally sobered up. Or maybe somebody who moved from a bad city and into a clean country village. Both leave one clear headed, feeling clean and thankful for where they are.

Porn - It feeds lust. It commits mental adultery. It stains the heart. It rots the soul. It grieves the spirit. It strains the marriage. It leaves one feeling the same way I've heard rape victims explain the way they felt afterwards.

It's not a disease; it's a choice. It was a habit developed while in the military. It became my counsellor, my friend. It became a pastime and an obsession. It became an idol.

It left me chemically imbalanced and mentally enslaved. It left me spiritually dead and without sympathy. It retarded my growth as a Christian and it kept me in a constant deficit with the Lord.

God hates it. His children aren't supposed to be used that way. God wants worship and love from us with all our heart, our soul, and mind. I loved porn. My soul was dark and weary from the constant abuse. My heart was hardened.

It made me a liar to my best friend. It made me a hypocrite to everybody else...if they would know... It made me a slave to the Devil. I hated it. My heart shrivelled down a little more each use. My soul shuddered in retrospect.

BUT MY VICTORY IS IN JESUS

He washed me in His blood. He gave me ANOTHER chance. I took it. This time my prayer of forgiveness wasn't double minded. This time I let His blood soak in. His blood revived my heart and washed away the stains. My soul was comforted.

My eyes are clear and my mind righted. My best friend and the love of my life is placed back in her proper place, at my side. My Lord, my God is placed back in His proper place, in my heart.

I can serve our gracious Saviour wholeheartedly. No feelings of guilt or lust cloud my mind. The toxins have been leached from my body. I don't feel perpetually filthy.

Thank you God for your loving-kindness. Your long-suffering. Thank you God for your Son's sacrifice on the cross. He suffered a terrible and horrific death FOR ME. Thank you for your gospel of hope, which I can freely share without reservation. I used to feel like a plastic Christian, but now I'm bonafide. I have your stamp of approval to be a righteous man of God to be used to further your gospel. Porn - It's an ugly word. It's the Devil's creation and the world's pride. Don't shackle yourself to the serpent and get bit. Cleave unto the Lord and be blessed.

Lazy Christians, doing nothing... are you one?

Prov 19v15 **Slothfulness casteth into a deep sleep; and an idle soul shall suffer hunger.** Are you working hard, or just drifting through every day with no purpose? Why are so many Christians lazy? Check these verses out... Prov 6v9, 10v4, 20v13, 23v21. Convicting? The Lord has given us another day to live for Him, so how are we going to do that? I fail in many things in life, but I'm always asking the Lord what He wants me to do, and I ask Him to guide me in every decision I make. Here at Time for Truth! we work hard, and try not to waste time; we're always fighting against it, it seems. Make every day count, and walk as close to the Lord as you can. DON'T waste time, 'redeem' it (Eph 5v16, Col 4v5). Set yourself goals and discipline yourself. Make the most out of life. I've seen wasted lives and wasted years among those around me, and it's tragic, they just don't care and can't be bothered sadly. These people forget and ignore how precious life really is. Do all you can to impact those you come into contact with. Do everything you can to help and love those the Lord brings to you. Step out of your comfort zone, and walk in faith, doing God's will, and serving Him the best you can. DON'T waste time.

From the Outside... By Donna

Looking in, how do we feel? What emotions do we experience? Somehow, we can feel alone, isolated, intrigued, empty, dissatisfied, guilty, angry, let down, unwanted and a whole host more. We are a very complex design and fearfully and wonderfully made, so it's no wonder, at times, our thoughts, feelings, and emotions are stirred. This can be both of benefit and detrimental to us. I'm sure when we've felt low for whatever reason, we all know how vulnerable and fragile we become and how the slightest thing can send us on a downward spiral. Likewise, an overwhelming sense of excitement or happiness at the sound of good news. From one extreme to the other we experience such a variety of feelings. What do you think deep inside when you look inside a home, warmly lit with family around a dining table? Or at a group of friends enjoying a meal together and engaging in conversation and laughter? Where does your mind take you? Are you reminded of happy memories or similar experiences? Or absolute sadness of what never has been, or what was and is no longer possible due to circumstances or even death. What about those times in life when you are on the outside looking in, at companies, schools and universities, community environments and events, at leisure activities and gyms? Do you feel completely out of your depth? Do you have a longing to be a part of a particular company or group, and know you will never be able to attain this or even be given the opportunity to try something new? You do not have the experience and confidence to enter that field? You feel like it's impossible to break through? I guess we've all had these feelings though our situations may vary. It's interesting how from the outside things can appear so differently. From the outside our dreams and admiration of others, maybe a film star or mentor, someone we've looked up to, can be held in such high esteem, then we find out more, and looking into that person's life, our illusions are shattered, destroyed. Likewise, when we, from the outside, view a property, enter a place of worship, or visit an historical castle. Our desire to go inside, to be allowed to see behind and beyond the doors. How different our thoughts were before entering in, before knowing and seeing more and again once inside. How about receiving a gift, wrapped beautifully, and the suspense of what's inside, to possible disappointment at the revealing? From the outside looking in brings a new dimension. We see things so differently to what we expected. Perhaps at times, we try and convince ourselves that by entering into whatever it is, would solve a problem for us or make us feel more complete when in reality, this is not the case. At times it's as if we feel cheated or have been deceived, and this could be over a variety of situations or an outcome to personal choices made. Life seems very complicated and challenging at times. It seems we were a toddler playing with toys and not a care in the world one day, to becoming a teenager and dealing with all that brings, to entering adulthood and learning what life is really like. Being faced with responsibilities and pressures and important decision making. Then old age is upon us and a whole host of challenges, difficulties and frustrations are before us. Then of course the ultimate happens, and we are faced with death; the darkest, saddest, and oftentimes the loneliest journey we take in life, when the closest person to us passes away or the loss of a loved one. From the outside looking in, we now enter a realm of feelings beyond words. We are dealing with so much we cannot focus and at times we are so overwhelmed we struggle to deal with ourselves. The things that used to annoy us or cause such concern don't matter anymore. The difference of opinions and unnecessary debates now seem futile, and we realise, though too late, how different things could have been. Then our minds consider what happens when we die. Do you remember those feelings you had after attending a funeral? The emptiness after a loved one is buried, and you walk away. Those thoughts of where our loved ones have gone, where we will go. From the outside we sometimes don't want to begin to even think on these things, but death is very much a part of life, and we each have to come to terms with it. It's an extremely sad and stark reality. How do we cope with this? How do others influence us and our thoughts on such a subject? How can we know for sure? What difference does it make? Does it really matter? Does it cause us unrest, fear, anxiety, dread? Is there any hope or comfort? The following verses will hopefully sum up both life and death, both the past, present, and future and the security of an eternity we just cannot begin to imagine, but one day could become a reality... From the outside... to looking and entering in. Available to all, no-one is excluded.

For I delivered unto you first of all that which I also received, how that Christ died for our sins according to the scriptures; And that he was buried, and that he rose again the third day according to the scriptures:**

John 11v26 **And whosoever liveth and believeth in me shall never die. Believest thou this?**

Is DUNGslinger a Freemason, a Jesuit, a Muppet, or just plain and simply... 'STUPID?'

Honestly, I cannot believe what an idiot this monkey-man really is, but what makes things even more incredible for me, are the few that follow him; they must all have mental illness and some sort of vitamin deficiency, as no one in their right mind would follow this fake, let alone send money to this beggar and the wench he's shacked up with (they're NOT married...!) So here we are again, and I need to expose the idiot because he's causing a few problems as usual, and daddy needs to fix them. Recently he put out two videos that someone highlighted to me; one is him being arrested which is just a fake joke. DUNGslinger is a coward, that's why he sits in his house all day, and when he does eventually venture out, he only wanders into the woods, behind his bedroom (so he's not too far away) and makes videos in the wilderness. Let me prove to you how scared DUNGslinger is of seeing and meeting people... look at the hundreds of videos he's uploaded. Now look at how many 'other' people are in them...! Quite shocking isn't it. He has no one in any of his videos because he has a fear of mixing with people, as he's a recluse and not a Bible Believer. You will not find this coward talking with other people giving them the Gospel; you will not find this coward passing out tracts or witnessing, unless he's got the bird he's shacked up with, screaming across the road at strangers... THEN the police came, and warned him about his lunatic concubine, and told them to be quiet... *so they were quiet*. That takes care of that so-called video of DUNGslinger being 'arrested'. He wasn't, he was warned by the police to be quiet, so he was quiet, and ran back to his bedroom.

Oh, and by the way, here's proof that DUNGslinger is a LIAR; watch this video if you enjoy a laugh...

https://www.youtube.com/watch?v=dsUI9GRipXE&ab_channel=JoelOsteen

Next up, oh yes, DUNGslinger's boyfriend (Jake the Snake) sent him a so-called 'expose' on Geoffrey Grider, which DUNGslinger then made a video about. Now get this... he made a video about a guy living with a woman before they were married... yet DUNGslinger is shacking up with 'Miss Universe'

and they are **NOT** married... hypocritical or what??? You don't believe me... ask DUNGslinger to prove he is married... 'PROOF'. You won't get anything, as he's NOT married, he's just 'shacking up' with his internet date. You see, DUNGslinger is not a Bible Believer, he's a Bible rejector. Whatever you do, DON'T help finance his hedonistic lifestyle, you'd be wasting your money, and you'll be judged yourself for that. Both Jake the Snake and DUNGslinger are very jealous of 'Geoffrey Grider & NTEB' because this is a 'ministry', and both boyfriends are very jealous of NTEB, because they don't have a ministry. Sadly, these beggars have nothing to offer because they are 'lazy loafers' who are scared of meeting people. Oh, and by the way, DUNGslinger is attacking and promoting that Ruckman

was a Freemason... yes, I know, his mental illness has finally kicked in and he's having a hissy-fit.

Jealousy and pride have killed DUNGslinger and Mrs Bonehead stone dead. I don't know of a bigger pair of halfwits on the whole of YouTube as these two charlatans. They are just a very small cult begging for money and stiffing their 'members'. Don't forget, 'God' told DUNGslinger to get OFF YouTube, but now he's back on it (!!!) because he couldn't survive on the gifts and money from the other platforms, as no one followed him.

Isn't it amazing that DUNGslinger drags up the past about a woman with Geoffrey Grider, and won't forgive and forget, but regarding 'pornography addiction' and DUNGslinger that has to be kept quiet? This just shows you that DUNGslinger loves to 'dish-up-the-dirt' on others but wants to keep his own past very quiet... DUNGslinger is the epitome of hypocrisy.

DUNGslinger has ripped out these two verses from his King James Bible because he doesn't want to obey them; Jake the Snake has done the same, then they 'burned them' together dancing around the campfire while drumming up the demons...

Prov 10v12 **Hatred stirreth up strifes: but love covereth all sins.**

Prov 17v9 **He that covereth a transgression seeketh love; but he that repeateth a matter separateth very friends.**

Miss Universe put on her druid dress and the three of them (JT can't find a girlfriend yet... that's searching across the whole of the internet...!) danced until the early hours of Saturday morning... summoning, drumming, and whipping themselves into a frenzy. It was very entertaining I'm told, but I don't think he uploaded that video to YouTube... unless it was to Rumble, I haven't checked...!?

NTEB Responds To The Salacious Allegations Made By Jacob Thompson, Bryan Denlinger And Bruce Bridges Regarding 'Criminal Misconduct' - <https://www.nowtheendbegins.com/nteb-responds-to-the-salacious-allegations-made-by-winepress-news-jacob-thompson/>

To answer the question above, DUNGslinger is just plain and simply STUPID... among other things of course.

The two biggest gobs on YouTube

**But if ye bite
and devour one
another, take
heed that ye be
not consumed
one of another.**

Gal 5v15

(Err nasty...!)

DUNGslinger and his concubine who he has shackled up with and had a kid, is fruitless and doesn't have a ministry and doesn't actually produce anything. He's failed at tracts, he tried to write a little 'booklet' that nobody bought, and he spends all day long walking around the woods on his own (he has no friends) making videos telling people how to live. It's very funny, if it wasn't so sad of course. DUNGslinger is NOT a King James Bible Believer, and he departs from the King James Bible whenever it is convenient for him. He spouts 'doctrines of devils' and tries to hook 'weak in the head' Christians so he can fleece them for money and gifts. Is he paying tax on what comes in from his brainwashed morons I wonder? Now there's a thought. He doesn't work or provide for his concubine and kid, he just begs, unlike his brother who works and has a ministry. DUNGslinger is an arrogant failure sadly, and I would certainly stay clear of this charlatan flake. He thinks church 'buildings' are satanic, and if you go to a church building (remember Hunter...!!!) you are unsaved and demon possessed, can you believe.

Don't forget... every time DUNGslinger mentions me, I shall repay the compliment.

He started all this and needs to be taught a lesson... and I'm his teacher...!

Ecc 11v9+10 Rejoice, O young man, in thy youth; and let thy heart cheer thee in the days of thy youth, and walk in the ways of thine heart, and in the sight of thine eyes: but know thou, that for all these things God will bring thee into judgment. Therefore remove sorrow from thy heart, and put away evil from thy flesh: for childhood and youth are vanity.

Who is watching your back?

One of the best things about the team I work in, is that we've all got each other's back. We look out for one another and seek only the best for each other, because we love one another. This builds up trust, and we unite in trying to serve God with our lives. I absolutely love teamwork, but you've got to have the right team players for it to work. One wrong person can cause everything to fail. That's why we are always keeping ourselves in check and try to be as honest as we can with each other. If something needs addressing, we address it. I'm not saying everything is easy, and the truth certainly does hurt and offend at times, but we know we are speaking it out of love as we only want what is best for each other. We have tried working with others, but they just don't see it the way we do, so we've had to walk away. Many times I've had it said to me 'What a great team I have', I know it, we've spent years developing it with the Lord's help. I love my team, and they love me. We do all we can to protect what we've got. By working in such a great team, we can produce so much more and get so much more done for the Lord. I've had Christians say to me 'I don't know how you do so much?' That's because I have such a hard-working team around me, who understand me, and what I'm trying to achieve for the Lord. They don't hinder my walk, they enhance it, as I hopefully do for them. We are always looking to work with others, but trying to find the right people is very difficult. Many have come and gone, because they just don't 'cut it' sadly. Some have come very close, but still leave because it's just too much for them. I get it; I understand that, we're not for everyone. I have a job to do, and Lord willing, I shall continue to do it until the Lord calls me home. My team help me and understand how it all works. You're either IN or you're OUT... we don't do lukewarm or half-hearted. That's us, it may not be you, but that's the team I have built with the Lord's help. Those that stay live an adventure that's for sure, as you never know where the Lord will take us.

DUNGslinger is the epitome of immaturity... he's just a baby...

Okay, where should I go on this one? First of all I need to reiterate one thing; if you follow DUNGslinger you certainly do have some mental problems; you're not normal or right in the head, that's the first thing. Next up, this little imp who hasn't learnt anything on his own except heresies, is indebted to Ruckman for all the good stuff. The best thing any Christian can do is dump this very immature moron, don't send him a penny / cent as he's a parasite who sponges off others (let him try to work for a living, that will shock him and his 'Miss Universe'), and pray that soon YouTube will ban him for his cultish and childish behaviour. I think it's time for DUNGslinger to grow up, don't you? He's one of the most 'inept' Christians (if he is saved?) I have ever 'met', and he has achieved nothing in his Christian walk which is very sad. He is just a waste of time. He finds Ruckman's material too deep unfortunately and can't grasp it, so he just shows off his books pretending that he can read. DUNGslinger isn't worthy to tie Ruckman's flip-flops, let alone saying he's 'outgrown' him. This narcissistic egomaniac goes way to far, as he can't control his huge gob (James 3v5). He's embarrassing to be honest, and although he dresses and looks like a tramp, this is just a trap to get your money. He's unemployable and won't even attempt to get a job for fear of rejection. **His brother is a real Christian who is trying to reach lost souls with the Gospel**, whereas DUNGslinger preaches a false Gospel believing that the Father was crucified instead of Jesus His Son. Beware of this wolf in sheep's clothing and the witch he is shacking up with (they're not married).

DUNGslinger now wants to make 'hats'... or is it eat them?!

Next up, and this is a little beauty. Remember when DUNGslinger's boyfriend that effeminate 'Bouncy-hair-J-Twit' and that fat-slob 'Matthew Land-a-poo' moaned about me selling Christian material... well, well, well...! Now DUNGslinger is selling 'trinkets' such as 'hats and shirts' because he won't work for a living. Not only that, but get this... he wants all of them to have his website address on... **no Scripture**, just his website. As if he's going to sell any more than four hats at a push... one for his kid, his witch, himself, and J-Twit. DUNGslinger launched his booklet just like J-Twit did and both hit the skids and never recovered, they both lie dead in the sand and not one copy had any impact on anyone. It did make good toilet paper. The problem was that the paper quality as well as the 'content' quality was so thin, lame, shallow, and inferior to that of normal bog-roll, it didn't even give you a 'clean wipe' shall we say. I think 5 copies went to toxic landfill.

Press release – DUNGslinger's 'hat business' will FAIL... guaranteed... fact... do NOT invest in this 'helter-skelter'.

When the rubber hits the road...

Every day, walk with God and love Him, stay close to Him (Deut 5v33, 10v12, 11v22, 1 Kings 8v23, Ps 56v13, 84v11, Jer 7v23, Ezek 20v19, Mic 4v2-5, 6v8, 1 Cor 7v17, Eph 2v10, Col 1v10, 1 Thes 4v1). In every decision ask the Lord (Prov 3v1-7) seeking and doing His will (Eph 6v6) always. If you live like this, you will find life an adventure and you'll be in the best place.

You just can't please everyone... so don't try to.

If you run a church, you'll know how hard it is to keep everyone happy... one week someone will like your preaching and someone won't. People will leave for the smallest of reasons and not even tell you. Christians don't know how to leave a church, without leaving a bad taste. 99% of them burn their bridges. Those that do leave will start bad mouthing you and the church, have you noticed that? We have this happen by Christians who have got offended because the Bible has showed them that they are not living right, so they leave and then start speaking about the church and the leader in a negative way. It happens all the time. If you don't submit to the word of God as the Final Authority, then YOU become the Final Authority.

Hymn by Ricard Baxter

Lord, it belongs not to my care,
Whether I die or live;
To love and serve Thee is my share,
And this thy grace must give.

If life be long, I will be glad
That I may long obey;
If short, yet why should I be sad
To soar to endless day?

Christ leads me through no darker rooms
Than He went through before;
He that into God's Kingdom comes
Must enter by this door.

Come, Lord, when grace has made me meet
Thy blessed face to see;
For if Thy work on earth be sweet
What will thy glory be?

You can't take it with you... 'they' say...

When I got saved at the age of 18, an elderly man said to me 'Don't bother with a pension, you'll never see it as the Rapture is imminent.' To be honest, I believed it then, and I believe it now. I still don't have a pension and I'm still expecting the Lord's return, not only in my lifetime, but in the coming hours, days, and at worst 'weeks'. I believe He could return anytime now. As a Bible believing Christian, I shall continue to stand upon God's word, get the Gospel out as much as I can, and keep looking up... you do what you want to do, but this is my own plan for the future.

Christmas is coming...

If we're still here I'm looking forward to the walks on cold nights looking at the pretty lights and reminiscing. I'm looking forward to the time off where I can just read and study, and 'think' quietly. I enjoy this time of year. I don't get caught up in all the 'hype' and trimmings, but I do appreciate it's a family time for those who have families. I do hope we have a Christmas Rapture... just to finish it all off perfectly.

'One thousand' miles in two days...

Well, this week, just in two days we drove nearly 1,000 miles, it was crazy. Where would we be with an electric car? Probably still travelling back and charging along the way. We're doing all we can to 'go get the business' as August was quiet for us, and we need to have a good finish to the year. We were able to tract along the way which was good. No matter how busy, always trying to reach someone with the Gospel.

Tracts...

We are shipping out thousands of tracts every month to Christians all over the UK who are tracting their local areas. This is so encouraging. One guy bought one thousand going to Birmingham yesterday. I love shipping out boxes of Gospel tracts everywhere. We also ship tracts worldwide of course, but the shipping costs hinder this, that's why I allow / encourage our tracts to be printed in other countries. We'll even supply the PDF's for those wanting to do this.

Did you hear about the rabbit who went into a café and ordered beans, cheese and spaghetti on toast?
After the meal he died from Mixing-his-toasties (Get it? Myxomatosis...!)

Matt has hit the road selling...

It was a big step for us to take on Matt, but it's been a great 'investment' too...! He's taken to sales like a 'duck to water' and the best part of it all is that he's really enjoying it. Not only do we love him, but the customers do too. Over the last two years Matt has built up some great relationships with his customers on the road, and at the trade shows. We thank God that He has allowed us all to work together. Dee runs the company and Donna looks after all the finances... I do what I'm told as usual. Thank you to those who pray for JDA.

Always having a project on...

I don't know about you, but I always like having a project or two on the go. Whether it's writing, 'creating' something, thinking about producing another tract, book etc. I like to keep busy for the Lord. I'm thinking about a 'targeted tract' at present just for our own town, I'm praying about it. Have you got a project on the go at the moment?

What is causing you to sin...?

If it's the TV, the Internet, your phone etc... get rid of it. But you won't, will you...! And you will even go as far as to justify why you won't get rid of the thing that is causing you to sin. Isn't that amazing. Christians are hypocrites. You either want to live a holy life with the Lord or you don't. Recently I heard a Christian talk about sinning against God by watching the wrong things on TV, but he will NOT get rid of the TV... what does that really tell you? It's how committed you are to the Lord, and what you really want out of your Christian life. Most Christians aren't seeking holiness and purity, and they compromise in so many areas, agreed? If something is pulling you away from the Lord, it needs to be sorted immediately. I wonder how honest you really are?

Everything and anything... but doing what is right...

Conviction of sin... that hits hard at times, doesn't it? You know you are doing wrong, living wrong, pretending to be married when you're not, fleecing people who can't see your ulterior motives, lying, cheating, stealing, and bigging yourself up, because you're a total loser... are you convicted? You pretend all the time to all those around you; you cover up for your 'partner' because you know they're not where they should be, and you're embarrassed for them. You will do anything and everything except confront the truth and do what is right. Is this you? You'll compromise because it's convenient and you think you'll get away with it. What a way to live for the Lord. So, the question is this, are you really living for God or are you just a hypocrite pretending to be? James 4v16+17 **But now ye rejoice in your boastings: all such rejoicing is evil. Therefore to him that knoweth to do good, and doeth it not, to him it is sin.** *Are you sinning?*

10:30 to 16:11

[10:30am (for 11:00am start) to 4:11pm]

Know The Truth Conference

Are you going? So far Barry has had a lot of folks confirm they are attending this event. King James Bible Believers from all around England will be coming. There are a number of different speakers, and it's targeted at Christians and sinners alike. There will be something for everyone, including kids who go. So, if you're not doing anything on this date, try to get there, it will be a real blessing for you... The conference will be held at:

Loddon Hall

Loddon Hall Road

Twyford, Reading, Berkshire

RG10 9JA

What more can we all do?

Well, we're coming to the end of 2023, incredible isn't it. How will it finish for you do you think? How has your Christian walk been this year? Is there anything more you can do, get involved in, support etc. are we doing our best for the Lord? So often we make up too many excuses as to why we aren't doing what we should be doing, yet time is running out for all of us. The Lord is coming back very soon.

Are you a gossip?

Without a doubt, we all say things we shouldn't, and talk about people we shouldn't... don't we? Maybe we ought to try a lot harder to 'hold back'? Do you need to say it? Ask the Lord to help you stop gossiping, and start speaking things that are righteous - Ps 141v3 **Set a watch, O LORD, before my mouth; keep the door of my lips.** Ps 34v13 **Keep thy tongue from evil, and thy lips from speaking guile.** Compare that verse to this one regarding the Lord Jesus... 1 Pet 2v22 **Who did no sin, neither was guile found in his mouth:** What is your speech and conversation like? Who do you talk about, and spread 'bad stuff' around? May this be a reminder that we are to live a holy and pure life as the Lord's ambassadors, not speak evil and filthy communication... Col 3v8 **But now ye also put off all these; anger, wrath, malice, blasphemy, filthy communication out of your mouth.**

Teamwork... Phile 1v24 Marcus, Aristarchus, Demas, Lucas, my fellowlabourers.

Who are your 'fellowlabourers?' Who is working with you? Are you part of a team? I've said it so many times, I cannot do what I do without my team around me. I need them, and I love working with them. Trying to do things on your own is so much harder and you just don't see the same results most of the time. Have you asked the Lord to send the right people to you? Are you a team-player, or do you seek to lead, or would you rather work on your own? Luke 10v1 **After these things the Lord appointed other seventy also, and sent them two and two before his face into every city and place, whither he himself would come.** We need encouraging, and we need to encourage. We need to be kept 'in check' and held accountable, and we need to do the same to others. Look at your own life and see who is having an effect on you, and you on who? Are you coping okay in life, or do you need help? Are you too proud to ask? We all need friends, unlike DUNGslinger who says you don't... you do. That's one of the reasons he's gone awol regarding doctrine, normality, effectiveness, work, family life, church, and fellowship, to name just a few things. He's living in the woods shackled up with his concubine bearing a kid and making videos... that's it, that's his life. He's waiting on his moronic followers to donate money to him so he can 'live'. That is not 'living' the Christian life. We need to work and serve the Lord and seek fellowship from other Christians. If you're not, then you'll end up deranged like DUNGslinger. DON'T... get some friends, ask the Lord for some.

Running a business as a Christian...

We've now run our own business for 12 years, and we've certainly seen some highs and lows during this time. When the covid-scum hit we nearly went under, but the Lord kept us going, and some of you even helped with this, thank you. Since that insane time, we've been getting out there among the secular world, as Christians, trying to earn a living. It's tough, but the Lord is blessing us here at JDA. I would certainly recommend working for yourself 'if you can'. Of course, it comes with its own pressures, and you're not guaranteed a fixed salary, you have to 'go get it', but it is also very rewarding, and you get a lot more freedom. Again, because you don't have to answer to 'a boss', you can also have more freedom to talk, witness and discuss things with your customers should they want to go down that route. Like all things in this life and world, nothing is full proof and things can go as quickly as they came, that's why you have to trust the Lord daily for your provision etc. Mat 6v11 **Give us this day our daily bread.** Every day we pray and seek God to bless us and help us through it. We have opportunities to stand for Him and upon His word, witnessing and sharing the Gospel with many in our industry. Regarding work, setting up on our own was the best decision we ever made, and through it, we've been able to bless others in the ministry and in the world. The Lord, through JDA, finances the ministry. Any gifts over and above are extra blessings which also go into the ministry. We are a Christian company, and we seek to put the Lord Jesus first in everything, seeking His blessing and give all the praise and honour to His name. Thank you Lord Jesus for JDA.

Is it time you moved on?

It's so easy to get stuck in a rut and get comfortable with an 'average' life, not doing much, and not bearing much fruit for the Lord. Be careful of this. It's easy to spend most of your time doing 'things' rather than living for the Lord and seeking His will for your life... again, you get into a rut. There are times when the Lord will bring someone to you, or you're in a situation where you need to make a change. What you do with your own freewill at that time is up to you, but by making the right choice could cause your life to change radically for the good. There are going to be people in your life that you are best letting go and being without them. There will also be times in your life when you need to draw closer to certain people and lean on them. You may be at the stage of going to a new church, leaving one, or even starting one up. All of this needs prayer and you'll need to spend time in the word of God seeking answers. Is it time for you to make some changes? Don't waste time.

Are you just fed up with some people?

There are people in my own life that just don't listen. They make so many mistakes because they ignore counsel, even when they pretend to take heed to it. Due to this, they either stay as they are or get worse, and go off course.

Prov 11v14 **Where no counsel is, the people fall: but in the multitude of counsellors there is safety.**

Prov 15v22 **Without counsel purposes are disappointed: but in the multitude of counsellors they are established.**

Prov 24v6 **For by wise counsel thou shalt make thy war: and in multitude of counsellors there is safety.**

We all need counsel; we all need advice and help at times. Who have you tried to help recently; did they listen? Has anyone tried to help you, did you listen?

Thank you for your prayers and support as always.

Recently we have received a number of donations. Thank you to everyone who prays and supports the work we do here at Time for Truth! Soon we shall be ordering tens of thousands of tracts again. All donations will go towards this and getting the Gospel out. Thank you to everyone who stands with us and even thinks of us. We've shipped out more tracts, books, Gospel Coins, and Bibles in 2023 than in any other year. May these little missionaries continue to bear fruit everywhere.
