### Doctrinal Basis

#### 2. The Bible

God has revealed himself in the Bible, which consists of the Old and New Testaments alone. Every word was inspired by God through human authors, so that the Bible as originally given is in its entirety the Word of God, without error and fully reliable in fact and doctrine. The Bible alone speaks with final authority and is always sufficient for all matters of belief and practice.

**The Holy Scriptures** as originally given by God, divinely inspired, infallible, entirely trustworthy; and the supreme authority in all matters of faith and conduct.

		<h3>Banning conversion therapy or banning the Gospel?</h3>	
		<p><b>Jesus</b> told the woman caught in adultery to 'go and sin no more'. But saying the same thing to a practising homosexual could mean breaking a planned new conversion therapy law.</p> <p>The Government wants to ban practices that seek to change someone's sexual orientation or gender identity. 'Conversion therapy' is a wide umbrella term chosen by LGBT campaigners. It covers abusive practices by quack medical practitioners and charlatan preachers which are largely illegal already.</p> <p>But the campaigners want to go much further: they want to stop people criticising their lifestyle or theology. A conversion therapy ban could hand them a veto on the preaching and practice of churches.</p>	
		<p><b>What is at stake in a 'conversion therapy' ban?</b></p> <p>In the Queen's Speech, delivered to both Houses of Parliament on 11 May 2021, it was announced that the government would be introducing 'measures' to 'ban conversion therapy'.</p> <p>On the same day the Government Equalities Office announced:</p> <p><i>Legislation will be introduced, protecting people from the coercive and abhorrent practice of conversion therapy in the UK.</i></p> <p><i>Many forms of the practice are already prevented under current legislation, but this new ban will ensure that it is stamped out once and for all.</i></p>
