

Revelation 17

Table Revelation 17:1-18

- 1 *And there came one of the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters:*
- 2 *With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication.*
- 3 *So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns.*
- 4 *And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication:*
- 5 *And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.*
- 6 *And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration.*
- 7 *And the angel said unto me, Wherefore didst thou marvel? I will tell thee the mystery of the woman, and of the beast that carrieth her, which hath the seven heads and ten horns.*
- 8 *The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is.*
- 9 *And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth.*
- 10 *And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space.*
- 11 *And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.*
- 12 *And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast.*
- 13 *These have one mind, and shall give their power and strength unto the beast.*
- 14 *These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful.*
- 15 *And he saith unto me, The waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues.*
- 16 *And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire.*
- 17 *For God hath put in their hearts to fulfil his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled.*

18 *And the woman which thou sawest is that great city, which reigneth over the kings of the earth.*

See this study² for Marian aspects of "...a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns" Revelation 17:3.

1. Revelation 17:1-2, 6, 15, 18. Revelation 17:1-2, 15, 18 "...Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters: With whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication...And he saith unto me, The waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues...And the woman which thou sawest is that great city, which reigneth over the kings of the earth" is the further angelic description of Church Age and End Times Babylon revealed earlier³ and identified as Rome and Roman Catholicism with judgement pronounced upon her in Revelation 14:8, 16:19 "And there followed another angel, saying, Babylon is fallen, is fallen, that great city, because she made all nations drink of the wine of the wrath of her fornication...And the great city was divided into three parts, and the cities of the nations fell: and great Babylon came in remembrance before God, to give unto her the cup of the wine of the fierceness of his wrath."

Note in passing with respect to Revelation 17:15 "...The waters which thou sawest, where the whore sitteth, are peoples, and multitudes, and nations, and tongues" that in principle it could be said of many men vulnerable to Rome's seduction and thereby partial to fornication as Jacob said of Reuben "Unstable as water, thou shalt not excel; because thou wentest up to thy father's bed; then defiledst thou it: he went up to my couch" Genesis 49:4.

Paul exhorts today's believer to "Mortify therefore your members which are upon the earth; fornication, uncleanness, inordinate affection, evil concupiscence, and covetousness, which is idolatry...Flee also youthful lusts: but follow righteousness, faith, charity, peace, with them that call on the Lord out of a pure heart" Colossians 3:5, 2 Timothy 2:22.

"...that great city...great Babylon" Revelation 14:8, 16:19 is "...the great whore that sitteth upon many waters...peoples, and multitudes, and nations, and tongues...that great city, which reigneth over the kings of the earth" Revelation 17:1, 15, 18. She and her followers, worldwide and at all levels, "Who knowing the judgment of God, that they which commit such things are worthy of death, not only do the same, but have pleasure in them that do them" Romans 1:32, do precisely the opposite of Paul's exhortation, "For their rock is not as our Rock, even our enemies themselves being judges. For their vine is of the vine of Sodom, and of the fields of Gomorrah: their grapes are grapes of gall, their clusters are bitter: Their wine is the poison of dragons, and the cruel venom of asps" Deuteronomy 32:31-33.

For example they idolatrously exalt Peter not “...**that spiritual Rock...and that Rock was Christ**” 1 Corinthians 10:4⁴.

Note further as will be developed John’s testimony “...**I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration**” Revelation 17:6 with respect to James’ *End Times* rebuke of the rich “**Go to now, ye rich men, weep and howl for your miseries that shall come upon you...Your gold and silver is cankered; and the rust of them shall be a witness against you, and shall eat your flesh as it were fire. Ye have heaped treasure together for the last days...Ye have lived in pleasure on the earth, and been wanton; ye have nourished your hearts, as in a day of slaughter. Ye have condemned and killed the just; and he doth not resist you**” James 5:1, 3, 5-6. John testifies that “...**when I saw her, I wondered with great admiration**” Revelation 17:6 because Rome is adept at coming across as *benign* like the enemies of Israel who got the right rebuke though its effectiveness was for a time limited.

See Ezra 4:1-3 “**Now when the adversaries of Judah and Benjamin heard that the children of the captivity builded the temple unto the LORD God of Israel; Then they came to Zerubbabel, and to the chief of the fathers, and said unto them, Let us build with you: for we seek your God, as ye do; and we do sacrifice unto him since the days of Esarhaddon king of Assur, which brought us up hither. But Zerubbabel, and Jeshua, and the rest of the chief of the fathers of Israel, said unto them, Ye have nothing to do with us to build an house unto our God; but we ourselves together will build unto the LORD God of Israel, as king Cyrus the king of Persia hath commanded us.**”

See this site⁵ on Rome’s persecution of Christians *while she professes to be Christian*.

Rome and her followers will incur the consequences of their cruelty, deception, fornication, hypocrisy, idolatry and persecution according to “...**the judgment of the great whore that sitteth upon many waters...**” Revelation 17:1. Noting again Colossians 3:5 “**Mortify therefore your members which are upon the earth; fornication, uncleanness, inordinate affection, evil concupiscence, and covetousness, which is idolatry**” and Galatians 6:7 “**Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap**” see Deuteronomy 32:35, Colossians 3:6, Revelation 6:15-17 “**To me belongeth vengeance, and recompence; their foot shall slide in due time: for the day of their calamity is at hand, and the things that shall come upon them make haste...For which things’ sake the wrath of God cometh on the children of disobedience...And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains; And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb: For the great day of his wrath is come; and who shall be able to stand?**” See further remarks on “...**the judgment of the great whore that sitteth upon many waters...**” Revelation 17:1 under Revelation 17:15-16.

For now, today’s believer should therefore always keep in mind Psalm 93:5 “**Thy testimonies are very sure: holiness becometh thine house, O LORD, for ever.**”

2. Revelation 17:3-5. Revelation 17:3-5 show that:

Rome is barren spiritually and no fit place for folk to dwell in. See the plight of Rome’s followers *spiritually* and the Lord’s deliverance of those of them that turn to Him, noting the exhortation for praise to God of Psalm 107:8 that today’s believer can apply, in Psalm 107:4-9 “**They wandered in the wilderness in a solitary way; they found no city to dwell in. Hungry and thirsty, their soul fainted in them. Then they cried unto the LORD in their trouble, and he delivered them out of their distresses. And he led them forth by the right way, that they might go to a city of habitation. Oh that men would praise the LORD for his goodness, and for his wonderful works to the children of men! For he satisfieth the longing soul, and filleth the hungry soul with goodness.**”

Rome is satanic spiritually and the devil's whore in imitation of "...the bride, the Lamb's wife" Revelation 21:9. See these extracts⁶.

John confirms that "**the beast**" is a man in Revelation 13:18 **"...Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six."** However **"that man of sin...revealed, the son of perdition"** 2 Thessalonians 2:3 **"the beast"** is a man who is the devil incarnate as these scriptures show. As shown below **"the beast which I saw...like unto a leopard"** is coloured red after his death and resurrection to become **"that man of sin...revealed, the son of perdition"** 2 Thessalonians 2:3 showing that he is Satan incarnate just as Judas **"the son of perdition"** John 17:12, though himself **"a devil"** John 6:70, was later literally indwelt by Satan according to the description applied only to Judas Iscariot in scripture...

"Then entered Satan into Judas surnamed Iscariot... And after the sop Satan entered into him. Then said Jesus unto him, That thou doest, do quickly" Luke 22:3, John 13:27.

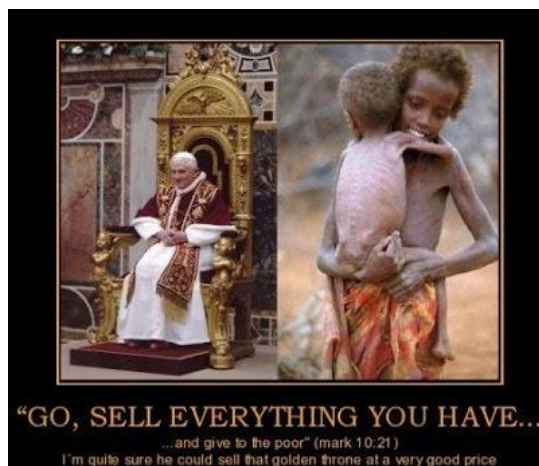

"And there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads... And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him... So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns" Revelation 12:3, 9, 17:3. The *beast* has the same colour as the *dragon*.

That **"scarlet coloured beast"** **"that man of sin...revealed, the son of perdition"** 2 Thessalonians 2:3 the resurrected Judas, the devil incarnate by his satanic power and authority exercised *ex cathedra*, Revelation 13:2, **"made the world as a wilderness, and destroyed the cities thereof"** Isaiah 14:17.

Note that as indicated above **"that man of sin...revealed, the son of perdition"** as the resurrected Judas and the devil incarnate will temporarily come back from **"his own place"** Acts 1:25 and under God's judgement return to it in that **"...the beast that ascendeth out of the bottomless pit... shall ascend out of the bottomless pit, and go into perdition"** Revelation 11:7, 17:8 as Daniel testifies Daniel 7:11 **"...I beheld even till the beast was slain, and his body destroyed, and given to the burning flame."**

End of *Mystery of Iniquity* extracts. Note further⁷:

Rome is immensely wealthy materially and a hoarder of her vast wealth after the manner of Sodom which, in spite of her apologists' vehement protestations to the contrary, emphasise "...her hand full of abominations and filthiness of her fornication" Revelation 17:4. See, noting Sodom's end that will typify Rome's end, Ezekiel 16:49-50 **"Behold, this was the iniquity of thy sister Sodom, pride, fulness of bread, and abundance of idleness was in her and in her daughters, neither did she strengthen the hand of the poor and needy. And they were haughty, and committed abomination before me: therefore I took them away as I saw good."**

Noting Revelation 17:5 **"And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH"** all of Rome's daughters⁸ are spiritually barren, satanic and abominably greedy after the manner of Proverbs 29:12 **"If a ruler hearken to lies, all his servants are wicked."**

Like Jeremiah today's believer should give no quarter to Rome and her abominations. **"...and thou hadst a whore's forehead, thou refusedst to be ashamed"** Jeremiah 3:3.

3. **Revelation 17:7-14.** See foregoing remarks on Revelation 11:7, 17:8. Note the dire warning of Revelation 17:8 **"...they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is."** The fate of those followers of **"the beast that was, and is not, and yet is..."** whose names were not written in the book of life from the foundation of the world is worse than that revealed in Exodus 32:33 **"And the LORD said unto Moses, Whosoever hath sinned against me, him will I blot out of my book."** Insofar as **"...behold, now is the accepted time; behold, now is the day of salvation"** 2 Corinthians 6:2, sinners like those in Exodus 32:33 may repent and get their names re-entered permanently in God's book **"...with Clement also, and with other my fellowlabourers, whose names are in the book of life"** Philippians 4:3 by applying Acts 16:31 **"...Believe on the Lord Jesus Christ, and thou shalt be saved..."** By contrast, those in Revelation 17:8 will never repent and of them Paul says **"Who shall be punished with everlasting destruction from the presence of the Lord, and from the glory of his power"** 2 Thessalonians 1:9. Each is like Benhadad **"a man whom I appointed to utter destruction"** 1 Kings 20:42, 2 Kings 8:9-15.

Today's believer should therefore focus on 2 Timothy 2:19, Jude 22-23 **"Nevertheless the foundation of God standeth sure, having this seal, The Lord knoweth them that are his. And, Let every one that nameth the name of Christ depart from iniquity... And of some have compassion, making a difference: And others save with fear, pulling them out of the fire..."** and 2 Timothy 2:26 **"...that they may recover themselves out of the snare of the devil..."** set via those **"...whose names were not written in the book of life from the foundation of the world"** whereby **"...many shall follow their pernicious ways; by reason of whom the way of truth shall be evil spoken of"** 2 Peter 2:2.

Revelation 17:9 **"...The seven heads are seven mountains, on which the woman sitteth"** is explicit with respect to the geographical location of **"...MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH"** Revelation 17:5. Only one location matches that description⁹. See this extract.

The great CITY of Rome (located in Italy) has been long known as the, "City of the Seven Hills" or the "City of Seven hills". An excerpt from A Woman Rides the Beast by Dave Hunt (p. 67, emphases ours) -

Only one city has for more than 2000 years been known as the city on seven hills. That city is Rome. The Catholic Encyclopedia states: "It is within the city of Rome, called the city of seven hills, that the entire area of Vatican State proper is now confined."

Concerning **"...The seven heads are seven mountains, on which the woman sitteth"** today's believer can look forward to the Lord Jesus Christ as one **"great mountain"** putting them all down at the Second Advent. See Daniel's prophecy below and note that Daniel 2:34 **"Thou sawest till that a stone was cut out without hands, which smote the image upon his feet that were of iron and clay, and brake them to pieces"** effectively accounts for Revelation 17:14 **"These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful."**

Note further with respect to Revelation 17:14 the Lord's End Times victory declared by Psalm 110:5-6 ***"The Lord at thy right hand shall strike through kings in the day of his wrath. He shall judge among the heathen, he shall fill the places with the dead bodies; he shall wound the heads over many countries."***

The expression ***"...and they that are with him are called, and chosen, and faithful"*** will be addressed in the study on Revelation 19. Daniel's prophecy follows.

"Thou sawest till that a stone was cut out without hands, which smote the image upon his feet that were of iron and clay, and brake them to pieces. Then was the iron, the clay, the brass, the silver, and the gold, broken to pieces together, and became like the chaff of the summer threshingfloors; and the wind carried them away, that no place was found for them: and the stone that smote the image became a great mountain, and filled the whole earth...And in the days of these kings shall the God of heaven set up a kingdom, which shall never be destroyed: and the kingdom shall not be left to other people, but it shall break in pieces and consume all these kingdoms, and it shall stand for ever. Forasmuch as thou sawest that the stone was cut out of the mountain without hands, and that it brake in pieces the iron, the brass, the clay, the silver, and the gold; the great God hath made known to the king what shall come to pass hereafter: and the dream is certain, and the interpretation thereof sure" Daniel 2:34-35, 44-45.

Dr Ruckman¹⁰ explains the slight modification to the seven crowned heads of the dragon in Revelation 12:3 that must be made to accommodate Revelation 17:10-11 ***"And there are seven kings: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space. And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition."***

Again, see foregoing extracts¹¹ for details of the beast referenced in Revelation 17:11 ***"And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition."***

Concerning Revelation 17:12-13 ***"And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast. These have one mind, and shall give their power and strength unto the beast"*** see foregoing remarks on Revelation 17:14 and Daniel 2:34-35, 44-45. What is of particular significance with respect to Revelation 17:12-14 is the folly of following the wrong leader, which even today's believer should assiduously note, as revealed in Jeremiah 13:16 ***"Give glory to the LORD your God, before he cause darkness, and before your feet stumble upon the dark mountains, and, while ye look for light, he turn it into the shadow of death, and make it gross darkness."***

4. **Revelation 17:16-18.** See foregoing remarks on **Revelation 17:1-2, 6, 15, 18** under point 1 with respect to Revelation 17:18. See this extract¹² with particular respect to Revelation 17:16.

Revelation 18:9 ***"And the kings of the earth, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning."*** Note that this writer's analysis gives rise to an apparent contradiction between Revelation 18:9 and Revelation 17:12, 16 ***"And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast...And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire."*** For now that apparent contradiction can be resolved only by distinguishing between a satanic *human* ruler and a *satanic* principality, Ephesians 6:12, behind that human ruler e.g. with their contexts ***"...the prince of Tyrus...the king of Tyrus..."*** Ezekiel 28:2, 12 and ***"...the prince of the kingdom of Persia...the kings of Persia...the prince of Grecia..."*** Daniel 10:13, 20 noting the plural.

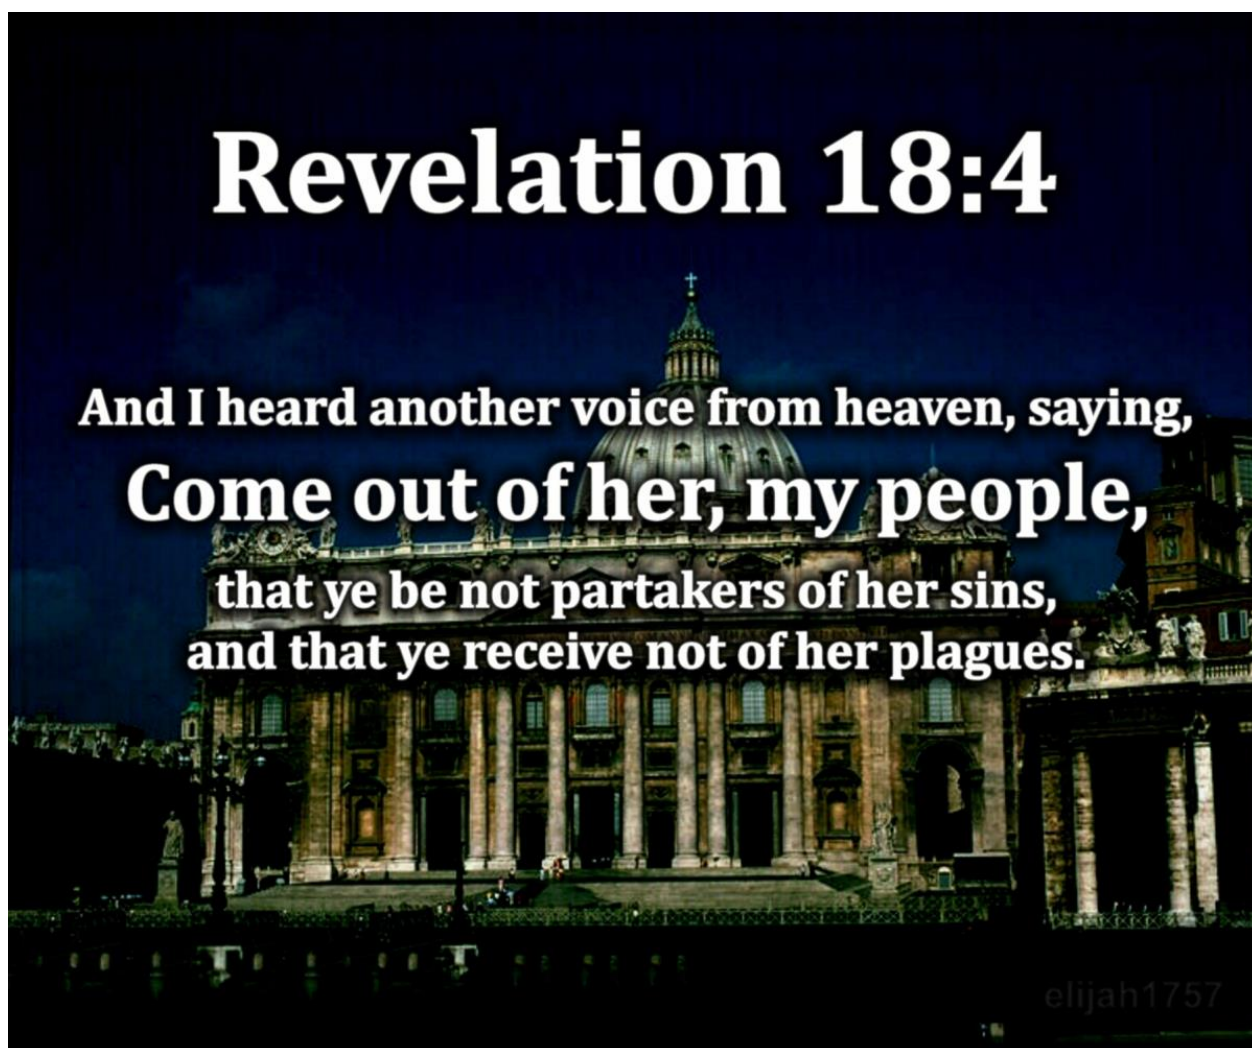

End of extract

Revelation 17:16 ***"And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh, and burn her with fire"*** nevertheless happens as God's retribution *on cannibalistic*¹³ Catholics just prior to the Second

Advent for the reason that King David gives in Psalm 14:4-5 *"Have all the workers of iniquity no knowledge? who eat up my people as they eat bread, and call not upon the LORD. There were they in great fear: for God is in the generation of the righteous"* and therefore *"The righteous shall rejoice when he seeth the vengeance: he shall wash his feet in the blood of the wicked. So that a man shall say, Verily there is a reward for the righteous: verily he is a God that judgeth in the earth"* Psalm 58:10-11.

Revelation 17:17 *"For God hath put in their hearts to fulfil his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled"* can be taken as an encouragement for today's believer according to Isaiah 14:26-27 *"This is the purpose that is purposed upon the whole earth: and this is the hand that is stretched out upon all the nations. For the LORD of hosts hath purposed, and who shall disannul it? and his hand is stretched out, and who shall turn it back?"*

Note this exhortation¹⁴, therefore, to be addressed further in the study on Revelation 18.

**“Therefore I will look unto the LORD;
I will wait for the God of my salvation:
my God will hear me.”**

Micah 7:7 (KJV)

2021 Update: Content and references have been updated as necessary and superseded data deleted.

2**Disarmament of Church and Nation**

The basic reason for Britain's lamentable decline is her wholesale rejection of the Book through which God blessed her. Regrettably, her national church has been foremost in rejecting this Book, the Holy Bible, Authorised King James Version of 1611. This is the direct result of the Romanising of the Church of England¹⁸. In 1859 Cardinal Manning wrote¹⁹:

If ever there was a land in which work is to be done, and perhaps much to suffer, it is here. I shall not say too much, if I say that we have to subjugate and subdue, to conquer and rule, an imperial race. We have to do with a will which reigns throughout the world, as the will of old Rome reigned once. We have to bend or break that will which nations and kingdoms have found invincible and inflexible. Were heresy conquered in England, it would be conquered throughout the world. All its lines meet here, and therefore in England the Church of God must be gathered in its strength.

That invincible will came from belief in an invincible Book. The Roman Catholic F. W. Faber wrote²⁰:

Who will not say that the uncommon beauty and marvellous English of the Protestant Bible is not one of the great strongholds of heresy in this country? It lives on the ear like music that can never be forgotten, like the sound of church bells. Its felicities often seem to be things rather than words. It is part of the national mind, and the anchor of national seriousness.

The English Protestant Bible thus became the focal point of the Romanist assault. In 1881, B. F. Westcott and F. J. A. Hort, two Cambridge academics, succeeded in displacing the AV1611 as the English Bible by means of their own Revised Version, RV. The RV was based on the same corrupt Greek manuscripts as the Roman Catholic bibles, such as the Latin Vulgate and the Jesuit Douay Rheims. Westcott and Hort were strongly influenced by Cardinal Newman, a former Anglican clergyman who had defected to Rome²¹. Dr Gipp writes *It can be safely said that if Westcott and Hort were not two Jesuit priests acting on secret orders from the Vatican, that two Jesuit priests acting under such orders could not have done a better job of overthrowing the authority of God's true Bible and establishing the pro-Roman Catholic text of Alexandria, Egypt!*

The Bible's condemnation of Westcott and Hort's duplicity rings down the centuries. **“For ye have perverted the words of the living God, of the Lord of hosts our God”** Jeremiah 23:36.

Westcott and Hort were also strongly influenced by the anti-Biblical teachings of Charles Darwin²² and by the spiritualist, Madame Blavatsky²³. Westcott and Hort were among the founders of the Society for Psychical Research, an occult group with Marxist leanings and one of the roots of the contemporary New Age Movement. Charles Darwin is also mentioned amongst the founders of Psychical Research. The Bible expressly forbids any such occult involvement.

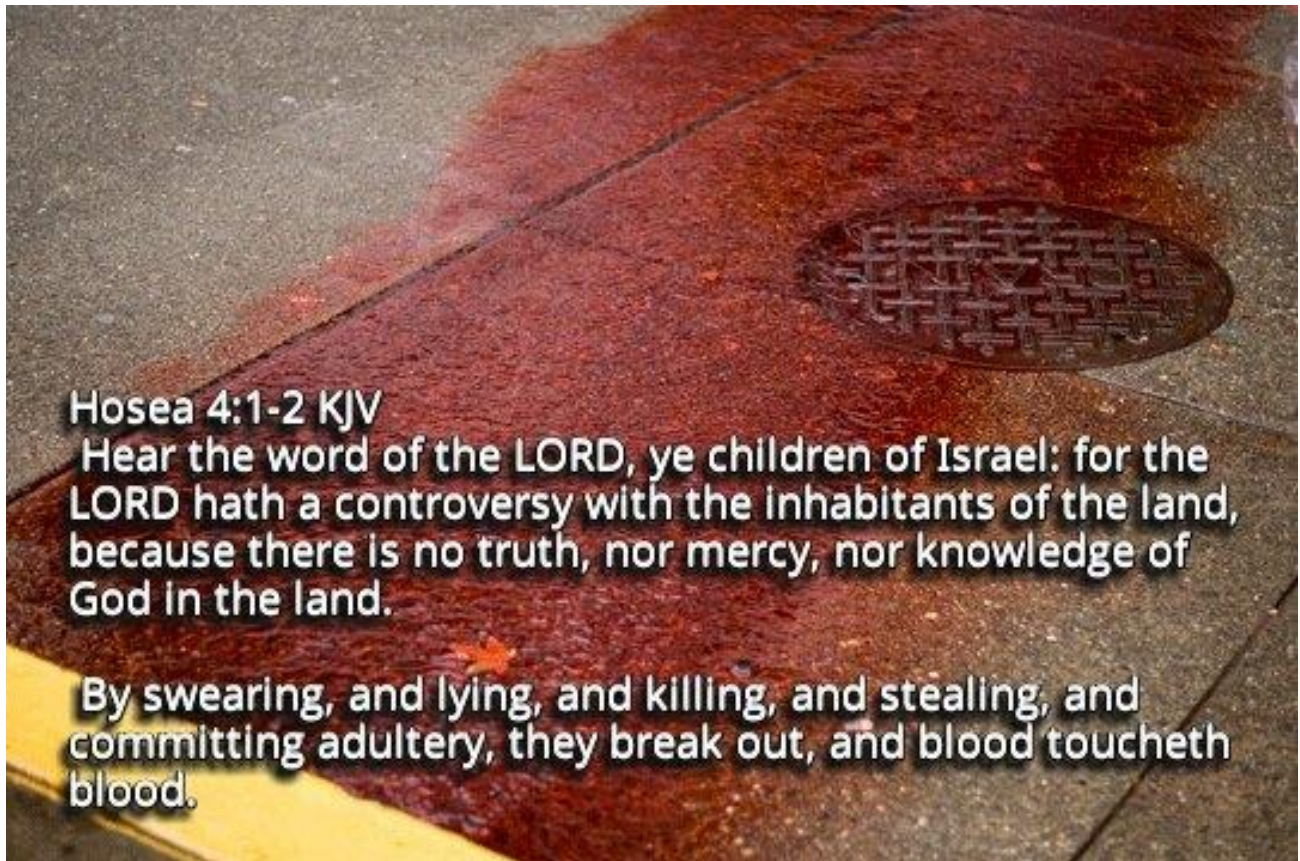

“There shall not be found among you that maketh his son or his daughter to pass through the fire, or that uses divination, or an observer of times, or an enchanter, or a witch, Or a charmer, or a consulter with familiar spirits, or a wizard, or a necromancer. For all that do these things are an abomination unto the Lord” Deuteronomy 18:10-12. These admonitions lose none of their force in the New Testament. In Acts 13:9-10, in a tone reminiscent of Jeremiah, the Apostle Paul rebukes **“a certain sorcerer, a false prophet”** named Elymas. **“O full of all subtilty and all mischief, thou child of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the right ways of the Lord?”**

The **“subtilty and mischief”** of Westcott and Hort stemmed from their association with Bible perversion, Romanism, Spiritualism, Communism and Evolution. Britain fell for the deception and is reaping the consequences:

Rev M. J. Roberts was editor of *The Banner of Truth Magazine*. He said in 1994²⁴.

The Bible is a lost book in Britain today. It has little influence on national life any more...We have to admit that we are not seeing souls converted in great numbers. It does not matter where you go. Go to Wales, to Scotland, or to England here. Few are being converted in these days. Where are the days when the Bible was being blessed to the conversion of thousands and ten thousands?...The problem is here. This book is not being read so as to bring light to bear upon men's lives. Therefore the tragedy is that men are not being converted to Christ. Could any curse in this life be greater? Could any judgment be more awful than this?

The words of the prophet Hosea pronouncing judgement on apostate Israel apply equally to Britain²⁵:

Hosea 4:1-2 KJV

Hear the word of the LORD, ye children of Israel: for the LORD hath a controversy with the inhabitants of the land, because there is no truth, nor mercy, nor knowledge of God in the land.

By swearing, and lying, and killing, and stealing, and committing adultery, they break out, and blood toucheth blood.

The Advance of Rome and Her Allies

With the main weapon of defence effectively neutralised, Rome has made great strides in subjugating this nation in accordance with Cardinal Manning's vision. Adrian Hilton²⁶ writes:

In 1953, the Queen swore an oath at her Coronation 'to govern the peoples of the United Kingdom according to their laws and customs' and 'to maintain the Protestant reformed religion established by law.' Both of these are negated by the process of deeper European integration. In a continent in which 61 million claim a Protestant heritage and 199 million profess to be Roman Catholics, it is simply not possible to maintain Protestantism by democratic law...

In an age where all the old institutions - Monarchy, Parliament and Church - are being discredited and marginalised, the Roman Catholic Church is being given an open invitation to fill the vacuum created and set a moral agenda to stabilise an uncertain society. It will be perceived as an unchanging bedrock upon which a new order may be constructed. Its plea will be for Britain, as for Europe, to seek out its lost soul and restore its 'Christian' spirituality. The more the Church of England is perceived as a failure, the greater the opportunity will be for the Church of Rome to proceed with its 'evangelisation' and absorb Britain into a Catholic Europe...

How effective are the Vatican's present tactics? Hilton concludes:

All the direct military assaults on Britain from the Spanish Armada to World War II were manifest failures, but the modern tactics of encirclement and erosion are bearing fruit.

The Catholic Herald newspaper stated: 'The days of the Anglican Church are numbered, and most of its worshippers will return to the true faith of their distant medieval forbears'...

Britain has providentially left the European Union²⁷ after the manner of Ezra 9:8 **"And now for a little space grace hath been shewed from the LORD our God, to leave us a remnant to escape, and to give us a nail in his holy place, that our God may lighten our eyes, and give us a little reviving in our bondage."**

That said, the enemy's aims to subjugate Britain continue. As Hilton notes²⁸, Hitler and Mussolini were both Roman Catholics who made concordats or political agreements with the Vatican in order to fulfil her aim of world domination by force but the complexities of the post war era demanded a new approach. Michael de Semlyen²⁹ writes:

In England Rome adopts a high moral tone child abuse cases notwithstanding³⁰, represented in the Media as being firmer than that of any other part of the perceived Church. Cardinal Hume has emerged at the centre of our national life speaking with authority and clarity about the great moral issues of the day. Committed Catholics lead Christians in the fight against the abortion legislation. The same Catholic leaders have founded the new Movement for Christian Democracy, 'an all-party, non denominational organisation committed to bringing Christian values back into British political life'.

The late Cardinal Basil Hume has of course been eulogised nationwide³¹. Other striking examples of Rome's projection of her *high moral tone* include:

- the anti-abortion campaigner David Alton³²
- Joanna Bogle, contributor to the informative work *Feminism v. Mankind*³³
- Lynette Burrows, author of *The Fight for the Family*, an excellent publication by Family Education Trust³⁴.

There is no doubt about the sincerity of these courageous individuals and the vital importance of their work for traditional family values but neither is there any doubt about the potential advantage to Rome's false image of impeccability. Mrs Burrows was nominated Catholic Woman of the Year in 1986³⁵ and Mrs Bogle, who regards popery as *the natural faith of the English*³⁶ stated in that article:

It ought to be easy to be a triumphalist Catholic in Britain today. Has our Church not reached the very position that generations of loyal Catholics worked and prayed to achieve? We are the largest religious denomination in Britain in terms of actual members attending worship...The Anglican Church is seen to be in disarray, its financial position dire, its membership dropping steadily...the C of E has lost its sense of 'presence'. It does not seem to know what it is for. The really nasty letters are from Anglicans accusing me of promoting the conversion of England. Well of course I am. I can't see how any true English Catholic can fail to thrill to that idea.

Mrs Bogle is wrong on a number of counts:

- The *natural faith of the English* derives from Apostolic Christianity, not Roman Catholicism³⁷, which no doubt explains why the English named their principal church after Paul³⁸, not Peter.
- The work of *generations of loyal Catholics* included the Gunpowder Plot of November 1605, to murder James 1 just after he had sanctioned the translation of the AV1611³⁹.
- *loyal Catholics*, including Patrick Magee⁴⁰, released after the "Good Friday Agreement", carried out the Brighton bombing in October 1984 in which five innocent people were killed.
- *loyal Catholics* were mainly responsible for the more than 3,000 deaths by terrorism in Ulster during *The Troubles* late 1960s-1998⁴¹. Rome continues to be an enemy of Ulster⁴²

Mrs Bogle should consider the words of veteran tract publisher, Jack Chick⁴³.

I once read that "Rome when in minority is as gentle as a lamb, when in equality is as clever as a fox, and when in the majority is as fierce as a tiger." I believe that this is an accurate description.

Regrettably, Mrs Bogle is right in one respect. The Vatican is a nation state⁴⁴. A Roman Catholic is a citizen of that state and the first loyalty of *loyal Catholics* is therefore to the Vatican. As Mrs Bogle states, it follows that *loyal Catholics* will labour to bring the country in which he or she lives under the heel of Rome, after the vision of Cardinal Manning. Rome at the time of first writing is well placed to achieve this objective⁴⁵:

- with HRH Prince Charles' willingness to attend mass
- with the Roman Catholic Cherie Blair married to the then Prime Minister. Mr Blair is now a Catholic⁴⁶
- with the Roman Catholic Ann Widdecombe⁴⁷ appointed as shadow Home Secretary 1999-2001. Ann Widdecombe epitomises how *In England Rome adopts a high moral tone. Ideologically, Widdecombe identifies herself as social conservative and stresses the importance of traditional values and conservatism. As a member of the House of Commons, she was known for opposing the legality of abortion, her opposition to LGBT legal rights such as an equal age of consent and the repeal of Section 28, her support for the retention of blasphemy laws...and re-introduction of the death penalty.*

The foregoing references to Catholic subjugation strategy for the United Kingdom are of course dated but, Brexit⁴⁸ notwithstanding, Catholic subversion of this nation persist to the present, as indicated and as will be shown further.

Sadly, there is a price to pay for trusting the pope⁴⁹:

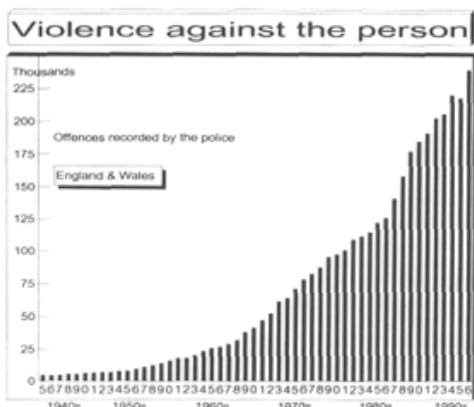

- In 1961, the same year that the NEB New Testament⁵⁰ used by Catholics⁵¹ was published, the site *Beware of the Pope's Blessing!* states *Queen Elizabeth visited the Pope, complying with his request to be dressed in black. Since then her proud Empire has collapsed and her remnant Island is seeking to lose its identity and be gobbled up in Europe under the Treaty of Rome, to be subjugated as surely as though the Pope's protégé, Hitler, had won the war.*
- *On 5 October 1972 Prime Minister Edward Heath of Great Britain audiences with the Pope. On 17 December 1973 Britain drifts into its grimmest economic and industrial crisis since*

World War 2. On 4 March 1974 the Conservative Party is defeated. Edward Heath resigns and in February 1975 he is deposed from party leadership by Mrs Thatcher.

- The British Government allowed the pope to visit these shores in 1982⁵² and two years later suffered the Brighton bombing⁵³.
- In spite of surviving that horror, Mrs Thatcher unwisely signed the Anglo-Irish Agreement in 1985⁵⁴, no doubt in accordance with Rome's wishes. A few years later in 1990 she was deposed from party leadership herself⁵⁵.
- Moreover, tragedy continued to dog the Royal Family in return for its dalliance with Rome. Jack Chick writes⁵⁶ *Britain's Princess Diana stands by Pope John Paul II during a recent private papal audience for her and Prince Charles. The Princess is dressed in black. Vatican protocol requires that visiting royalty wear black, the colour of mourning and humiliation, if they are not Roman Catholic.*
- Charles and Diana separated in December 1992 after an unhappy marriage, and divorced in August 1996. A year later, on August 31st 1997, Diana was killed in a car accident in Paris⁵⁷.

Concerning the CD *Candle in the Wind*⁵⁸ released after Diana's death note Job 21:17, 18, **"How oft is the candle of the wicked put out! and how oft cometh their destruction upon them! God distributeth sorrows in his anger. They are as stubble before the wind, and as the chaff that the storm carrieth away."**

British Royalty has voluntarily associated with many evil systems and Royal Assent underlies all the evil enactments inflicted upon this nation in the last 50 years and to the present as will be shown. As Stephen Green notes⁵⁹:

Britain in Sin examines some 57 pieces of post-war legislation in the light of the eternal precepts of God. We uncover the serious and growing departure of our law from Godly standards. Over 400 points of references in Holy Scripture demonstrate that Parliament has legislated against every single one of the Ten Commandments, overturning the very laws of God which Her Majesty promised to maintain in her realm

"Shall the throne of iniquity have fellowship with thee, which frameth mischief by a law?" Psalm 94:20.

Ongoing Catholic Subversion of the UK and God's Judgement:

- Pope Benedict XVI made a state visit to the UK in 2010⁶⁰.
- The UK Government legalised sodomite 'marriage' in 2014⁶¹:

*The government has launched a 12-week consultation on allowing gay i.e. sodomite couples in England and Wales to marry. Sodomite 'marriage' became the law of the land in England on March 29th 2014⁶² but never **"the law of Christ"** Galatians 6:2.*

Brexit notwithstanding, the UK therefore cannot escape God's judgement according to Romans 2:8-9, 11 **"...unto them that are contentious, and do not obey the truth, but obey unrighteousness, indignation and wrath, Tribulation and anguish, upon every soul of man that doeth evil, of the Jew first, and also of the Gentile...For there is no respect of persons with God."**

- Note therefore this extract⁶³. Consult the full study for additional details or this writer's extended work⁶⁴:

Westcott and Hort and the Oxford Movement, 1833-1845

The Movement's aims were:

- To Romanise the Church of England.
- To force the nation back to Rome.
- To replace the 1611 Holy Bible with a Catholic bible.

Dr, later Cardinal, John Henry Newman was the genius behind the Oxford Movement, by means of his *Tract 90*. Quoting the historian Wylie, Wilkinson⁶⁵ says this of *Tract 90*.

"Tract 90...bears strong marks of a Jesuit origin. Could we know all the secret instructions given to the leaders in the Oxford movement...we might well be astonished. 'Go gently...Remember the motto of our dear son, the Bishop of Autun, — "surtout, pas trop de zele," (above all, not too much zeal). Bring into view, little by little, the authority of the Romanised church. If you can succeed in rendering it equal to that of the Bible, you have done much." That was the purpose of Tract 90.

Then the (Romanised) church takes authority *over* the bible, using textual criticism. Then her agents, like Westcott and Hort, impose her own (Catholic) bible in order to overthrow the pure bible, the AV1611. Remember the tie-up between the RV, JB, NJB, NIVs, ESV, NKJV footnotes for Matthew 1:25, 5:44, 6:13, 16:3, 23:14, Acts 8:37, 9:5, 6, Colossians 1:14, James 5:16:

Corrupted Texts

Matthew 1:25 ***"firstborn"*** omitted to make Mary a perpetual virgin.

Matthew 5:44 ***"bless them that curse you"*** omitted to allow for Papal anathemas, i.e. anyone who disobeys the pope effectively 'curses' him.

Matthew 6:13 ***"For thine is the Kingdom, and the power, and the glory, for ever. Amen"*** the doxology removed to strengthen the pope's pretence to global temporal power.

Matthew 16:3 ***"O ye hypocrites"*** the Lord's rebuke to religious hypocrites deleted.

Matthew 23:14 i.e. whole verse ***"Woe unto you, scribes and Pharisees, hypocrites! for ye devour widows' houses, and for a pretence make long prayer: therefore ye shall receive the greater damnation"*** the Lord's rebuke to religious hypocrites deleted.

Acts 8:37 i.e. whole verse ***"And Philip said, If thou believest with all thine heart, thou mayest. And he answered and said, I believe that Jesus Christ is the Son of God"*** explicit reading on individual salvation deleted.

Acts 9:5, 6 ***"the Lord"*** and ***"it is hard for thee to kick against the pricks. And he trembling and astonished said, Lord, what wilt thou have me to do?"*** explicit reading on individual salvation deleted.

These deletions enable Rome to say that obedience to the Pope is necessary for salvation. Rome's influence during the Dark Ages was such that these readings from Acts 8:37, 9:5, 6 are missing from most extant Greek manuscripts. But the Waldenses preserved them, as does the AV1611.

Colossians 1:14 ***"through his blood"*** omitted to equate redemption with priestly absolution. This is a prime example of unbridled papal power.

James 5:16 ***"faults"*** changed to ***"sins"*** to encourage the abomination of the Confessional – even the 'conservative' NKJV has ***"trespasses."*** Yet, while exhibiting serious omissions/alterations, Catholic bibles contain the Apocrypha. 2 Maccabees 12:43-46⁶⁶ justifies purgatory.

These corrupt texts are a few among hundreds.

Newman became a Roman Catholic in 1845 and was made a cardinal in 1879. Evidently *Newman's greatness has been increasingly recognized in modern times*⁶⁷.

Indeed it has. John Henry Newman was canonised, so-called, on Sunday October 13th (!) 2019⁶⁸. The following extract is from a report on the so-called canonisation⁶⁹. It is sad to see that none other than HRH Prince Charles was in attendance. See the Prince's remarks in favour of the Authorized Version⁷⁰.

AT A TIME of polarisation, John Henry Newman is a figure who can bring people together, the press have been told at a Foreign and Commonwealth Office briefing. The briefing was held in readiness for the canonisation on Sunday of Newman...

When Pope Francis declares during a two-hour mass in St Peter's Square on Sunday that Newman can be venerated in the Church as an example of holiness that can be followed with confidence by Roman Catholics, Newman will be the first English person who has lived since the 17th century to be so recognised canonised by the see of Rome (News, 5 July 2019).

Among the tens of thousands of people expected to congregate in the square will be an official British delegation, led by the Prince of Wales. It will include the heads of Newman's two Oxford colleges, Trinity and Oriel; a group of parliamentarians led by Rehman Chishti, the UK's Special Envoy for Freedom of Religion or Belief; and the Mayor of Birmingham (where Newman spent his later years), Mohammed Azim.

An official Anglican delegation will be led by the Bishop of Portsmouth, the Rt Revd Christopher Foster, and include the Bishops of Oxford and Aston, Dr Steven Croft and the Rt Revd Anne Hollinghurst; the Vicar of the University Church of St Mary the Virgin, Oxford (a successor of Newman), the Revd Dr William Lamb; and the Vice-Chair of the General Synod's House of Laity, Elizabeth Paver.

On 17 October, the Archbishop of Canterbury will preach at a special solemn vespers in Westminster Cathedral.

This is today's Church of England; sodomite clergy, women bishops, Romish ritual, Sharia law. The Lord's judgement, thankfully, will not be long delayed⁷¹.

REVELATION 19:1 And after these things I heard **a great voice of much people** in heaven, saying, Alleluia; Salvation, and glory, and honour, and power, unto the Lord our God:

REVELATION 19:2 For true and righteous are his judgments: for he hath judged the great whore, which did corrupt the earth with her fornication, and hath avenged the blood of his servants at her hand.

REVELATION 19:3 And again they said, Alleluia. And her smoke rose up for ever and ever.

The New Age Movement, Satan, Hitler, Marx and Darwin in Disguise

Joining with Romanism in attacking Britain's Biblical foundations are the other false religions which have mushroomed in this country since the end of the Second World War and are under Rome's umbrella as declared in Revelation 17:5 **"And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH."** The Royal Family has been foremost in championing their cause, in blatant violation of the Coronation Oath⁷². Michael de Semlyen writes⁷³:

*In the unlikely setting of Westminster Abbey, the Queen and the Prince of Wales listened intently as Muslim, Hindu, Sikh and Buddhist leaders read or chanted from the sacred texts of their faiths, marking the beginning of 1991's Commonwealth Day Observance. With the Queens' apparent approval of multi-faith services and Prince Charles' very public espousal of strands of New Age thought, the Coronation Oath must surely be brought into focus for both parliament and nation. See remarks earlier concerning HRH Prince Charles sadly overstepping Matthew 5:37 **"But let your communication be, Yea, yea; Nay, nay: for whatsoever is more than these cometh of evil."***

It is right and proper to denounce New Age deception and Prince Charles' acceptance of it, if only because the annual gathering at Glastonbury⁷⁴ shows the vast and appalling heathen influence of the New Age Movement on the young. *Regarded as a major event in British culture, the festival is inspired by the ethos of the hippie, the counterculture of the 1960s, and the free-festival movement.*

the counterculture of the 1960s is characterised by the inverted broken cross peace symbol. That symbol is satanic⁷⁵:

"Known as the 'peace sign' throughout the 1960's and into the present day, this symbol is the Teutonic rune of death. 1950's peace advocate Gerald Holtom may have been commissioned by communist sympathiser Bertrand Russell to design a symbol to unite leftist peace marchers in 1958. It is clear that either Holtom or Russell deemed the Teutonic (Neronic) cross as the appropriate symbol for their cause.

"Throughout the last 2,000 years this symbol has designated hatred of Christians. Nero, who despised Christians, crucified the Apostle Peter on a cross head downward. This hideous event resembled the Teutonic cross and became a popular pagan insignia of the day. Thereafter, this sign became known as the 'Neronic cross.'

"The symbol's origin in history proves it to be the visual mystic character for 'Aum' (the split 'Y'). This is the sacred word to the Hindu. Chanting 'Aum' is supposed to help awaken 'the serpent power of Brahma' at the base of the human spine. Occultist Albert Pike also identifies this symbol as mystical in his book on Freemasonry Morals and Dogma.

There is therefore nothing new about the New Age.

It is as old as **"that old serpent, called the Devil, and Satan, which deceiveth the whole world"** Revelation 12:9 and its current manifestation is precisely described by Paul in 1 Timothy 4:2 **"Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils; Speaking lies in hypocrisy; having their conscience seared with a hot iron"** as these researchers confirm⁷⁶, authors' emphases for subheadings:.

Beyond The Name

Contrary to what the name may suggest, the New Age Movement is not new. It is a modern revival of ancient and conflicting religious traditions and practices. According to author Nevill Drury, the origins of the movement can be found in the 18th and 19th centuries, predominantly through the works of the esotericists Emanuel Swedenborg, Franz Mesmer, Helena Blavatsky, and George Gurdjieff. New Age practices and philosophies derive inspiration from major world religions, such as: Buddhism, Taoism, Chinese folk religion, Christianity, Hinduism, Islam, Judaism, Sikhism; with strong influences from East Asian religions, Gnosticism, Neopaganism, New Thought, Spiritualism, Theosophy, Universalism, and Western esotericism. The term “New Age” itself refers to the Age of Aquarius, which, according to New Age followers, is dawning. It is supposed to bring peace and enlightenment. It allegedly reunites man with God...

WHAT'S THE DIFFERENCE?	
NEW AGE MOVEMENT	CHRISTIANITY
God is an impersonal force.	God is personal. He is our Heavenly Father who loves us.
God is all and all is God. Just like man, He is part of creation.	God is the Almighty Creator of the universe, and all within it. Man is finite, and one of God's creations.
There is no sin, only misunderstanding of truth.	Rebellion from God is sin. All have sinned, and all must be saved.
Man saves himself.	Jesus Christ paid the penalty for our sins. Only through faith in Him may man be saved.
Heaven and Hell do not exist. They are states of mind.	There is a literal Heaven, and a literal Hell.
Jesus is a man who exemplified “Christ Consciousness,” and the divinity that is man.	Jesus is the Son of God, and is part of the triune nature of God.

The New Age clearly contradicts the Lord Jesus Christ:

“Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me” John 14:6.

New Age Beliefs

What exactly is the New Age? Impossible to narrow down, the New Age is actually a vast smorgasbord of beliefs and practices. Each New Ager fills his tray with whatever assortment fits his appetite. All is liberally seasoned with self-centeredness. It's really a Have-It-Your-Way religion – thus its modern appeal...

New Age Relativism

New Ager do not believe in evil. Therefore, they do not accept man's problem as separation by sin from God. Instead, they believe that each of us has forgotten his or her own divinity. Therefore, the New Age solution is to seek “higher consciousness” through meditation, breathing exercises, yoga, diet, crystals, channelling spirit guides, and more. Each of these diverse practices has the same purpose: to awaken the god in man.

While these practices may seem too far out to pose much of a threat to those abiding in the truth, Christians need to be on guard. In the past twenty years, New Age influence has been steadily creeping into our culture in schools, corporations, and doctors' offices. Since Star Wars, movies have become dominated by New Age spirituality. Reincarnation, karma, the cosmic consciousness – all these once obscure ideas have become commonplace...

New Age links via the spiritualism of Madame Blavatsky lead to Darwin, to the New Age bible versions of Westcott and Hort and in turn the delusion suffered by so many, world-wide:

“For, behold, the darkness shall cover the earth, and gross darkness the people...” Isaiah 60:2

“For many shall come in my name, saying, I am Christ; and shall deceive many...And many false prophets shall rise, and shall deceive many” Matthew 24:5, 11.

See again **2 Disarmament of Church and Nation**.

Noting again John 14:6 **“Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me”** Hinduism is leading millions to hell in India alone and belief in New Age doctrine can only do the same in the West. Further satanic links with the pioneer new

version editors include what today is euphemistically called ‘substance abuse.’ Gail Riplinger writes:⁷⁷

A clue to the mind-set of Westcott’s cohorts is seen in a letter written by Westcott to ‘Frederic’ Myers, one of the founders of the Society for Psychical Research. The note indicates Westcott knew Frederic was not at home because he did not smell cannabis, marijuana or hashish on the premises. The use of mind altering drugs is not reserved to our generation. At this juncture in his life, Hort developed a passion for Coleridge, an opium addict. Blavatsky was addicted to hashish and Westcott was ‘transported’ by beer. Edmond Gurny, a protégé of Frederic Myers, died of a drug-induced overdose; the same drug, chloroform, initiated turn-of-the-century Luciferian Anna Kingsford’s delusions.

There have been incessant calls for legalisation of cannabis and other drugs by then prominent individuals with widespread media support such as Stephen Fry, Claire Rayner, Jon Snow, Miriam Stoppard, Polly Toynbee and Detective Chief Inspector Ron Clarke, formerly of the Greater Manchester Police Drugs Squad⁷⁸.

This high profile agitation is clearly in harmony with the globalist aspirations of the New Age which are in turn suspiciously like the aims of international communism⁷⁹.

Marx envisioned the creation of a new superior individual who would create a new society of unlimited abundance and freedom. It was the creation of a new earth, if not a new heaven, wherein “the redeemed” would dwell. How is the new earth brought in? One essential step is the elimination of undesirables. Communism kills!...The U.S. Senate Internal Security Subcommittee conducted investigations into the number killed in the Soviet Union and China. Their report stated that 35 million to 45 million had been killed in the Soviet Union and 34 million to 62.5 million in Communist China.

The pro-cannabis legalisation campaign continues to the present as the Christian Institute reveals⁸⁰:

THE CHRISTIAN
INSTITUTE

Going soft on cannabis

April 2019

Cannabis is a dangerous drug

Cannabis campaigners are on the march. They want the drug legalised, and they want it now.¹

The drugs lobby deliberately blurs the lines between medically-useful cannabis derivatives and recreational cannabis.² They give the impression that raw cannabis must be legalised to get medical benefits. That is simply not true.

Cannabis contains over 100 unique compounds, known as cannabinoids, and a few of these have been shown to have medical uses.³ Certainly the Government should encourage clinical trials to approve new medicines. But cannabis itself is not a medicine. It

is a menace that wreaks havoc in many lives.

The dangers of cannabis have increased in recent years as high potency forms, known as skunk, become more common, triggering schizophrenic and psychotic episodes.

Christians want people to find the answer to their problems and pain in the good news of Jesus Christ, rather than seeking to escape them through intoxication.

Behind the headlines and misinformation, we must be clear on the dangers of cannabis.

It is not surprising that Marxism, *mind altering drugs* and the occult aspect of the New Age have a common ancestry. Gail Riplinger writes⁸¹:

These strange bedfellows, communism and occultism, are uncovered in The Fabians, a book detailing their interconnection in England. According to its authors, Edward Peace and Frank Podmore were instrumental in the genesis of both the Society for Psychical Research and the various Marxist societies of London. Peace referred to the work of Westcott, Hort and Sidgwick's 'Ghostly Guild' and his own Marxist activities as "our common work". The Fabians mentions the complicity of the two S.P.R. presidents, Arthur Balfour and his brother Gerald, with the Marxist harbingers of the day. This connection between England's Spiritualists and Socialists is further seen in Annie Besant's vitae where the Oxford Movement (of which Westcott and Hort were in sympathy), "Friends of Russia," the Dialectical Society, and finally leadership of Blavatsky's Theosophical Society merge.

Marx himself was initiated into a Satanist cult as a youth and adopted the hair style characteristic of the disciples of Joana Joanna Southcott, a satanic priestess⁸².

Marx wrote that he wanted to avenge himself "against the One who rules above." He joined the Satanist Church run by Joana Southcott, who was said to be in contact with the demon Shiloh. His early writings mentioned the name "Oulanem," which was a ritualistic name for Satan. A friend of Marx wrote in 1841, that "Marx calls the Christian religion one of the most immoral of religions."

This hair style, Revelation 9:8, was also that of Absalom, a conspiring, fornicating self-centred murderer, 2 Samuel 13:29, 14:26, 15:4, 12, 16:22. In the Bible it signifies shame and rebellion, Psalm 68:21, 1 Corinthians 11:14. It later became identified with the hippie⁸³ movement of the 1960s. The hair style is not now so fashionable with males, although both males and females use exaggerated short haircuts to express rebellion, Leviticus 21:5, 1 Corinthians 11:6! However, the shock waves continue unabated from the decade when rebellion against God and the Bible greatly intensified in Britain as the Wikipedia article reveals.

Those involved in the occult influence of the late nineteenth century became the highest in the land, no doubt the Devil's agents well placed to assist this country's decline. Colleagues of Westcott and Hort in Psychical Research included Edward White Benson, a future Archbishop of Canterbury and Arthur Balfour, who went on to become Prime Minister of Great Britain⁸⁴. Westcott became Bishop of Durham⁸⁵.

Eventually, the New Age is found to be nothing but another offspring of the whore, Revelation 17:5, 6, revealing also the true source of Hinduism, Communism and Spiritualism. Jack Chick writes⁸⁶:

Listen to these names: Marx, Engels, Stalin, Lenin Fidel Castro. All were trained and guided by Jesuits. In the voodoo creed they state that, along with their religion of demon possession, they believe in "the holy Roman Catholic church"...

The newest movement has been called the "New Age Movement," and it's in full force. But who's behind it? We know this is an abomination, and the Bible tells us that the mother of abominations is the whore of Revelation 17, the Roman Catholic institution. Rest assured, the Jesuits et al are guiding its activities and the result will be another gigantic smokescreen which is already taking the eyes off the Vatican while they secretly use this movement to accomplish their goals.

Bishop Fulton Sheen attacked communism in the past, and although it is a by-product, they will viciously attack it to accomplish their goals. Catholics will try to rally the Christians together to attack "the New Age Movement." The Christians are already steamed up on this, and the Jesuits are laughing their heads off.

Michael de Semlyen writes⁸⁷:

The omnipresent New Age movement which came into the open in 1975 is also helping to bring the world religions together, especially through Western adoption of aspects of Hindu and Buddhist thought and practice. The Roman Catholic Church has done much to contribute to this in advancing its strategy for ecumenical and religious co-operation.

There is much in Roman Catholic tradition to contribute to New Age thinking; mysticism, medieval and modern; the writings and activities of prominent Catholics, past and present, such as Teilhard de Chardin, Thomas Merton, Matthew Fox and Mother Teresa.

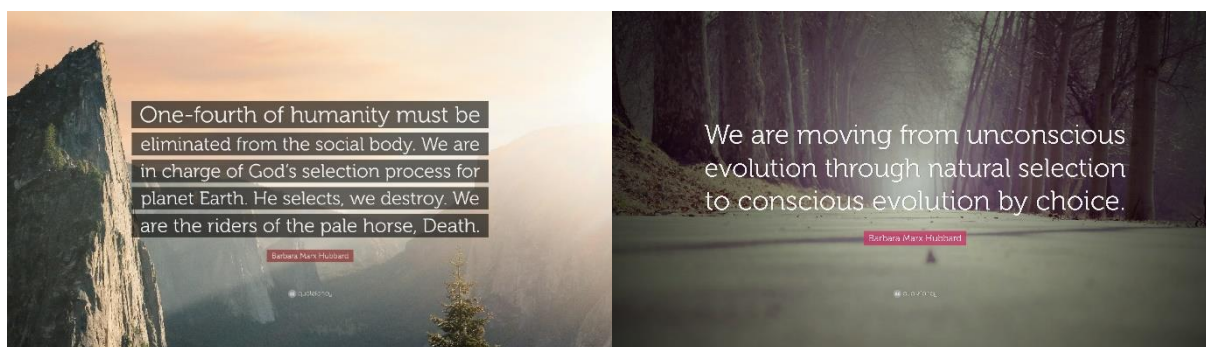

Michael de Semlyen cites Annie Besant's book *Mysticism* in this context.

'The Roman Catholic has always kept a knowledge of that Path and method by which the supreme knowledge may be gained. Take up some great book on Roman Catholic theology and you will find the startling word which I have in mind; they call it Deification, the deification of man, man become God.'

Besant's publisher was the Theosophical Publishing Society, which also published Madame Blavatsky's books on the same themes⁸⁸, underlining again the connection between Spiritualism, Westcott and Hort and the modern Bible versions. Michael de Semlyen concludes:

The Pope is well placed to emerge as spiritual leader of the New Age movement as it sets its sights...towards 2000 AD and the beginning of the Age of Aquarius or the Age of the Spirit.

Secondly, before this new age of enlightenment can be attained, some 'ethnic cleansing' is necessary especially of non-evolutionists, according to Barbara Marx Hubbard⁸⁹:

Hubbard is now deceased but her notions of evolutionary ethnic cleansing match the New Age Movement which is clearly Darwinist as well as Hinduist and a match mate to *All the worst political philosophies of the 20th century that emerged from the dark cave of Darwinism*⁹⁰. Scott M. Huse has written⁹¹:

The fruit of evolution has been all sorts of anti-Christian systems of beliefs and practice. It has served as an intellectual basis for Hitler's nazism and Marx's communism. It has promoted apostasy, atheism, secular humanism, and libertinism as well as establishing a basis for ethical relativism, which has spread through our society like a cancer. The mind and general welfare of mankind has suffered greatly as a result of this naturalistic philosophy.

Noting as Michael de Semlyen observed Rome's outward support for *The omnipresent New Age movement* the Roman Catholic Church gives *guarded* support to evolution⁹².

Today, the Church supports theistic evolution, also known as evolutionary creation...Catholic schools in the United States and other countries teach evolution as part of their science curriculum. They teach the fact that evolution occurs and the modern evolutionary synthesis, which is the scientific theory that explains how evolution proceeds aka Neo-Darwinism the term generally used to describe any integration of Charles Darwin's theory of evolution by natural selection with Gregor Mendel's theory of genetics.

Rome's dabbling with Darwin in order to ally herself with *The omnipresent New Age movement* owes much to Teilhard de Chardin⁹³, a French Jesuit, closely associated with the Piltdown Man hoax in the early part of the 20th century that helped bolster up evolution for many years. His influence has no doubt served to bring together Rome, Darwin and the New Age, to dislodge Britain's *anchor of national seriousness*, as F. W. Faber⁹⁴ termed the AV1611, and in turn to subvert her national life and character.

Such remains the overarching aim, orchestrated by Rome against “**the book of the LORD**” Isaiah 34:16, of **The New Age Movement, Satan, Hitler, Marx and Darwin in Disguise** as this part of the study is titled. This work has already addressed Rome’s association with, indeed raising up, of Marx and Hitler, ultimately to overthrow the AV1611, see foregoing remarks under *New Age Relativism* and Adrian Hilton’s disclosure under **4 The Advance of Rome and Her Allies**. Publisher Jack T. Chick, now with the Lord, provided considerable evidence of Rome’s tie-up with Nazism and Bolshevism i.e. Marxism, not always cordial but real nonetheless.

Much of Jack Chick’s information came from a converted ex Jesuit priest, Dr Alberto Rivera now with the Lord and was published as the *Alberto* series⁹⁵. The series encountered not only opposition from Rome but also from genuine but thanks to Westcott and Hort, see **2 Disarmament of Church and Nation**, compromised Christian believers, trying to remain on friendly terms with the whore of Revelation⁹⁶.

Significantly, threats of litigation against Chick Publications have never materialised and an Australian writer, Sidney Hunter, has compiled a helpful summary of answers to the objections most commonly raised against the *Alberto* series⁹⁷. He cites historian Avro Manhattan⁹⁸, linking Catholicism and Communism.

To the Vatican, which had waged war against the Orthodox Church since the eleventh century, the downfall of her millenarian rival was too good to be true. The evil of Bolshevism could in this manner be accepted in view of its having destroyed the Orthodox Church - with one proviso, however; that it would give Rome a free hand to finish the task of eliminating Orthodoxy in Russia once and for all. The deal was accepted, and so it came to pass that while the Vatican was publicly fulminating against Bolshevism, the Bolsheviks in the Kremlin and the Vatican’s diplomats in Rome began secret negotiations.

Lenin broke off negotiations with the Vatican when he realised the extent of Rome’s ambitions for total control of the new Soviet Union. The Vatican then supported Mussolini and later Hitler in order to precipitate World War 2, in part to wreak revenge on Russia⁹⁹.

It must always be understood that the Vatican believes it has an inalienable right to destroy all whom it sees as its opponents. This explains the unremitting brutality of the Catholic IRA in Ulster, even during times of so-called ‘cease-fire,’ as exemplified by the Omagh bombing of August 1998¹⁰⁰, when, ironically, many of the victims were Roman Catholics. International outrage notwithstanding and *Pope John Paul II* and *President Bill Clinton* also expressed their sympathies, none of the bombers was excommunicated and *The bombing...spurred on the Northern Ireland peace process*, so-called, no doubt much to Rome’s satisfaction. Rome’s official stance on atrocities like the Brighton¹⁰¹ and Omagh bombings was made clear centuries ago.

Hunter¹⁰² cites the Council of Lateran, 1215¹⁰³, the decrees of which have never been repealed.

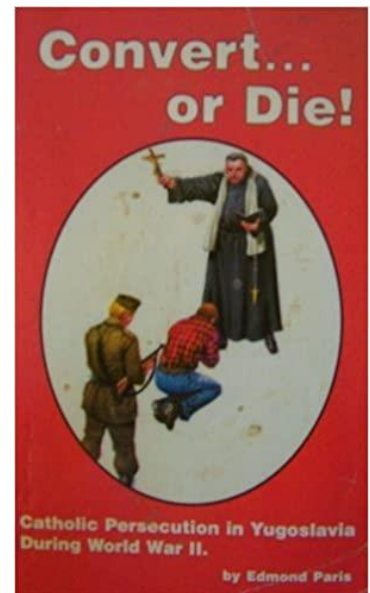

We excommunicate and anathematize every heresy that raises against the holy, orthodox and Catholic faith which we have above explained; condemning all heretics under whatever names they may be known, for while they have different faces they are nevertheless bound to each other by their tails, since in all of them vanity is a common element. Those condemned, being handed over to the secular rulers of their bailiffs, let them be abandoned, to be punished with due justice...Secular authorities, whatever office they may hold, shall be admonished and induced and if necessary compelled by ecclesiastical censure, that as they wish to be esteemed and numbered among the faithful, so for the defense of the faith they ought publicly to take an oath that they will strive in good faith and to the best of their ability to exterminate in the territories subject to their jurisdiction all heretics pointed out by the Church...

Where the *secular authorities* are not wholly at Rome’s beck and call, as in Britain, her IRA terrorists can be called upon to act, say with respect to the Brighton and Omagh bombings.

Note therefore that the New Age, Evolution, Communism and Catholicism are united in this respect. It is necessary to exterminate every individual who is judged to be unsuitable for their 'brave new world.' The lowest estimate I have seen of the number murdered by Rome during the Dark Ages is 5,000,000¹⁰⁴. Some estimates of the total murders by Rome from 325 A.D. to the present exceed 60,000,000¹⁰⁵. These estimates are certainly vindicated if one includes the dead of the two World Wars of the 20th century¹⁰⁶ which were both set up by Rome¹⁰⁷. Every Briton should understand that the architects of the new world order have but one final choice in mind for every man, woman and child on earth, in the words of the French historian, the late Edmond Paris¹⁰⁸ according to the graphic:

In sum:

“The woman which thou sawest is that great city, which reigneth over the kings of the earth...And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth”
Revelation 17:18, 18:24.

The Aggression of Islam

This chapter has been redrafted in the light of further information since it was first written.

Note first that Islam i.e. Mohammedanism is indeed an offspring of the Catholic Church according to in Revelation 17:5 **“And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.”** See 5 **The New Age Movement, Satan, Hitler, Marx and Darwin in Disguise.**

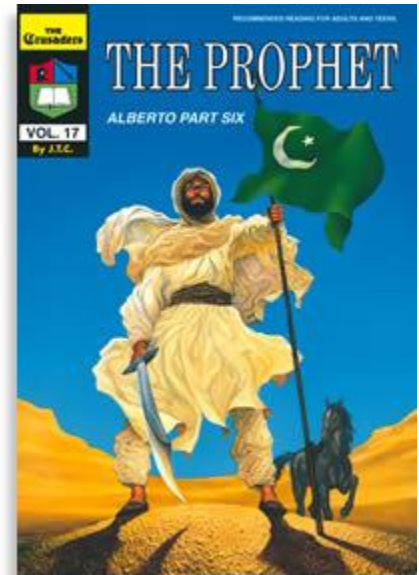

Alberto Part 6¹⁰⁹

Learn how the papacy helped start Islam, only to have this new daughter rebel against her. You'll understand the Arab's place in Bible prophecy. Muslims have been saved by reading this book.

- *See how Rome guided the development of Islam, only to be double-crossed later.*
- *Read how the Virgin Mary is being used to bring that rebellious daughter, Islam, back into cooperation with “Mother Church.” The global “super-church” is forming!*

Note now the similarities between Islam's subversion of a professedly Christian nation, aimed at subjugation of that nation, and that of Rome:

Nigerian Christian G. J. O. Moshay¹¹⁰ describes the tactics that Mohammed devised in the 7th Century, which Muslims are applying today to overthrow Christianity.

Migrate to Christian areas because they are tolerant. Pretend to be peaceful, friendly and hospitable; begin to clamour for religious political and social rights and privileges that you will not allow to Christians in an Islamic country; breed fast there and settle down; there should be no Christian activities in your community; you may speak or write to discredit their religion, but they must not talk about Islam; begin to expand your community; Christian activities should be restricted in all the places you expand to; the moment you have enough military might against these ‘disbelievers’, these trinitarian kaferis, go ahead and eliminate them or suppress them as much as you can, and be in control. Moshay concludes Where immediate invasion is not possible, that has always been the policy.

The methods used by Islam are very similar to those of Roman Catholicism. Dr Peter S. Ruckman¹¹¹ writes, citing 8 detailed references:

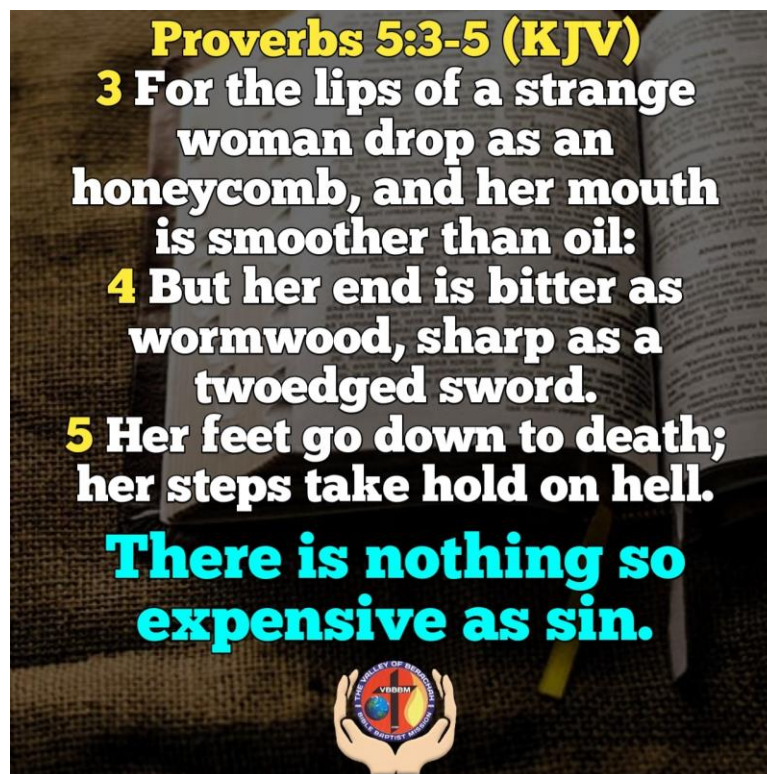

The Catholic Church displays an international system of unregenerate politicians whose totalitarian designs are aimed at overthrowing every institution and government on the face of this earth by any means, including fraud, murder, torture, exile, imprisonment, extortion and armed warfare. This system is identical with communism and fascism, although its profession is different. The procedure adopted by this pharisaical hierarchy to gain world dominion is as follows:

1. *If unable to move, lay low and wait (America: 1600-1800).*
2. *If able to move at all, plead for religious tolerance (America: 1800-1900).*
3. *Once obtained (British Parliament, 1829: America, 1900), go to work immediately in politics (Britain and Ireland, 1960-1980): America-the Kennedy family...*
4. *Profess nothing but peace, love, humility and unity until enough control has been gained to lay ahold of Protestant TAX money.*

5. *Get control over every mayor, governor or senator who is born or raised Catholic to use him for the private interests of the church.*
6. *Wait until marriages and birth control guarantee a large pressure group. Keep all births in the church by telling them not to proselytise, thereby stopping the proselytising of others. When a majority is obtained, persecute any journalist in the news media every time he says anything to hurt the totalitarian designs of the church. Anything truthful put out over radio or TV that is harmful to the hierarchy must be called "BIGOTRY" at once.*
7. *When a majority is gained, use tax money to obtain monopolies and then demonstrate for unity and ecumenism (America: 1940-1960).*
8. *Once all major leaders are Roman Catholic (Germany: Hitler, Hess, Goering, Himmler, Goebbels, Heydrich, Bormann, ...etc.), enforce UNITY with a police state and politicians. Slander and harass resisters (Ireland: 1960-1990), jail and fine opponents, and eventually torture and murder opponents (Goering, Hoess, Himmler, etc.)*

Fifteen hundred years of church history teaches that the greatest religious hypocrite on this earth is a pope (any pope) and that the greatest lying religious organisation on this earth is the Roman Catholic church. It will make any compromise necessary with anyone (communist or fascist: Hitler and Mussolini both signed concordats with the pope-1933 and 1928) including atheists, Jews or Moslems in order to obtain its own purpose, which is world dominion. One must never forget that the Catholic church has not only promoted and encouraged armed warfare but its monks and bishops have led troops into battle against Bible-believing Christians. Nazism and communism could never claim as many victims on the grounds of religious deceit and religious hypocrisy because neither of them claimed to be churches, and their leaders did not profess to represent Jesus Christ at all. King James, the monarch of England who is much hated and maligned by modern Fundamentalists, never made any such a profession of importance or power as ANY pope who ever lived. Alongside the popes of his day (Clement VIII, Leo XI, Paul V, and Gregory XIV), James I was a saint.

As King Solomon¹¹² right observes and warns, concerning both Islam and Rome:

The following study summarises Islam's ongoing efforts to subjugate Britain, increasingly indicative of Proverbs 7:27 "**Her house is the way to hell, going down to the chambers of death.**"

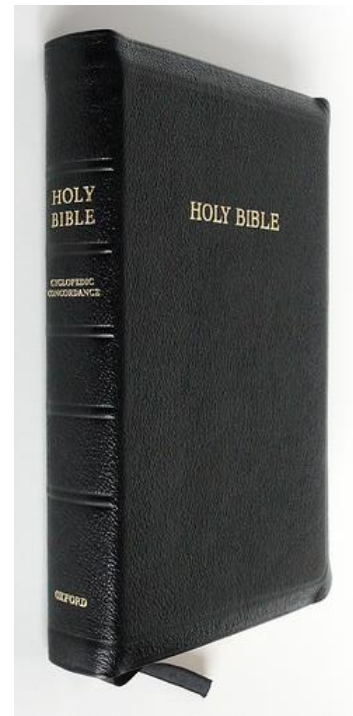

The KJB King James Bible, Britain and Islam

Royal Coat of Arms

King James Bible

Introduction – Royal Coat of Arms, Crown Jewels, KJB

Wikipedia acknowledges that, emphasizes in article, *The Royal coat of arms of the United Kingdom*¹¹⁴ is the official [coat of arms](#) of the [British monarch](#), currently [Queen Elizabeth II](#). These arms are used by the Queen in her official capacity as monarch of the [United Kingdom](#), and are officially known as her **Arms of Dominion**. Variants of the Royal Arms are used by other members of the [Royal Family](#); and by the [British government](#) in connection with the administration and government of the country...

Note also Article XXXVII of The Church of England¹¹⁵.

The Queen's Majesty hath the chief power in this realm of England and other her dominions, unto whom the chief government of all estates of this realm, whether they be ecclesiastical or civil, in all causes doth appertain, and is not nor ought to be subject to any foreign jurisdiction...

In sum, sources both secular and ecclesiastical acknowledge that the true and supreme governance of Britain and the Old Dominions is vested in *The Queen's Majesty*, which the Royal Coat of Arms emblemizes. The above figures show that the Crown jewels¹¹⁶ of Britain and the Old Dominions are at the very summit of the Royal Coat of Arms and the pinnacle of the Crown jewels is an empty cross, signifying the risen Lord Jesus Christ. ***“He is not here: for he is risen, as he said”*** Matthew 28:6. Britain and the Old Dominions are therefore *officially via The Queen's Majesty* under the Rulership of the Lord Jesus Christ according to Isaiah 9:6 ***“unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God, The everlasting Father, The Prince of Peace.”*** Yet ***“The mighty God”*** the Lord Jesus Christ has submitted Himself to ***“the words of the LORD”*** Psalm 12:6 ***“for thou hast magnified thy word above all thy name”*** Psalm 138:2. The highest authority for the governance of Britain and the Old Dominions is therefore the 1611 Authorized King James Bible¹¹⁷ ***“the royal law”*** James 2:8, *also above any foreign jurisdiction*. See figures above and link.

Islam the Intruder

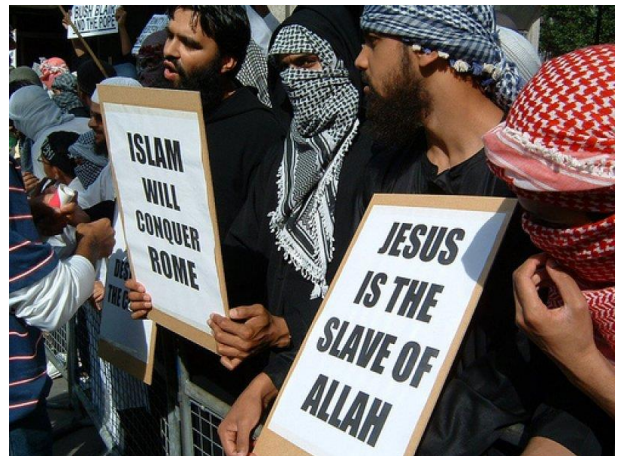

What then of Islam in Britain and the Old Dominions? Put simply, Islam is an intruder into *this realm of England and other her dominions*. This may be shown with respect to the most distinct features of Islam; the Qur'an, Jihad and Sharia Law. They are all in direct conflict with the 1611 Authorized King James Bible ***"the royal law"*** James 2:8.

KJB King James Bible versus Qur'anic Blasphemy

The KJB calls the Lord Jesus Christ ***"The mighty God"*** Isaiah 9:6. His name¹¹⁸ given singly 4 times in ***"the old testament"*** 2 Corinthians 3:14 is ***"JEHOVAH"*** Exodus 6:3, Psalm 83:18, Isaiah 12:2, 26:4. It is ***"JESUS"*** Matthew 1:23 in ***"the new testament"*** 2 Corinthians 3:6, which means *Jehovah* saves. By contrast *Allah* simply means *the god*. Though not a graven image, Allah is like one in that his followers ***"pray unto a god that cannot save"*** Isaiah 45:20, whereas the Lord Jesus Christ as JEHOVAH states unequivocally ***"...there is no God else beside me; a just God and a Saviour; there is none beside me. Look unto me, and be ye saved, all the ends of the earth: for I am God, and there is none else"*** Isaiah 45:21-22*. The place to look is ***"the place, which is called Calvary"*** Luke 23:33 because ***"there they crucified him"*** but the cross, as the Royal Coat of Arms and the Crown jewels show, is now empty and for all who are willing to receive that testimony ***"the Father...hath delivered us from the power of darkness, and hath translated us into the kingdom of his dear Son: In whom we have redemption through his blood, even the forgiveness of sins"*** Colossians 1:12, 13-14. *See also John 14:6.

Paul therefore states of the Lord Jesus Christ that ***"...being found in fashion as a man, he humbled himself, and became obedient unto death, even the death of the cross. Wherefore God also hath highly exalted him, and given him a name which is above every name: That at the name of Jesus every knee should bow, of things in heaven, and things in earth, and things under the earth; And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father"*** Philippians 2:8-11.

That includes every Allah-adherent Muslim who ever existed.

The anti-papal protesters¹¹⁹ are therefore seriously wrong about the Lord Jesus Christ, each one ***"a fool in his folly"*** Proverbs 17:12 who will suffer for it ***"...for the LORD will not hold him guiltless that taketh his name in vain"*** Exodus 20:7, Deuteronomy 5:11.

One important reason for that Islamic folly is that the Qur'an never acknowledges God's exaltation of the Lord Jesus Christ as Paul does in Philippians 2:8-11. For that reason alone, the Qur'an is a blasphemy. However, that is not all.

The KJB calls the Lord Jesus Christ ***"God...manifest in the flesh"*** 1 Timothy 3:16, God's ***"only begotten Son"*** 4 times, John 1:18, 3:16, 18, 1 John 4:9 as ***"my beloved Son"*** 5 times, Mark 1:11, 9:7, Luke 3:22, 9:35, 2 Peter 1:17 and *unequivocally* declares the Lord Jesus Christ to be ***"the Son of God"*** 34 times; Daniel 3:25 as an Old Testament appearance in Micah 5:2, Matthew 14:33, 27:54, Mark 1:1, 15:39, Luke 1:35, 4:41, 22:70, John 1:34, 49, 5:25, 9:35, 10:36, 11:4, 27, 20:31, Acts 8:37, 9:20, Romans 1:4, 2 Corinthians 1:19, Galatians 2:20, Ephesians 4:13, Hebrews 4:14, 6:6, 7:3, 10:29, 1 John 3:8, 4:15, 5:5, 10, 12, 13, 20, Revelation 2:18; in total at least 44 KJB witnesses to the Lord Jesus Christ

as God's Son, **"the only begotten of the Father"** 1 John 5:18, not of dust as Adam, Genesis 3:19.

By contrast, the Qur'an blasphemously denies that the Lord Jesus Christ is **"the Son of God"** **"the only begotten of the Father"** in at least 28 passages. Sura 3:59, Yusuf Ali's translation, is typical.

The similitude of Jesus before Allah is as that of Adam; He created him from dust, then said to him: "Be." And he was.

Yusuf Ali's notes insist that this verse proves that Jesus was only a man, not God or the only begotten Son of God. Additional passages in the Qur'an that deny that the Lord Jesus Christ is the only begotten Son of God include Sura 4:171, 5:17, 72, 73, 75, 116, 9:30, 31, 10:68, 18:4, 5, 19:35, 88-89, 92, 93, 21:26, 23:50, 91, 92, 25:2, 33:7, 37:152, 39:4, 43:59, 81-82, 72:3, 112:3; 28 in all. These passages also deny that God can have *any* son, denying that a New Testament Christian or son of God by adoption can exist, again contradicting Paul and showing further that the Qur'an is a blasphemy, indeed the ultimate blasphemy.

"For as many as are led by the Spirit of God, they are the sons of God. For ye have not received the spirit of bondage again to fear; but ye have received the Spirit of adoption, whereby we cry, Abba, Father" Romans 8:14-15.

KJB King James Bible versus Jihadic Terror

The KJB is clear with respect to the Christian's attitude to disbelievers.

"And the servant of the Lord must not strive; but be gentle unto all men, apt to teach, patient, In meekness instructing those that oppose themselves; if God peradventure will give them repentance to the acknowledging of the truth; And that they may recover themselves out of the snare of the devil, who are taken captive by him at his will" 2 Timothy 2:24-26.

The Islamic approach¹²⁰ to disbelievers is diametrically different from the KJB approach.

Peter Hammond¹²¹, veteran missionary to the Sudan, explains that Islam perceives every non-Muslim country to be part of *Dar-al-Harb*, the House of War such that it has to be forcibly absorbed into *Dar-al-Islam*, the House of Islam. The tactics of force can include subversion and they all come under the heading of *Jihad*, the subjugation and forcible conversion of all non-Muslims to Islam. Hammond reveals that the Qur'an contains 109 verses advocating *Jihad*, which exists in several forms, ranging from the subtle to the savage.

Nigerian Christian G.J.O. Moshay¹²² describes the tactics of *Jihad* that Mohammed devised in the 7th century, aimed at overthrowing Christianity.

Migrate to Christian areas because they are tolerant. Pretend to be peaceful, friendly and hospitable; begin to clamour for religious political and social rights and privileges that you will not allow to Christians in an Islamic country; breed fast there and settle down; there should be no Christian activities in your community; you may speak or write to discredit

their religion, but they must not talk about Islam; begin to expand your community; Christian activities should be restricted in all the places you expand to; the moment you have enough military might against these 'disbelievers', these trinitarian kaferis, go ahead and eliminate them or suppress them as much as you can, and be in control. Moshay concludes Where immediate invasion is not possible, that has always been the policy.

Islam's tactics are succeeding in the UK. Moshay writes *In 1945, only one mosque was to be found in the whole of England. In 1990 over 1,000 mosques are scattered all over the country. That figure has risen to 1700 in 2007, with an estimated 3-5 million Muslims resident in the UK¹²³. The equivalent 2018 and 2021 figures are 3.4 million Muslims and 2131 mosques respectively¹²⁴.*

Jihad in Britain is also succeeding, becoming militantly aggressive and murderously violent as the figures show that depict the Muslim backlash in London in February 2006 over the Danish cartoons¹²⁵ and the July 7th 2005 Muslim terrorist murders¹²⁶ that left 52 victims dead and 700 injured, many seriously.

Though just two examples of Jihadic terror – Hammond and Moshay cite many more - they show the true nature of Islam toward disbelievers i.e. beat them into submission; *...fight and slay the Pagans wherever ye find them, an seize them, beleaguer them, and lie in wait for them in every stratagem (of war)... Sura 9:5, Yusuf Ali's translation.*

That is the opposite of the KJB in 2 Timothy 2:24-26 i.e. encourage them **"to...repentance toward God, and faith toward our Lord Jesus Christ"** Acts 20:21.

Hammond and Moshay's analyses show that so-called extremist, militant or radical Muslims don't exist. Only two kinds of Muslims exist; those that believe the Qur'an and those that don't. It is not rocket science to determine which kind will implement *Dar-al-Harb*.

Muslim terrorist attacks in the UK¹²⁷ have persisted since July 2005, claiming 44 victim fatalities.

KJB King James Bible versus Sharia Sediton

Christians Together¹²⁸ published a 2011 report by columnist Melanie Phillips on the attempted introduction of sharia-controlled zones on London, report's emphases.

Earlier this year in the east London boroughs of Tower Hamlets, Waltham Forest and Newham, [posters suddenly sprouted](#) in the streets declaring: 'You are entering a Sharia controlled zone. Islamic rules enforced.' Underneath were images indicating that smoking, alcohol and music were banned. Also [this year](#) posters declaring Tower Hamlets a 'gay-free zone' were put up across the borough. Police and local councillors declared that they would take all such posters down.

Now, however, it seems that the threatening implications of self-declared 'Muslim areas' are spreading into the heart of our democracy.

Last Friday Mike Freer, MP for Finchley and Golders Green, was forced to abandon his constituency surgery at the North Finchley mosque and hide in a locked part of the building when a

group of activists from the 'Muslims against Crusades' group forced their way in...

Earlier this year, four Tower Hamlets Muslims were jailed for at least 19 years for attacking a local white teacher who gave religious studies lessons to Muslim girls. An Asian woman – not a practising Muslim - who worked in a pharmacy was [threatened with her life](#) unless she wore a headscarf or veil. And as Andrew Gilligan has [reported](#), many more such Islamist attacks are taking place – which he claims the police are downplaying for fear of being accused of racism:

Thankfully, Teresa May¹²⁹ then Home Secretary banned MAC Muslims Against Crusades in November 2011 but Muslim determination to subvert Britain continues to fester. The BBC reports that *The [MAC] organisation, now dissolved, said “the call for Islam will never be silenced by any ban or proscription”.*

The MAC threat of sharia sedition is no idle boast.

One 2013 source states that Britain has 85 sharia courts¹³⁰. A 2018 source¹³¹ gives a more conservative estimate of 30 to 50 sharia courts, designated councils. Whatever the actual numbers and however this alien system is designated, its very existence in the UK is wholly against the British Constitution¹³² as summarised by Numbers 15:16 **“One law and one manner shall be for you, and for the stranger that sojourneth with you.”**

Muslim aggression against Britons worsens as Christian Concern¹³³ reports from July 28 2021, emphasises in report.

A Christian woman who was attacked and stabbed multiple times by a man in a black Islamic robe at Speakers' Corner in Hyde Park, London, has spoken for the first time since the incident.

Hatun Tash, 39, a well-known Christian preacher who regularly critiques and debates the Qur'an at Speakers' Corner, the most famous place in the world for free speech, was attacked at 3.34 pm on Sunday 25 July.

Hatun is an ex-Muslim who has converted to Christianity and is the director of the ministry [Defend Christ Critique Islam \(DCCI\)](#). It is well known that those who convert from Islam are deemed to have committed apostasy which, according to sharia law, deserves the death penalty.

[Shocking video footage](#) from Sunday's incident has revealed a man clad in black, with a hood and face mask, unleashing a series of violent stabs at Hatun's throat and body which left her with wounds to her face and hands. Hatun collapsed with blood down her face and is seen wearing a Charlie Hebdo t-shirt. Following the attack, [the man immediately fled the scene](#) and discarded the knife.

Only moments earlier, Hatun, who is being supported by the Christian Legal Centre, had been quietly speaking to another member of the public and was not preaching.

She was treated by the London Ambulance Service and was then taken to a central London hospital where her wounds were stitched.

Despite a police car appearing immediately, police failed to catch and detain the attacker and have now appealed to the public for further evidence. Counter-terrorism are now also investigating.

'I can't believe this has happened'

Responding to the attack, Hatun said: "I am upset and disturbed by what has happened to me. I am asking myself if I have done anything wrong? I am convinced I have not broken any law or incited hate. All I did was question Islam and I wanted to debate, discuss and to tell people about Jesus Christ. Speakers' Corner is a great place to do this, it is a shame that this has happened at the home of freedom of speech.

"Watching the video, the intention is clearly to kill me.

"I can't believe this has happened in broad daylight at Speakers' Corner. You do not expect such things to happen in Great Britain.

"Police inaction has led to what happened to me yesterday. In the past, they have seen it as easier to remove me than deal with people intimidating and threatening me. My attacker was not even afraid of the police as he did it right in front of them. It is heart-breaking that we live in a society where police do not want to arrest a Muslim for fear of being called 'Islamophobic.'"

'Series of disturbing incidents'

The incident is the latest in a series of concerning events at Speakers' Corner involving Hatun.

Prior to Sunday's incident, the Christian Legal Centre had already [filed a pre-action letter](#) with the London Metropolitan Police seeking damages on Hatun's behalf for assault, false arrest, false imprisonment and harassment as a result of the repeated failures to protect her.

Disturbing incidents and threats to Hatun have been escalating at [Speakers' Corner since September 2020](#) when footage emerged of a threatening Islamic mob surrounding Hatun which resulted in her receiving death threats. Further incidents, [outlined in the pre-action letter](#), have involved Hatun being slapped, punched and knocked to the ground by Islamic men.

Police have repeatedly failed to protect Hatun or make any arrests following her being assaulted and threatened. Instead, she has experienced being arrested, detained overnight in a police cell and had her belongings searched humiliatingly in public.

The Free Speech Union has also written to Metropolitan Police raising concerns over her treatment.

The story comes following protests and death threats about the [Batley Grammar School teacher](#) who is still in hiding and fearing for his life after showing a Charlie Hebdo cartoon to his pupils.

'Freedom hanging by a thread'

Andrea Williams, chief executive of the Christian Legal Centre, commented: "What happened to Hatun Tash at Speakers' Corner was harrowing. Sharia law is being implemented there by the back door and Sunday's incident is a serious escalation following a series of concerning episodes.

"Speakers' Corner is the embodiment of freedom, that is unlike any other place in the world.

"Our freedom is hanging by a thread – if Hatun is silenced by violence at Speakers' Corner, then we are all silenced."

The KJB makes clear that those Muslim outrages are seditious and totally contrary to ***“the royal law”*** James 2:8. The *Muslims Against Crusades* group, Hatun Tash’s attackers and all who support them are in conflict with ***“the higher powers”*** of this realm and the Offended Party will no doubt Himself damn the offenders if the human proper authorities do not.

“Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. Whosoever therefore resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation” Romans 13:1-2.

KJB King James Bible Verdict on Islam – and all Haters of the Realm

Paul describes Islam perfectly in Romans 3:13-18:

“Their throat is an open sepulchre; with their tongues they have used deceit; the poison of asps is under their lips: (pretending to be peace-loving when small in number)

“Whose mouth is full of cursing and bitterness: (against non-Muslims)

“Their feet are swift to shed blood: (Jihad)

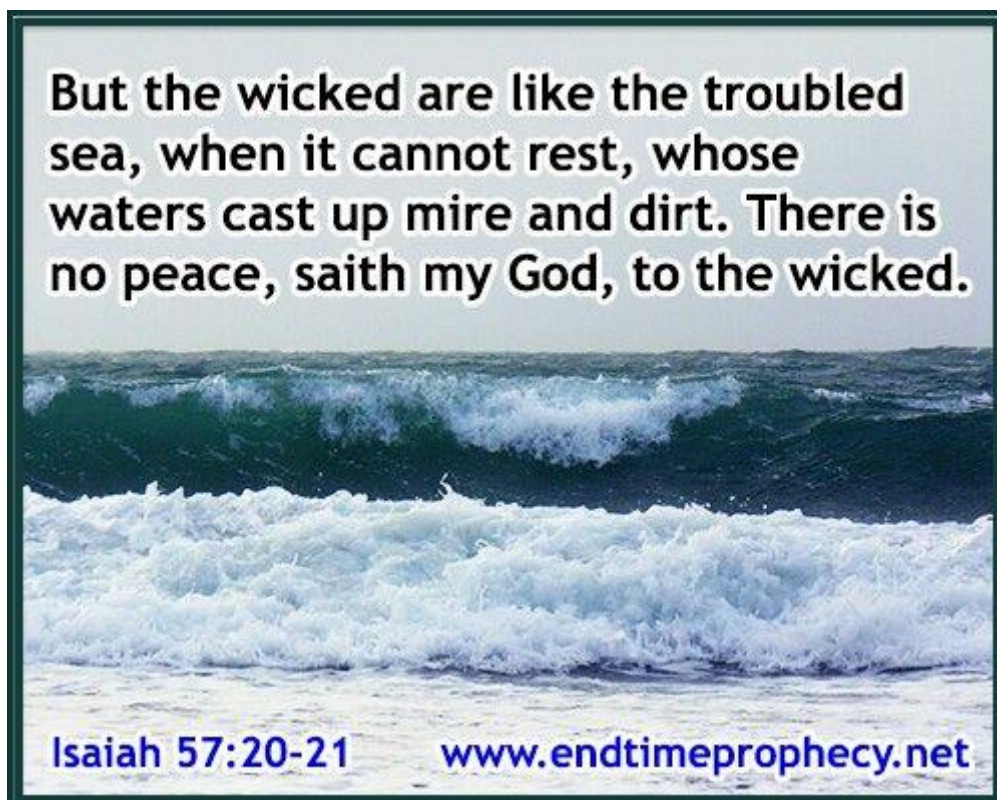

“Destruction and misery are in their ways: (Jihad)

“And the way of peace have they not known: (Moshay reveals that Islam doesn’t mean ‘peace,’ or ‘submission’ as such, it means total subjugation of disbelievers by violence)

“There is no fear of God before their eyes” (see *KJB versus Qur’anic Blasphemy*).

Centuries ago, God’s servant Nehemiah said to the enemies of his nation ***“...ye have no portion, nor right, nor memorial, in Jerusalem”*** Nehemiah 2:20. The same is true of Islam in Britain and the Old Dominions according to ***“the royal law”*** James 2:8. In the national context ***“Therefore put away from among yourselves that wicked person”*** 1 Corinthians 5:13.

Conclusion¹³⁴ For *both* Islam and Rome:

Britain's Final Warning? – *Extracts on Rome*

2021 Update: The content and references have been updated as necessary. With respect to what follows note again that Britain has left the European Union since this study was first compiled¹³⁵. Britain's leaders are still having to address the aftermath¹³⁶. Some overlap exists with **2 Disarmament of Church and Nation**.

Britain's situation is nevertheless like that described by Ezekiel, in reference to ancient Israel.

“Moreover the word of the LORD came unto me, saying, Also, thou son of man, thus saith the Lord GOD unto the land of Israel; An end, the end is come upon the four corners of the land. Now is the end come upon thee, and I will send mine anger upon thee, and will judge thee according to thy ways, and will recompense upon thee all thine abominations” Ezekiel 7:1-3.

Ezekiel concludes with a dire warning of a particular aspect of God's judgement:

“The land is full of bloody crimes, and the city is full of violence. Wherefore I will bring the worst of the heathen, and they shall possess their houses: I will also make the pomp of the strong to cease; and their holy places shall be defiled” Ezekiel 7:24. See **4 The Advance of Rome and Her Allies** and Britain in Sin.

“The worst of the heathen” exist here at many levels, as we will see.

But for Britain, the papal antichrist, John Paul II personified the very worst of them, along with Benedict XVI, also to be considered.

John Paul II came in May 1982. His presence defiled what Britain would regard as her ‘holy places,’ our centres of national worship.

He went to Liverpool Cathedral, the city where John Charles Ryle was its first bishop and Canterbury Cathedral, where the then Archbishop Runcie said¹³⁷:

“Dear Brother...in the name of the Lord we greet you.”

Compare that with the bold witness of Thomas Cranmer, Britain's first Archbishop of Canterbury, whom Rome burnt at the stake in March 1556¹³⁸.

“As for the Pope, I refuse him, as Christ's enemy and anti-christ, with all his false doctrine.”

We could do with another archbishop like Cranmer now.

God's judgement on *“the pomp of the strong”* has come on the Royal Family. Michael de Semlyen wrote¹³⁹:

Her Majesty the Queen has departed from her Coronation Oath to the extent that she now does not defend...the Protestant Reformed faith. In 1991, the Daily Telegraph's religious correspondent...writing under the headline, ‘Royal approval for Koran at abbey,’ noted that in the unlikely setting of Westminster Abbey, the Queen and the Prince of Wales listened intently as Muslim, Hindu, Sikh and Buddhist leaders read or chanted from the sacred texts of their faiths, marking the beginning of 1991's Commonwealth Day Observance, which went ahead in its customary multi-faith format. Since the Pope's visit and these multi-faith services, we have suffered:

- The Brighton Bomb, October 1984 that killed five¹⁴⁰. Prime Minister Thatcher narrowly escaped. See **4 The Advance of Rome and Her Allies**.
- Britain's involvement in Afghanistan and Iraq, which has cost the lives of 683¹⁴¹ of our servicemen and even some servicewomen.
- Charles and Diana's divorce in August 1996, an event of national humiliation. Diana was killed in the Paris car crash in September 1997¹⁴².
- The Warrington and Bishopsgate IRA bombs¹⁴⁰, March 1993, April 1993. They killed three, including two young boys, injured forty-four and smashed dozens of businesses in Bishopsgate.

- The London suicide bombs of July 7th 2005. Muslims killed 52 commuters and injured 700¹⁴³. See again **The KJB King James Bible, Britain and Islam** *KJB King James Bible versus Jihadic Terror* and associated references. The study **The KJB King James Bible, Britain and Islam** replaces *Muslim Menace – Tolerated* included in this work when first written.

Yet Her Majesty has since opened a Muslim prayer room in Windsor Castle¹⁴⁴. At *Buckingham Palace...such a facility already exists for Muslims*.

That amounts to more national humiliation and a bizarre situation constitutionally¹⁴⁵. See this extract:

Peter Hammond¹⁴⁶, veteran missionary to the Sudan, explains that Islam perceives every non-Muslim country to be part of *Dar-al-Harb*, the House of War such that it has to be forcibly absorbed into *Dar-al-Islam*, the House of Islam. The tactics of force can include subversion and they all come under the heading of *Jihad*, the subjugation and forcible conversion of all non-Muslims to Islam. Hammond reveals that the Qur'an contains 109 verses advocating *Jihad*, which exists in several forms, ranging from the subtle to the savage.

Note that *High treason today consists of*:

- *Treason Act 1351* (as amended – last amended by the *Succession to the Crown Act 2013*):
 - *adhering to the sovereign's enemies, giving them aid and comfort, in the realm or elsewhere*

Those events and others show how the Ezekiel 7:1-3, 24 previously quoted are afflicting Britain today. Sadly, God has allowed the Vatican to formulate and progress a strategy against Britain, for her sin. Let us review it.

Ashley Mote is a long-time researcher of Britain's history. He writes¹⁴⁷:

Rome has opposed the UK at many critical moments in its history, ever since the signing of the Magna Carta...on 15th June 1215. Pope Innocent III wrote bluntly to the English abbots and bishops who had signed the document, saying they had done something "abominable" and "illicit." The pope also assumed powers to annul Magna Carta.

Magna Carta, of course, is basic to Britain's Constitution as a nation. Mote continues.

Three centuries later, Henry VIII finally threw the Roman Catholic Church out... His act of rebellion is still talked about in Rome to this day. The British have not, and never will be, forgiven for such heresy."

Mote catalogues the popes' efforts to reconquer England via the Armada of 1588, the Stewart rising of 1745, Napoleon, Kaiser Wilhelm, Hitler, the IRA and the EU.

And he concludes, *For the Roman Catholic Church, the UK is unfinished business stretching back 500 years. You and I must never lose sight of that fact.*

So what is the Vatican's current strategy for that unfinished business?

Vatican strategy

See 2 Disarmament of Church and Nation.

Cardinal Manning summed up Vatican thinking about Britain in 1859¹⁴⁸:

If ever there was a land in which work is to be done, and perhaps much to suffer, it is here... We have to SUBJUGATE and SUBDUE, to CONQUER and RULE, an imperial race. We have to do with a will which reigns throughout the world, as the will of old Rome reigned once. We have to BEND or BREAK that will which nations and kingdoms have found invincible and inflexible. Were heresy conquered in England, it would be conquered throughout the world. All its lines meet here, and therefore in England the Church of God must be gathered in its strength.

That invincible will came from a belief in an invincible Book.

The Roman Catholic F. W. Faber¹⁴⁹, wrote this:

Who will not say that the uncommon beauty and marvellous English of the Protestant Bible is not one of the great strongholds of heresy in this country? It lives on the ear like music that can never be forgotten, like the sound of church bells. Its felicities often seem to be things rather than words. It is part of the national mind, and the anchor of national seriousness.

The English Protestant Bible thus became the focal point of the Romanist assault.

In 1881, two Cambridge academics, B. F. Westcott and F. J. A. Hort, succeeded in displacing the AV1611 as the English Bible in the Church of England by means of their own Revised Version, RV, which is the first of today's modern translations. The RV was based on the same corrupt Greek manuscripts as the Roman Catholic bibles, such as the Latin Vulgate and the Jesuit Douay Rheims. Dr Gipp writes¹⁵⁰:

It can be safely said that if Westcott and Hort were not two Jesuit priests acting on secret orders from the Vatican, that two Jesuit priests acting under such orders could not have done a better job of overthrowing the authority of God's true Bible and establishing the pro-Roman Catholic text of Alexandria, Egypt!

The Bible's condemnation of Westcott and Hort rings down the centuries.

"For ye have perverted the words of the living God, of the Lord of hosts our God" Jeremiah 23:36.

Now the word of God is settled in Heaven, Psalm 119:89. It is kept pure on earth as the AV1611, Psalm 12:6, 7. We are forbidden to make any likeness of anything that is in Heaven above, or in the earth beneath, Exodus 20:4. We are forbidden to make counterfeit bibles, including the 'DIY' version so often used in pulpits today, *"The Greek REALLY says, etc."* That is a sin against God.

Westcott was one of the bishops of Durham¹⁵¹. He is listed in the cathedral. But by their deception, Westcott and Hort struck at the heart of the British nation. What is the result?

Rev M. J. Roberts was editor of *The Banner of Truth Magazine*. He said in 1994¹⁵².

The Bible is a lost book in Britain today. It has little influence on national life any more... We have to admit that we are not seeing souls converted in great numbers. It does not matter where you go. Go to Wales, to Scotland, or to England here. Few are being converted in these days. Where are the days when the Bible was being blessed to the conversion of thousands and ten thousands?... The problem is here. This book is not being read so as to bring light to bear upon men's lives. Therefore the tragedy is that men are not being converted to Christ. Could any curse in this life be greater? Could any judgment be more awful than this?

God's judgement continues. For example, consider Hitler and the EU as part of Vatican strategy against Britain. Let us take a closer look.

Hitler and the Vatican

Hitler's Reich was really the previous European Union. Ashley Mote writes¹⁵³:

By 1937...Hitler developed the idea of establishing regions of Europe as a means of destroying national identities. Hitler's concept of "divide and rule" was intended to smash each defeated nation into several little regions to be ruled from Berlin. It has since served as the model for the EU's regional policy, which aims to turn the UK into 12 regions, all ruled from Brussels. At least officially Britain is no longer ruled by Brussels¹⁵⁴.

That is just as well because Hitler's strategy was Vatican strategy. Ashley Mote writes¹⁵⁵:

...the Pope concluded a treaty of friendship and mutual support (a concordat) with both Continental dictators – Hitler in Nazi Germany and Mussolini in Italy. The Vatican had no such concordats with the allies. Eugenio Pacelli was enthroned as Pius XII just before the Second World War, throughout which those concordats remained in full force.

And by various covert political means, the Vatican still works for global domination:

"And the woman which thou sawest is that great city, which reigneth over the kings of the earth"
Revelation 17:18.

The Vatican, the EU, the British Media and Benedict XVI

Ashley Mote writes:

Catholicism is not comfortable with Protestantism, despite its lip-service to the ecumenical movement... there are now moves to destroy the Protestant hold on Britain. The Vatican has every reason to support the EU's plans to "unite" Europe... the proposal to lift the ban on Catholics on or next to the throne of England...is yet another step towards losing our sovereignty and becoming submerged in the Catholic Europe of the EU. British – and Protestant - rights and freedoms are...at risk...

They continue to be. Brexit notwithstanding, the Vatican-inspired EU continues to interfere with UK affairs¹⁵⁶ and the Vatican continues to work through the media. She has controlled the BBC since before the war and thus forestalled a warning to Britain about World War 2.

Albert Close was a Protestant Christian historian. He revealed that when Oxford Don, Mr R. H. Crossman, was investigating the pre-war Hitlerian blood purges, he was told repeatedly, *"The pope was behind all the trouble"*¹⁵⁷.

Mr Crossman attempted to broadcast this from Berlin in July 1934, via the BBC. The broadcast was suddenly cut off when he mentioned the pope. No explanation was ever given. The then BBC Chairman, Lord Reith, was part of the cover-up.

That BBC cover-up helped bring about World War 2. That war resulted in 70-85,000,000 dead, including 547,000 deaths from Britain and the remaining Old Dominions; Canada, Australia, New Zealand¹⁵⁸.

Yet BBC still portrays the pope as a man of God, not the antichrist. We need another Archbishop Cranmer, Britain's first Archbishop of Canterbury, whom Rome burnt at the stake in March 1556¹⁵⁹ and who declared:

"As for the Pope, I refuse him, as Christ's enemy and anti-christ, with all his false doctrine."

By contrast, the BBC¹⁶⁰, along with national leaders, the constitutional outrage notwithstanding¹⁶¹, see **Bill of Rights, 1689 and Dr H. Grattan Guinness on Rome**, on the whole gave Benedict XVI a good press for his 2010 visit to Britain and compared him favourably with John Paul II in his 1982 visit, if as a more subdued but nevertheless successful papal ambassador. Such protests as the BBC reported arose mainly from unsaved secularists, though at least the atrocity of ***Clerical sex abuse victims*** was reported.

That report notwithstanding, prominent national figures agreed with the visit as this site¹⁶² declares:

Pope Benedict XVI visited England and Scotland on a four-day Papal visit from 16-19 September 2010. The Holy Father flew firstly to Scotland where he was received by Her Majesty The Queen. Later he celebrated a public Mass at Bellahouston Park in Glasgow. In England, amongst other things, His Holiness made a speech to British civil society at Westminster Hall, met with the leaders of other Christian traditions, took part in a service of Evening Prayer with the Archbishop of Canterbury, led a prayer vigil, met with leaders and people of other faiths and beatified the nineteenth century theologian and educationalist Blessed John Henry Newman. On this website you can re-live Pope Benedict XVI's historic visit to the UK.

See again **2 Disarmament of Church and Nation** and **4 The Advance of Rome and Her Allies** on Newman.

Despite the welcome with which Britain's national leaders and many of Her Majesty's subjects greeted the papal visits, what did the Vatican EU really mean for Britain? Christian author Adrian Hilton answers that question^{163, 164}, Mr Atkinson's emphases in the second citation:

Members of Parliament have given away to Brussels what was never theirs to part with...

The Maastricht Treaty confirms European bureaucratic supremacy over more than 70 policy areas, including taxation, monetary policy, education, immigration, judicial policy, health and safety, industrial policy, competition, regional policies, overseas aid, energy, and consumer affairs. It further commits the UK to the first two stages of monetary union. It does not take much to see that there is little else for the British Parliament to legislate on.

Members of Parliament have given away to Brussels what was never theirs to part with...

*Rodney Atkinson¹⁶⁵, the leader of the Campaign for UK Conservatism, highlighted the means by which European treaties have dispensed with national laws. He wrote: 'European legislation has been swept through the British Parliament on a tide of ignorance and intimidation of MPs, and was based on two unprecedented constitutional procedures: firstly, the use of international treaties to negotiate the **internal** constitution of the United Kingdom; secondly, the general transfer by our Parliament of powers to the European Community which then legislates specifically within the United Kingdom by directive and regulation, **which the British Parliament is powerless to resist**. The transfer of general powers to the State to act without the sanction of Parliament is precisely how Adolf Hitler gained such absolute power through his emergency laws.'*

Vatican-EU inroads into the UK, backed up by the pope, are of particular concern to the British Crown and Constitution.

The Vatican EU and the British Crown and Constitution

Adrian Hilton¹⁶⁶ writes concerning the sinister implication of British membership of the Vatican EU for both the British Crown and Constitution. See again **4 The Advance of Rome and Her Allies**:

In 1953, the Queen swore an oath at her Coronation 'to govern the peoples of the United Kingdom according to their laws and customs' and 'to maintain the Protestant reformed religion established by law.' Both of these are negated by the process of deeper European integration. In a continent in which 61 million claim a Protestant heritage and 199 million profess to be Roman Catholics, it is simply not possible to maintain Protestantism by democratic law...

One of the most significant treasonable aspects of the treaties of Rome and Maastricht concerns the constitutional position of the Monarch. During her reign, Queen Elizabeth I stated: 'To no power whatsoever is my crown subject save to that of Christ the King of kings.' Section Three of the Treason Felony Act of 1848 asserts that condemnation is incurred 'If any person whatsoever shall within the United Kingdom or without, compass, imagine, invent, devise or intend to deprive or depose our most gracious Lady the Queen...from the style, honour, or royal name of the imperial crown of the United Kingdom.' The punishment for convicted offenders is life imprisonment, yet not a finger has

been lifted against the Privy Counsellor, Douglas Hurd, who signed the treaty which, at a stroke, made the Queen subject to the European Union and a citizen of that Union...

The four great constitutional statutes for British citizens – the Magna Carta of Edward I¹⁶⁷ (1215), the Petition of Right (1627), the Bill of Rights (1689) and the Act of Settlement (1701) – have never been expressly repealed, though successive European treaties imply their repeal... It is a very ominous dilemma, for the implications of the constitutional change have not yet become an issue of wide debate and there is a high level of ignorance, if not apathy, towards the whole subject...

The Vatican would no doubt have greatly rejoiced at this very ominous dilemma, as Adrian Hilton incisively observed¹⁶⁸. See again **4 The Advance of Rome and Her Allies**.

All the direct military assaults on Britain from the Spanish Armada to World War II were manifest failures, but the modern tactics of encirclement and erosion are bearing fruit.

The Catholic Herald newspaper stated: ‘The days of the Anglican Church are numbered, and most of its worshippers will return to the true faith of their distant medieval forbears’...

Concerning Adrian Hilton, both Rome and his own party, the Conservative Party, weighed in against him¹⁶⁹.

A Tory candidate who believes the EU is a Catholic plot to impose Vatican sovereignty over Britain was today accused by the Catholic church of preaching a conspiracy theory traditionally associated with the far right.

“His outspoken views prompted the spokesman for Cardinal Cormac Murphy-O'Connor, the leader of the Catholic church in England and Wales, to accuse him of deploying “the sort of argument that tends to be made by extreme Protestants or radical nationalists”.

“These views are bizarrely a-historical and fundamentally erroneous, and an unfair depiction of the Catholic view of Europe,” the spokesman said.

He added that Mr Hilton’s article “assumes England did not exist as a nation before the Reformation, and has taken a few bizarre ideas and turned it into a conspiracy theory”.

Defending his views, Mr Hilton insisted that “a Protestant view of history is every bit as valid as the Cardinal Archbishop’s”, and said making “an assertion of the law cannot be bigotry or conspiracy theory”.

“It is unfortunate that, in this day and age, if one expresses an Islamic perspective it has to be accepted, if one expresses a Roman Catholic perspective it has to be accepted - and yet an assertion of the constitutional position of her majesty the Queen and parliament with regards to Protestantism is greeted with derision.”

Note that Mr Hilton was never sued for his remarks. Instead, he was ousted from his candidature¹⁷⁰.

The image of Mr Howard as a dictator was strengthened yesterday when he sacked the second Tory candidate selected to stand in Slough, closed down the local Tory association and imposed Sheila Gunn, the former press aide to John Major, as the candidate.

Adrian Hilton, who was to have contested Labour-held Slough at the coming election, said ordinary Conservative members were being treated with “contempt” by central office. He would pursue the matter “in law” because “natural justice” had not been done.

Mr Hilton was dumped two weeks ago after writing an article in the Spectator suggesting that the European Union was part of a “papist plot”.

John Gummer, the former minister who is on the board of the Catholic Herald, drew the article to the attention of Tory central office, and Mr Hilton was ousted for bringing “the party into disrepute”...

Yesterday on BBC Radio 4's The World At One programme, Mr Hilton said that to be "fundamentally democratic", grassroots Tories had to have a say on policy and who stood as a candidate.

"These developments are causing me grave concern. There are people at central office behaving like little dictators and, seemingly, people who are ordinary members are being treated with contempt."

It appears that Mr Hilton was never reinstated in his candidature and has since pursued a teaching career in secondary and university education¹⁷¹.

Remember that Catholics must obey the pope rather than the Queen or Parliament or indeed any non-Catholic leader¹⁷². Catholics themselves confirmed Hilton's observation. This citation is a disclosure by the *Waterford Mail* of a Catholic declaration on governance.

ATROCIOUS INSULT TO THE QUEEN¹⁷³

When the Pope and the Queen are placed in antagonism to each other as has been done lately and it is intimated that Her Majesty would not accept a divided allegiance we are compelled to say plainly which allegiance we consider the most important, and we would not hesitate to tell the Queen to her face that she must either be content with this divided allegiance or none at all. Let us never forget that whatever her boasted authority may be it is as nothing and less than nothing compared to that of the Vicar of Christ.

This citation is from the Catholic newspaper *Tablet*.

*The law of God, that is, the Pope's command, will be, or rather has been, and is being, carried into effect; the Parliamentary lie will be spit upon, and trampled under foot, and treated as all honest men treat a lie - that is — rigorously disobeyed*¹⁷⁴.

No wonder Article XXXVII of the Church of England¹⁷⁵ stipulates *The Bishop of Rome hath no jurisdiction in this realm of England.*

Rome concerning Britain and the Old Dominions will never obey Romans 13:1-2 ***"Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God. Whosoever therefore resisteth the power, resisteth the ordinance of God: and they that resist shall receive to themselves damnation"*** and she will incur damnation at the Second Advent:

"Therefore shall her plagues come in one day, death, and mourning, and famine; and she shall be utterly burned with fire: for strong is the Lord God who judgeth her" Revelation 18:8.

Brexit Deliverance

Since this work was first written, Rome's intended subjugation of Britain via the EU has suffered a major setback, namely Brexit, after the manner of Ezra 9:8 ***"And now for a little space grace hath been shewed from the LORD our God, to leave us a remnant to escape, and to give us a nail in his holy place, that our God may lighten our eyes, and give us a little reviving in our bondage."***

This extract from **Britain and Brexit** replaces *An update on the EU and Nazis, the EU and Islam* included in this work when first written, with Islam as indicated being addressed by the study **The KJB King James Bible, Britain and Islam**, with some additions.

Certain sinister developments for Britain remain post-Brexit, to be addressed via ***Worst of the Hea-then*** Ezekiel 7:24 with an update¹⁷⁶.

Britain and Brexit¹⁷⁷

Introduction

The nation of Britain has voted by a narrow margin to leave the EU European Union¹⁷⁸. Brexit, Britain Exit the European Union, has won.

*EU Truth*¹⁷⁹ reveals the EU's *material* evil and the way forward as this extract shows.

Fire any bureaucrats who have been corrupted by the EU dictatorship.

Abolish the EU's 8,500 quangos in England, saving £210 billion year.

Abolish the EU's 150,000 regulations, designed to abolish 150,000 freedoms, saving £100 billion a year.

Abolish VAT, the most expensive tax to collect in history. Cost: £90 billion

Cut government employees from 13 million to 9 million. Saving £360 billion

Get control of our 200 mile fishing limits again.

Abolish the EU's quota system on fishing; it wastes 90% of our catch. Only restrict by mesh sizes.

Finance and restart the British fishing industry worth £40 Billion a year; all those waters are ours.

Restart the profitable British Space programme, cancelled by paedophile Edward Heath on EU orders.

*Rapture Ready*¹⁸⁰ reveals the EU's *spiritual* evil as the kingdom of the beast as this introductory extract shows.

The European Union is rapidly fulfilling prophecy in becoming the prophesied revived Roman Empire, the final worldly kingdom of human history. According to prophecy, this kingdom will give rise to an ecumenical and apostate religion, a global government, and a global economy. Out of this kingdom will arise the most evil dictator ever known to man - the Antichrist.

“And the ten horns which thou sawest are ten kings, which have received no kingdom as yet; but receive power as kings one hour with the beast. These have one mind, and shall give their power and strength unto the beast.” **Revelation 17:12-13**

The Brexit victory of June 23rd-24th 2016 has delivered Britain from the twin material and spiritual evils of the EU in fulfillment of Psalm 124:7 **“Our soul is escaped as a bird out of the snare of the fowlers: the snare is broken, and we are escaped.”** That deliverance is of the Lord's mercy.

“It is of the LORD'S mercies that we are not consumed, because his compassions fail not. They are new every morning: great is thy faithfulness” Lamentations 3:22-23.

This work aims to highlight that deliverance in Constitutional and further Biblical context.

Constitutional Reality

Brexit has been in accord with the reality of the *written* British Constitutional documents. These include the terms and conditions of the Coronation Oath, the Oath itself making Britain's EU membership illegal. See attached study ***“The Royal Law”*** James 2:8.

This writer compiled a study entitled *Biblical Bulwarks* 2001¹⁸¹, updated 2014 that addresses the Constitutional *illegality* of Britain's EU membership. An e-PDF copy is available on request. Note these extracts pp 11, 13-14 showing that Britain's written Constitution also includes Magna Carta 1215.

Ashley Mote...summarises the significance of Magna Carta for Britons today.

We argue that the United Kingdom's membership of the European Union is null and void, that it can be and should be so declared, and that all consequential laws, regulations, directives and judicial decisions fall with such a declaration.

Our justification for such awesome statements starts with Magna Carta, 1215, which gave sovereign recognition to already longstanding Anglo-Saxon common law, rights and customs. Some 150 years

earlier William the Conqueror had made the first attempts to codify those rights and customs, which ultimately go back to the time of King Alfred and beyond...

Magna Carta is a treaty, not an Act of Parliament. As we understand it, Magna Carta, like all treaties, cannot be repealed. Magna Carta is an affirmation of common law based on principles of natural justice. These principles of natural justice - and the document itself - pre-date Parliament. To summarise our understanding of these principles and customs:

- ❖ Common law is the will and custom of the people.
- ❖ Statute law is the will of Parliament. Statute can and does give expression to common law, but that common law cannot be disregarded by Parliament, nor can it be repealed...
- ❖ Parliament is made by the law, and is not above it.
- ❖ No Parliament can bind its successors.
- ❖ Parliament is answerable to the people, is elected by the people to protect their interests for a maximum of five years, after which time this power is returned to the people who may grant it to another Parliament for a further five years - and so on ad infinitum. (This is the sovereignty of the people established over Parliament.)
- ❖ No Briton, including members of the police and armed forces, is above the law. We are all subjects of the crown first¹⁸²...
- ❖ We contend that the U.K.'s membership of the European Union is illegal, and always has been. We believe the signatories to all the treaties - Rome, Maastricht and Amsterdam [and Lisbon] - exceeded their powers, and that, as subjects of the Crown, we have absolute right of redress..."

Brexit has opened the way for that redress. It will depend on God's mercy and judgement.

God's Mercy and Judgement

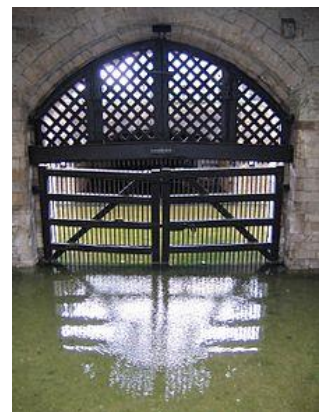

The British nation will face the judgement of God according to Ezekiel 39:6 **"And I will send a fire on Magog, and among them that dwell carelessly in the isles; and they shall know that I am the LORD."** However, Brexit and God's mercy imply that Britain will not suffer Revelation 16:10-11 **"And the fifth angel poured out his vial upon the seat of the beast; and his kingdom was full of darkness; and they gnawed their tongues for pain, And blasphemed the God of heaven because of their pains and their sores, and repented not of their deeds."**

God's mercy can enhance Brexit but God's particular judgement will fall on Brexit opponents at the Second Advent. See Psalm 63:11 **"But the king shall rejoice in God; every one that sweareth by him shall glory: but the mouth of them that speak lies shall be stopped"** pictured as follows.

Traitors Gate¹⁸³

The infamous entrance to the Tower of London, Traitors Gate, is the water-gate entrance to the Tower of London complex and forms part of St. Thomas' Tower...it acquired its current name of Traitors Gate due to the number of prisoners, accused of treason, who have passed through it.

Those who oppose Brexit are guilty of treason. See again the attached study **"The Royal Law"** James 2:8 and **Constitutional Reality** above. See also the comprehensive study **BRITAIN IS NOT PART OF THE EU, AT LAW** by Michael Clark. A copy is available on request. The Lord Jesus Christ will **"judge righteous judgment"** John 7:24 on the anti-Brexit traitors at the Second Advent. **"Let this be the reward of mine adversaries from the LORD, and of them that speak evil against my soul"** Psalm 109:20.

The Way Ahead

It is to be hoped and prayed that in the coming days Britain sees the fulfilment of Proverbs 4:18 **"But the path of the just is as the shining light, that shineth more and more unto the perfect day."**

Worst of the Heathen Ezekiel 7:24

This part of the study has been rewritten to provide more up to date and/or more readily accessible data. **the worst of the heathen** Ezekiel 7:24 may be grouped as follows.

Papal Intruders

See **4 The Advance of Rome and Her Allies** and Britain in Sin data.

UK data show that serious crime e.g. homicide continues to increase as a proportion of population¹⁸⁴. See **Homicides England and Wales 1969-2020** for a UK summary. For the inevitable cynic who scoffs, 'It could be worse,' *how much worse do you want it to get?*

Moreover, statistician Tony Shell reveals a distinct racial imbalances concerning the committal of homicides on a proportion basis.

In addition, the unrestricted influx of illegal immigrants puts this nation at serious risk from **"diseases of Egypt"** Deuteronomy 7:15, 28:60.

Ethnicity and The Experience of Crime in England and Wales

by:

Tony Shell

Summary of Findings

That a detailed analysis of official crime data shows:

- In the types of major criminal activities investigated (violence against the person; sexual offences, robbery, drugs offences, burglary), the white community is significantly more law abiding than the ethnic minority (BME) community.
- The white community suffers disproportionately, and to very considerable extent, from racially motivated (or racially aggravated) crime.
- The white community experiences approximately 30 times more victims of interracial murder than should be expected, when compared to that experienced by the BME communities.
- The white community experiences between 60 to 90 times more victims of racist murder than should be expected, when compared to that experienced by the BME communities.
- The Home Office, The Crown Prosecution Service and the Commission For Racial Equality present a totally misleading analysis of racist crime – and in a manner that presents a picture entirely at variance with the truth.
- Some of the leading NGOs, charities and political pressure groups present a picture of racist crime as entirely, or predominantly, of being perpetrated by members of the white community – that racist crime is 'typically' a crime committed by white people. Again, this is contrary to the truth.

This study has been prepared under the auspices of DarkLake Synectics* – an independent, non-political research organisation. This organisation has a particular interest in the development of social systems: of structures of complex social groups; emergent organisational behaviour (culture); co-evolutionary 'niche' development; cultural kinetics; social stability and of ethnic and cultural identity. The research concentrates on obtaining an understanding of the development and behaviours of highly complex social, economic and cultural groups.

* sin-ek'tiks, n. the study of processes leading to invention, with the end aim of solving practical problems, esp. by a synectics group, a miscellaneous group of people of imagination and ability but varied interests. [Chambers Twentieth Century Dictionary]

“diseases of Egypt” Deuteronomy 7:15, 28:60¹⁸⁶

Communicable ***“diseases of Egypt”*** Deuteronomy 7:15, 28:60 could quickly spread far and wide via mobile *End Times* populations when ***“even to the time of the end: many shall run to and fro”*** Daniel 12:4.

The current migration¹⁸⁷ from North Africa to Southern Europe is an example of what is to come. What communicable ***“diseases of Egypt”*** Egypt geographically being in North Africa do these migrants carry with them? No-one seems to know in full.

Note therefore in particular that hundreds of thousands of immigrants¹⁸⁸ have entered Britain in recent years. What communicable ***“diseases of Egypt”*** do these migrants carry with them? No-one seems to know in full. However, whatever ***“diseases of Egypt”*** these immigrants do carry with them and are incubating are no doubt ready to burst forth and be rife during ***“the time of the end”*** Daniel 8:17, 11:35, 40, 12:4, 9 corresponding to ***“Jacob’s trouble”*** Jeremiah 30:7 in the wake of armed conflict, Revelation 6:4, and famine in the West, Zechariah 6:6-8, Revelation 6:5-6, after manner of 2 Kings 6:25 ***“And there was a great famine in Samaria: and, behold, they besieged it, until an ass’s head was sold for four-score pieces of silver, and the fourth part of a cab of dove’s dung for five pieces of silver.”***

The Lord’s warning on those diseases reveals a *speckled* condition, see remarks on Zechariah 1:8, 6:3, Leviticus 13:24-25, Revelation 6:8, 16:2 and the graphic for the *speckled white and red* and *pale gray* horse.

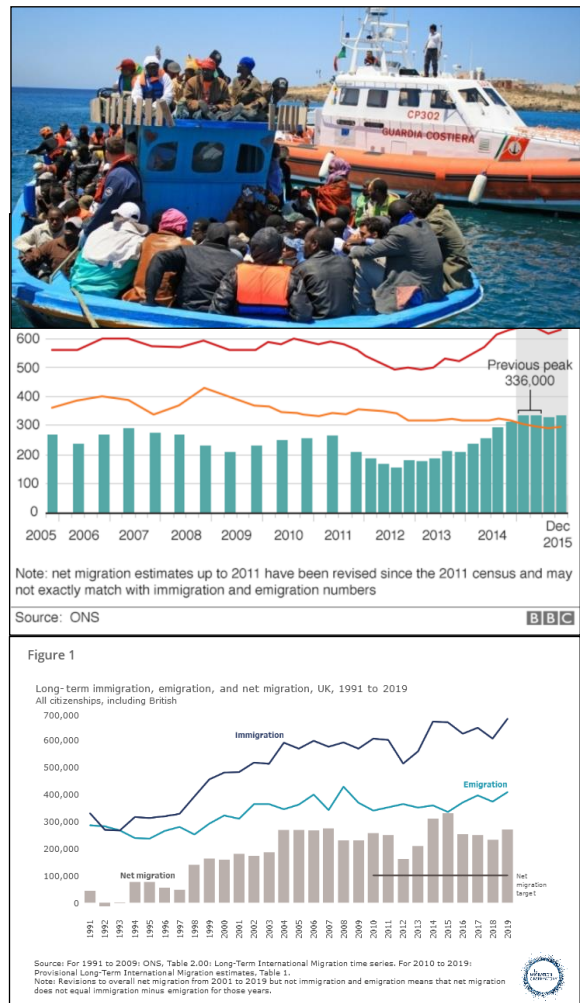

The Lord’s warning to apostate Israel on these diseases is as follows.

“The LORD will smite thee with the botch of Egypt...Moreover he will bring upon thee all the diseases of Egypt, which thou wast afraid of; and they shall cleave unto thee” Deuteronomy 28:27, 60. ***“the time of the end”*** Daniel 8:17, 11:35, 40, 12:4, 9 result is the wider, indeed worldwide judgement of Revelation 16:2. ***“And the first went, and poured out his vial upon the earth; and there fell a noisome and grievous sore upon the men which had the mark of the beast, and upon them which worshipped his image”*** Revelation 16:2 and context.

As indicated earlier, relief from that sore would require *post-Rapture End Times* not Church Age water baptism administered by ***“the rulers of the synagogue...the chief ruler of the synagogue”*** Acts 13:15, 18:8, 17 of 1 Peter 3:21 where baptism is both ***“the putting away of the filth of the flesh...the answer of a good conscience toward God.”***

Though doctrinally part of ***“the everlasting gospel”*** Revelation 14:6 as distinct from ***“the gospel of the grace of God”*** Acts 20:24, Revelation 14:7 therefore makes good *practical* sense even now. ***“...Fear God, and give glory to him; for the hour of his judgment is come: and worship him that made heaven, and earth, and the sea, and the fountains of waters.”***

As Paul warns ***“This know also, that in the last days perilous times shall come”*** 2 Timothy 3:1, even instigated by the proper authorities:

Police Persecute Christians

An Historic Case

In October 2001, 69-year old Mr Harry Hammond, a Bournemouth pensioner was arrested and fined almost £700 for publicly witnessing against sodomy¹⁸⁹. A gang of sodomites assaulted Mr Hammond but the arresting officers ignored that. The officer in charge, PC Nicola Gandy, claimed that Mr Hammond was inciting to violence and that *'I don't think he is a very good representative of the Christian faith.'*

Mr Hammond subsequently passed away. An impeccable source stated in March 2015 that Mr Hammond was actually John Hammond and it had emerged that PC Gandy was herself a female sodomite. PC Gandy received so many death threats via social media that she emigrated to Australia.

The social media outburst cannot be condoned but the aftermath of Mr Hammond's case is a reminder of Galatians 6:7 **Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.**

Contemporary Cases

Cases where the police have intervened unfavourably towards Christian preachers engaged in open-air witness continue to the present¹⁹⁰. This writer in fairness should add that local police officers have never done so when he has been helping with open-air witness locally. The following items from The Christian Institute reveal mixed outcomes, not without encouragement but the need for vigilance with respect to upholding the legal entitlement for open-air witness is ongoing.

Case 1 – 25 July 2018 Street preacher arrested outside St Paul's Cathedral

A street preacher has been arrested outside St Paul's Cathedral after cathedral staff complained about him reading from the Bible.

Allan Coote, a bus driver from east London, was arrested for a breach of the peace when he said he would continue to lawfully read Scripture.

The evangelist said that no passers-by had ever complained.

No complaints

Video footage from a separate occasion shows a police officer telling St Paul's staff that Mr Coote was not breaching the peace.

The officer adds, "it would be remiss of me to move him on in a place of worship".

Mr Coote has accepted that he has a "natural, booming" voice.

"I think the Lord has gifted me that voice so I should go out to read the Bible publicly. I started at St Paul's because it is a public venue where many nations converge."

The law

St Paul's said it would allow Mr Coote to read from the Bible for 30 minutes per week – it has a policy of 'limited disturbance'.

Colin Hart, Director of The Christian Institute, said: "We don't know anything about the circumstances of this case other than what has been reported in The Times."

“However, we do know that wrongful arrests can be made, even though there are good laws which have protected street preachers time after time.

“When we have defended street preachers we have always won. This indicates how strong the laws are in this country. But even good laws can be misapplied” ...

Case 2 – 11 June 2019 Police uphold free speech for street preachers

Bath city centre

Christian street preachers are benefitting from an intervention by The Christian Institute.

Last June, Avon and Somerset Police wrongly issued a dispersal order to Dale McAlpine and a group of fellow street preachers, threatening them with arrest for preaching in Bath during their annual tour.

But following assistance at that time from The Christian Institute, police forces are now

showing a better understanding of free speech and the rights of street preachers to proclaim the Gospel.

Freedom of expression

Avon and Somerset Police issued an apology to McAlpine in October, and promised to ensure all staff “understand the importance of freedom of expression”.

Sergeant Jonathan Raisey admitted that it had not been appropriate to issue a dispersal notice, adding that “officers should have acted differently”, and that freedom of speech is “an essential part of a democratic society”.

McAlpine and his fellow street preachers have since conducted this year’s tour without police intervention.

The first three days of open air preaching passed without incident, and the preacher noted such a spell without contact from the police was “very unusual”.

‘Very angry individuals’

Even when the police did make an appearance in Lincoln, their contact was minimal, with McAlpine commenting that “they spoke to us and listened for a while, left, and we never saw them again”.

He reported that the next day in Bath, a large crowd gathered and there was “opposition from some very angry individuals”.

However, rather than a repeat of last year’s difficulties, the police respected the street preachers’ freedom of expression.

McAlpine said: “The police arrived and asked us if we were having any difficulty and if so we were to give them a shout” ...

Case 3 - 10 September 2020 *Pastor warned by police not to share Bible's position on homosexuality*
Pastor Josh Williamson

A pastor in Cornwall has been advised by the police not to offend LGBT people after he celebrated the cancellation of a gay pride event on Facebook.

When Cornwall Pride announced its annual march would not go ahead this year following concerns about social distancing, Pastor Josh Williamson of Newquay Baptist Church called it "Wonderful news".

When challenged, he said it was because he did not like to see sin celebrated, and quoted from the Bible to support his position.

Threats

Posting on his own Facebook account the pastor also wrote: "Hallelujah!! We prayed at our prayer meeting on Tuesday night that this event would be cancelled. We also prayed that the Lord would save the organisers. One prayer answered, now we wait for the second prayer to be answered."

Cornwall Pride responded by sharing this with its supporters, as well as negative comments about Pride made by people who do not appear to be connected to the church, leading to threats against Williamson and his wife.

Christian Concern, which is supporting Williamson, said that LGBT activists threatened to protest his Sunday services, and to get the pastor deported to his native Australia.

It said Cornwall Pride also encouraged its supporters to report Williamson to the police for a 'hate crime'.

Avoid offence

Following this, the pastor was invited to meet with members of Cornwall Pride to talk about his views. Williamson attended and handed out copies of a tract debunking arguments commonly used to argue for LGBT affirmation in the church.

This was shared widely online and culminated in activists threatening to burn the church or hold orgies in it.

When Williamson reported the threats to Devon and Cornwall Police, he was told the situation was "complex" and that they did not think the threats were serious.

Instead it told him that in future he should avoid offending anyone in the LGBT community to ensure he did not break the law, and instead keep his views in a "safe environment".

Anti-Christian abuse

Pastor Williamson said: "My family and I, and our church community, have been very concerned by the level of anti-Christian abuse and threats of violence that we have been targeted with over the past few weeks..."

"The police have not formally spoken to me about any hate crime or sought a witness statement to look at the various online comments which have included threats to burn down our church..."

Case 4 – 2 December 2020 *COVID-19: Police apologise for storming church during service broadcast*

Revd Daniel Mateola

Police have apologised to a church pastor after bursting in on his service broadcast and incorrectly telling him that he was breaking coronavirus regulations.

On 20 November, two officers interrupted Revd Daniel Mateola's service in Milton Keynes, claiming there were too many people supporting the broadcast and that they must leave.

Guidelines during the second lockdown state that those "essential for the content of the service, and for technical support", are allowed to be present and social distancing guidelines should be followed.

Prosecution threat

Revd Mateola referred the two officers to the Government guidelines to show he was complying, but more officers were called in and the service was eventually halted.

Police visited him at his house four days later to inform him that he would be prosecuted for breaking COVID-19 regulations.

Thames Valley Police have since apologised and said he would not face prosecution. Chief Superintendent Robert France said there had been a "misunderstanding" by officers.

In a statement, Revd Mateola said that while he had been "treated like a criminal", he was "relieved" to receive an apology from the police...

Case 5 - 7 May 2021 *Pastor: 'Police elevating LGBT rights above others'*

A church minister who witnessed the unfair arrest of a street preacher has accused the Metropolitan police of putting the rights of LGBT people above those of other protected characteristics.

While sharing the Gospel outside Uxbridge station, Free Methodist minister Peter Simpson and fellow pastor John Sherwood were instructed by police officers to stop preaching as they had received complaints that what they were saying was 'homophobic'. Mr

Sherwood, who had preached from Genesis 1 about the creation of families with both a father and mother, was forcibly removed from the platform he was standing on and was taken away in handcuffs, although he was later released without charge...

Case 6 – 25 June 2021 *CI-backed Christian street preacher wins wrongful arrest case*

David McConnell

A Christian street preacher has won damages after he was wrongfully arrested and falsely imprisoned for preaching the Gospel.

David McConnell had been preaching in Huddersfield town centre in December 2019 when he was arrested for “a hate related public order offence”.

Mr McConnell, who was supported in his case by The Christian Institute, was kept in police custody for about six hours before be-

ing released without charge.

Custody

While Mr McConnell was preaching, some passers-by stopped to heckle him, asking him questions about sexuality and abortion – even though he had not been preaching on either subject.

But he was subsequently arrested and taken to Huddersfield police station without being told the offence he had allegedly committed, other than the suggestion it was for “a hate related public order offence” and “for preaching on gay rights and abortion”.

During his time in custody, one police sergeant listened to Mr McConnell’s recording of his preaching and concluded that no offence had been committed, so the preacher was released without charge.

Mr McConnell took legal action, and last month West Yorkshire Police admitted liability in court papers, agreeing to pay £3,250 in damages – plus his legal costs...

Policing Authority

Introduction - British Police Badge Designs - Significance¹⁹¹

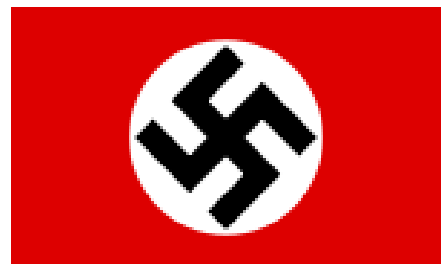

British police badges show the British Crown at the top with an empty cross above the crown. This design is typical for UK police forces past and present*. See figures above and these sites¹⁹². The design therefore has great significance, with respect to both what it is *not* and what it *is*. *The City of London Police are an exception, with an emblem displaying two dragons. See ***Appendix - City of London Police Emblem***.

Significance – What the Police Badge Design is NOT

It is not this¹⁹³:

It is not this¹⁹⁴:

It is not this¹⁹⁵:

It is not this¹⁹⁶:

It is not this¹⁹⁷:

Note that those last four emblems have one source¹⁹⁸.

It is not either of these¹⁹⁹:

Significance – What the Police Badge Design IS

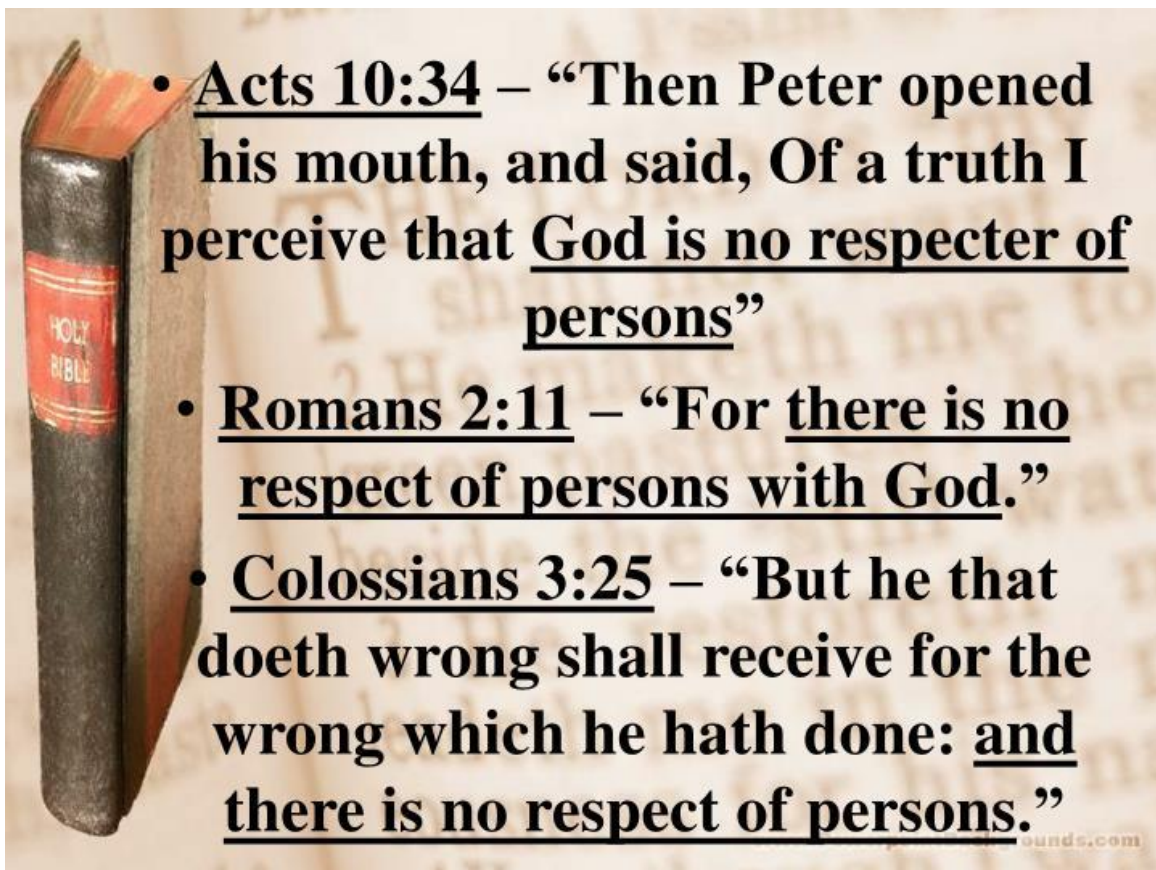

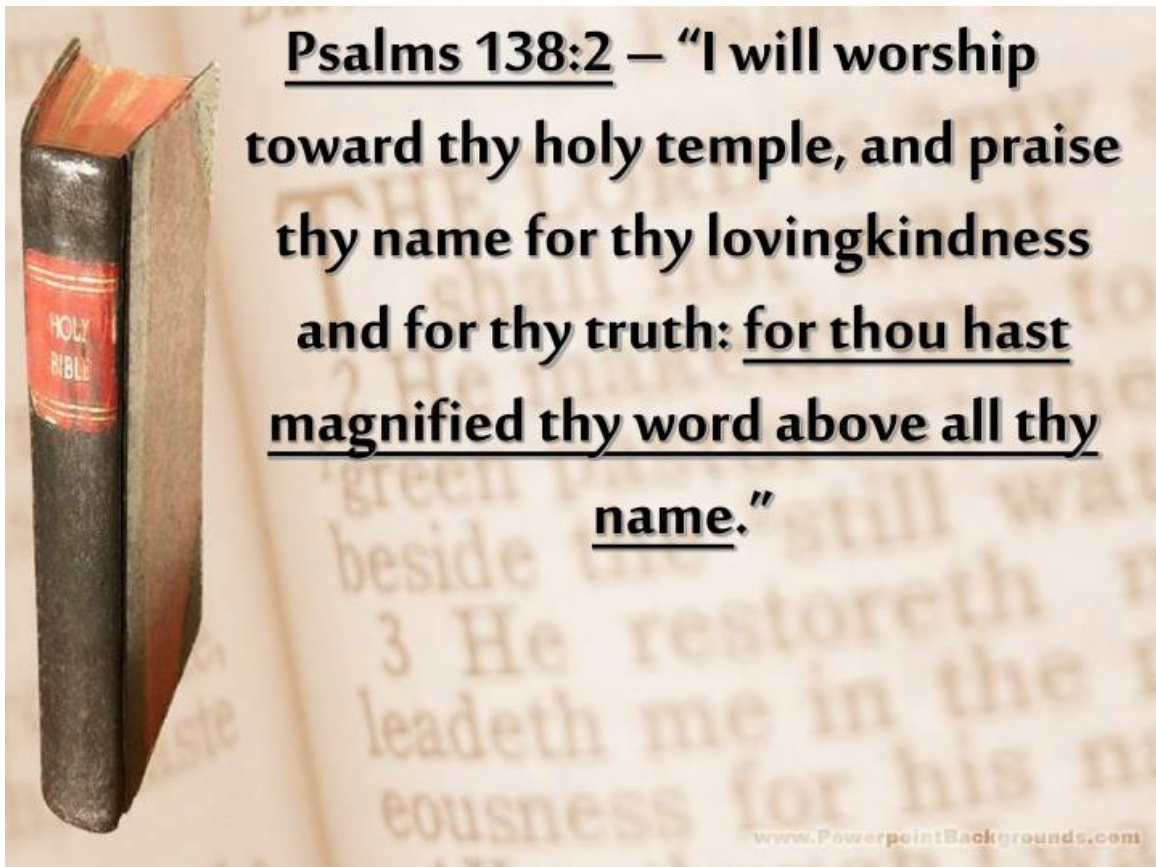

The British police badge design shows that all aspects of upholding law and order in the realm of the British Crown are subject to Him for Whom the Cross is empty: “...our Lord Jesus Christ...who is the blessed and only Potentate, the King of kings, and Lord of lords” 1 Timothy 6:14-15. However, the Lord Jesus Christ Himself has subjected *Himself* to “the scripture of truth” Daniel 10:21 “...for thou hast magnified thy word above all thy name” Psalm 138:2* and He *died* in obedience to it: “Thinkest thou that I cannot now pray to my Father, and he shall presently give me more than twelve legions of angels? But how then shall the scriptures be fulfilled, that thus it must be?” Matthew 26:53-54. *“thy word” is the scripture, “the Word” John 1:1, 14 is the Lord Jesus Christ.

The British Crown is itself therefore subject to “the scripture of truth” via The Coronation Oath²⁰⁰. The Oath is sealed with a copy of the King James Bible presented to the monarch with these words, spoken at Queen Elizabeth II’s coronation by the Moderator of the Church of Scotland. Her Majesty in response pledges allegiance to these words “*Our gracious Queen: to keep your Majesty ever mindful of the Law and the Gospel of God as the Rule for the whole life and government of Christian Princes, we present you with this Book, the most valuable thing that this world affords. Here is Wisdom [Revelation 13:18]; This is the royal Law [James 2:8]; These are the lively Oracles of God [Acts 7:38].*”

For law and order and indeed governance for Britain and the Old Dominions, they still are. “The counsel of the LORD standeth for ever, the thoughts of his heart to all generations” Psalm 33:11.

Conclusion²⁰¹

Note therefore, whether *with* law enforcement or *not* with law enforcement:

Appendix - City of London Police Emblem

The emblem on the City of London Police site is a double-dragon display with the Latin motto of London, “Domine dirige nos” (“O Lord, direct/guide us”)²⁰². However, the double-dragon display does prompt the question, Which Lord?

The London Metropolitan Police Badge logo is conventional²⁰³.

These studies reinforce the **Conclusion**:

The Lord's Reassurance

The Lord warned in Matthew 24:12 *“And because iniquity shall abound, the love of many shall wax cold”* that iniquity will abound. We may come under pressure like those Christian witnesses who have encountered Muslim opposition and/or police intervention.. We need to remember Mark 13:11. *“Whatsoever shall be given you in that hour, that speak ye: for it is not ye that speak, but the Holy Ghost.”* The Spirit of God will bring to mind the words of this Book, if you’ve kept them like the Lord said in John 14:23. *“If a man love me, he will keep my words.”*

And like the Lord exhorts us all in Isaiah 66:2.

“For all those things hath mine hand made, and all those things have been, saith the LORD: but to this man will I look, even to him that is poor and of a contrite spirit, and trembleth at my word.”

Queen Victoria understood that verse. She once said to an African chieftain, *“That Book AV1611 accounts for the supremacy of England.”*

Where do WE stand, with respect to this Book? It is our last, indeed only, line of defence. Are we as wise as Queen Victoria?

“That Book accounts for the supremacy of England” – Queen Victoria²⁰⁴

Bill of Rights, 1689 and Dr H. Grattan Guinness on Rome

With Popes John Paul II and Benedict XVI having been permitted to enter the UK, thereby invading our shores, on state visits, we should review briefly the Constitutional basis of the British nation with respect to Rome. The Bill of Rights 1689²⁰⁵ states:

The said lords spiritual and temporal, and commons, do further pray that it may be enacted, that all and every person and persons that is, are or shall be reconciled to, or shall hold communion with, the see or church of Rome, or shall profess the popish religion, or shall marry a papist, shall be excluded, and be for ever incapable to inherit, possess, or enjoy the crown and government of this realm, and Ireland, and the dominions belonging thereunto, or any part of the same, or to have, use, or exercise any regal power, authority, or jurisdiction within the same. In all and every such case or cases the people of these realms shall be, and are hereby absolved of their allegiance.

The Bill of Rights is still in force. Parliament does not have the authority to revoke it and our leaders have committed treason by inviting the pope here. The main thing is, though, to avoid any papal blessings²⁰⁶.

As a Christian witness with respect to Rome, I draw attention to what the great 19th century preacher Dr H. Grattan Guinness had to say about the Catholic Church Born in Dublin, Dr Grattan Guinness (1835-1910) was a great evangelist, author and Bible teacher, who spoke for the genuine believers of his time. The *Dublin Daily Express*²⁰⁷ said this of a service he held in 1858, aged 23. See:

An enormous crowd pressed for admittance. Judges, members of Parliament, orators, Fellows of College, lights of the various professions, the rank and fashion of the metropolis have been drawn out. Among them the Lord Lieutenant, the Lord Chancellor and the Lord Justice of Appeal, etc. Such a preacher is a great power, prepared and sent forth by God, and as such Mr. Guinness has been hailed by all denominations.

Dr Grattan Guinness had this to say about Rome²⁰⁸.

I see the great Apostasy, I see the desolation of Christendom, I see the smoking ruins, I see the reign of monsters; I see those vice-gods, that Gregory VII, that Innocent III, that Boniface VIII, that Alexander VI, that Gregory XIII, that Pius IX; I see their long succession, I hear their insufferable blasphemies, I see their abominable lives; I see them worshipped by blinded generations, bestowing hollow benedictions, bartering away worthless promises of heaven; I see their liveried slaves, their shaven priests, their celibate confessors; I see the infamous confessional, the ruined women, the murdered innocents; I hear the lying absolutions, the dying groans; I hear the cries of the victims; I hear the anathemas, the curses, the thunders of the interdicts; I see the racks, the dungeons, the stakes; I see that inhuman Inquisition, those fires of Smithfield, those butcheries of St. Bartholomew, that Spanish Armada, those unspeakable dragonnades, that endless train of wars, that dreadful multitude of massacres.

I see it all, and in the name of the ruin it has brought in the Church and in the world, in the name of the truth it has denied, the temple it has defiled, the God it has blasphemed, the souls it has destroyed; in the name of the millions it has deluded, the millions it has slaughtered, the millions it has damned; with holy confessors, with noble reformers, with innumerable martyrs, with the saints of ages, I denounce it as the masterpiece of Satan, as the body and soul and essence of antichrist."

"...what saith the scripture?" Romans 4:3, Galatians 4:30. **"And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration"** Revelation 17:5-6.

Thankfully **"strong is the Lord God who judgeth her"** Revelation 18:8. **"And after these things I heard a great voice of much people in heaven, saying, Alleluia; Salvation, and glory, and honour, and power, unto the Lord our God: For true and righteous are his judgments: for he hath judged**

the great whore, which did corrupt the earth with her fornication, and hath avenged the blood of his servants at her hand. And again they said, Alleluia. And her smoke rose up for ever and ever” Revelation 19:1-3. Amen!

Dr Grattan Guinness’ condemnation of Rome applies equally to Islam:

Islam

Claim: Winston Churchill²⁰⁹ wrote about the *dreadful curses of Mohammedanism* in his 1899 book *The River Wars*.

TRUE

How dreadful are the curses which Mohammedanism lays on its votaries! Besides the fanatical frenzy, which is as dangerous in a man as hydrophobia in a dog, there is this fearful fatalistic apathy. The effects are apparent in many countries, improvident habits, slovenly systems of agriculture, sluggish methods of commerce, and insecurity of property exist wherever the followers of the Prophet rule or live.

A degraded sensualism deprives this life of its grace and refinement, the next of its dignity and sanctity. The fact that in Mohammedan law every woman must belong to some man as his absolute property, either as a child, a wife, or a concubine, must delay the final extinction of slavery until the faith of Islam has ceased to be a great power among men.

Individual Muslims may show splendid qualities, but the influence of the religion paralyses the social development of those who follow it. No stronger retrograde force exists in the world. Far from being moribund, Mohammedanism is a militant and proselytizing faith. It has already spread throughout Central Africa, raising fearless warriors at every step; and were it not that Christianity is sheltered in the strong arms of science, the science against which it had vainly struggled²¹⁰, the civilization of modern Europe might fall, as fell the civilization of ancient Rome.

“The scripture of truth” Daniel 10:21 describes Islam, Romans 3:13-18:

“Their throat is an open sepulchre; with their tongues they have used deceit; the poison of asps is under their lips: - pretending to be peace-loving when small in number

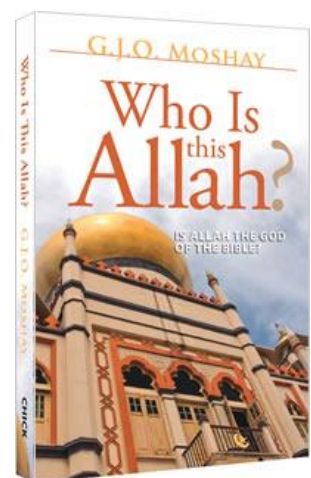

“Whose mouth is full of cursing and bitterness: - against non-Muslims

“Their feet are swift to shed blood: - jihad

“Destruction and misery are in their ways: - jihad

“And the way of peace have they not known: - Islam doesn’t mean ‘peace,’ or ‘submission,’ it means bravery in battle, or aggression²¹¹

“There is no fear of God before their eyes.” No Mohammedan declares **“I believe that Jesus Christ is the Son of God”** Acts 8:37 but at the Second Advent they will **“confess that Jesus Christ is Lord, to the glory of God the Father”** Philippians 2:11.

Notes:

1. The table lists 37 passages of scripture that James White designates as *Problems in the KJV*²¹³.
2. James White insists that the modern versions, NIV, NASV, NKJV, largely correct these “*problems*” and that these 37 passages are typical of modern ‘improvements’ over the AV1611. This writer’s review of White’s book shows that they are not²¹⁴.
3. These 37 passages have therefore been used for comparison with the AV1611 for pre-1611 and post-1611 bibles to show that White’s ‘improvements’ are apostasy.
4. The table lists the results for comparison of these 37 passages with the AV1611 for 17 bibles in total. Readings are omitted but may be checked via the sources listed.
5. A clear cell denotes agreement between the specified bible and the AV1611 with respect to the sense of the reading, although the wording may differ.
6. A shaded cell denotes departure of a bible from the AV1611. Marked cells denote:

 f.n. – the NKJV f.n. footnote departs from the AV1611, the NKJV text does not.
 NJB - the NJB departs from the AV1611, the JB does not.
7. 5 pre-1611 bibles have been used with the 1611 and current i.e. 2011+ AV1611s; WY, Wycliffe, TY/C, Tyndale/Coverdale in the Old Testament, BIS, Bishops’, GEN, Geneva. No changes exist for the 37 passages for the 1611, 2011+ AV1611 Texts. See **References** for sources.
 WY, TY/C, BIS, GEN, 1611, 2011+ AV1611s²¹⁵.
8. 12 post-1611 bibles have been used; DR/CR, Douay-Rheims 1610 and Challoner’s Revision 1749-1752, RV, Revised Version, JB/N, Jerusalem and New Jerusalem Bibles, NWT, 1984, 2013 New World Translations, NASV, 1977, 1995 New American Standard Versions, NIV, 1984, 2011 New International Versions, NKJ, New King James Version. No changes exist for the 37 passages for the 1977, 1995 NASVs, 1984, 2011 NIVs. See **References** for sources.
 DR/CR, RV, NIVs, NASVs, NKJV, NWTs, JB, NJB²¹⁶.
9. The table shows that divergence of the pre-1611 bibles from the AV1611 Text for the 37 passages decreases markedly as successive translations appear. The corresponding increasing convergence of the pre-1611 bibles with the AV1611 parallels the advance of the English Reformation from its inception in the 14th century to its maturity in the 16th century, followed by its crowning achievement early in the 17th century - the AV1611 Holy Bible.
10. The table shows further that the post-1611 bibles not only diverge increasingly from the AV1611 Text, with Rome and Watchtower but the ‘fundamentalist’ versions, NIV, NASV, diverge from the AV1611 even more than today’s Papist and JW versions, changing well over 90% of the test passages. Even the ‘conservative’ NKJV is the same, with over 85% departures, typical for AV1611 versus NKJV comparisons if NKJV f.ns. are included – 30%+ is typical for NKJV text-only departures from the AV1611, considerably less but still appreciable. In sum, the accelerating departure of the post-1611 bibles from the AV1611 corresponds to the deepening apostasy of the church in these last days. *All* modern bibles are germane to this apostasy.

Overall Conclusion

Jeremiah 18:7 **At what instant I shall speak concerning a nation, and concerning a kingdom, to pluck up, and to pull down, and to destroy it;**

Jeremiah 18:8 **If that nation, against whom I have pronounced, turn from their evil, I will repent of the evil that I thought to do unto them.**

Jeremiah 18:9 **And at what instant I shall speak concerning a nation, and concerning a kingdom, to build and to plant it;**

Jeremiah 18:10 **If it do evil in my sight, that it obey not my voice, then I will repent of the good, wherewith I said I would benefit them.**

www.theguardian.com/uk/2013/may/23/woolwich-latest-developments-live London attack: police make two further arrests after Woolwich killing Alexandra Topping, Paul Owen and Martin Williams Fri 24 May 2013. Of Muslim hand-wringing over the crime note Proverbs 27:6 ***“the kisses of an enemy are deceitful.”*** The Guardian report shows how Fusilier Rigby’s murderers try to excuse the atrocity, in the words of murderer Michael Adebolajo, who doesn’t understand Sura 9:5 *...fight and slay the Pagans wherever ye find them, an seize them, beleaguer them, and lie in wait for them in every stratagem (of war)...* Sura 9:5:

The only reason we have killed this man today is because Muslims are dying daily by British soldiers, and this British soldier is one, and it’s an eye for an eye and a tooth for a tooth. By Allah, we swear by the Almighty Allah we will never stop fighting you until you leave us alone. So what if we want to live by the sharia in Muslim lands. Why does that mean you must follow us and chase us and call us extremists and kill us? Rather, you are extreme. *Sura 9:5 and Dar-al-Harb forbid the last clause, this work pp 3, 4.*

You are the ones. When you talk of bombs, do you think it hits one person? Or rather your bomb wipes out a whole family. This is the reality. By Allah, if I saw your mother today with a buggy, I would help her up the stairs. This is my nature. But we are forced by...many [sections] throughout the Koran that we must fight them as they fight us. An eye for an eye and a tooth for a tooth. Note no Qur’anic passages are cited.

*I apologise that women had to see this today but in our lands our women have to see the same. You people will never be safe. Remove your governments. They don’t care about you. Do you think David Cameron is gonna get caught in the street when we start busting our guns? Do you think the politicians are gonna die? No, it’s gonna be the average guy – like you, and your children. So get rid of them. Tell them to bring our troops back so you can all live in peace. Leave our lands and you will live in peace**. That’s all I have to say. Allah’s peace and blessings be upon you. Salaam alaikum. *****“his words were softer than oil, yet were they drawn swords”*** Psalm 55:21.*

“If I justify myself, mine own mouth shall condemn me: if I say, I am perfect, it shall also prove me perverse” Job 9:20

Clerical sex abuse victims

Since 2001, the Vatican has considered sex abuse allegations concerning some 3,000 priests and dating back half a century. The issue has scandalised the Church and victims' support groups hope to use the Pope's visit to further highlight the issue. Victims accept the Catholic Church in England and Wales has gone further than many of its counterparts overseas in tackling the abuse issue. The Pope himself has been accused of being part of a culture of secrecy, and of not taking strong enough steps against abusive priests when he had that responsibility as a cardinal in Rome. His supporters vigorously deny this, saying he has been the most pro-active pope yet in confronting abuse. In March, he wrote a letter apologising to Irish abuse victims. He has promised to take "action", saying the Church must acknowledge its "sin within", and made clear that cases of abuse must be reported to the police.

Thirty-Nine Articles:

Article XXXI

Of the one oblation of Christ finished upon the Cross

The offering of Christ once made is the perfect redemption, propitiation, and satisfaction for all the sins of the whole world, both original and actual, and there is none other satisfaction for sin but that alone. Wherefore the sacrifices of Masses, in the which it was commonly said that the priests did offer Christ for the quick and the dead to have remission of pain or guilt, were blasphemous fables and dangerous deceits.
