What is the meaning of life?

A photograph of a railway track curving through a lush green forest. The track is made of metal rails and wooden sleepers, set on a bed of gravel. The surrounding area is filled with dense green trees and foliage. The text "Where are you going in life?" is overlaid in the center of the image in a white, sans-serif font.

Where are you going in life?

What is the meaning of life?

This is a question we have all asked at some point in our lives. It's one of those *deep* questions everyone ponders on once in a while.

Why are we here? What is the purpose to it all?

This journey of life that we're all on, is full of twists and turns, and because of the choices we make, oftentimes leads us to destinations that we sometimes regret. We want to make the right decisions all the time, but it just doesn't happen that way, we fail, all of us.

You may be in the situation you're in today because of a bad choice. It has happened to me on several occasions. Do we learn by our mistakes, or repeat the error of our ways later on down the line? **There is a way which seemeth right unto a man, but the end thereof are the ways of death.** Proverbs 14v12.

Running a business, I'm constantly making decisions, and one bad one can cost the company dearly. It's pressure, and I do feel it at times. Due to my work, I meet all kinds of people from all walks of life, and many have asked the same questions as myself... *Where did we come from and why are we here? Where do we go when we die? What's the meaning of life?*

Whether rich or poor, we all want to know the answers.

Rather than turn to God the Creator and His word (the Bible) for the truth, man has invented a 'fairy tale' for *grown-ups*, called *evolution*. Just take the complexity of the human body, did this just happen by chance over millions of years? It is absolutely, 100% impossible, for the human body not to have a designer. If a cardboard box needs a designer, how much more do you?

Only a fool, a liar, or someone deceived, could seriously 'believe' that the human body evolved over millions of years through random chance and multiple mutations. That's 'religion' not science. Think about the intricate detail of just the human eye; no amount of time could produce this, God designed and created it.

The Theory of Evolution is this... *'Hydrogen is a colourless odourless gas, which given enough time, turns into people!'*

How can everything come from nothing? It can't, and if you are honest, you know it.

You have been designed and created by God, no matter what you have been told or taught.

So, why don't people believe in God? The simple answer to that question is this, they don't want to. They love their sins and lifestyle too much to want to change and turn to God for forgiveness. You see, we are all accountable to God, whether we believe it or not, and we shall all stand before God on Judgement Day. It's not a case of your 'good deeds' outweighing your 'bad' as most think, that has nothing to do with anything, especially getting you to Heaven.

You either die in your sins and take them with you to Hell, or, you die with your sins forgiven by Jesus Christ and go to Heaven, *it's your choice*. **For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord.** Romans 6v23. **For all have sinned, and come short of the glory of God;** Romans 3v23.

That's what the Bible says.

You cannot save yourself and 'religion' cannot save you, only Jesus Christ can. **Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we must be saved.** Acts 4v12. **For there is one God, and one mediator between God and men, the man Christ Jesus; 1 Timothy 2v5. Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.** John 14v6. Now those three Bible verses tell us that it is only Jesus Christ who can save us, nothing and nobody else can.

It was Jesus Christ who took our sins, died in our place and took the punishment that we deserved. He then conquered sin and death by rising from the dead on the third day.

...Christ died for our sins according to the scriptures; ...he was buried, and ...he rose again the third day according to the scriptures: 1 Corinthians 15v3+4. Now you either believe and accept this fact with all your heart, or you reject it and go your own way, but understand this, what you do with Jesus Christ in this life, will determine what He does with you in the next.

And I saw a great white throne, and him that sat on it, from whose face the earth and the heaven fled away; and there was found no place for them. And I saw the dead, small and great, stand before God; and the books were opened: and another book was opened, which is the book of life: ... And whosoever was not found written in the book of life was cast into the lake of fire. Revelation 20v11-15. (Read Acts 17v31 in a **King James Bible**).

Nothing can wash away all your sins except the blood of the Lord Jesus Christ which was shed for you on Calvary's cross. **In whom we have redemption through his blood, even the forgiveness of sins: Colossians 1v14. ...the blood of Jesus Christ his Son cleanseth us from all sin. 1 John 1v7.**

I was 18 years old when I received Jesus Christ as my Saviour. It is the best decision I have ever made in my life, and I would urge you to do the same.

I know that all my sins are forgiven and when I die, I will go straight to Heaven to be with the Lord Jesus Christ, and billions of others who have gone on before me. The 'meaning of life' is to have a personal relationship with Jesus Christ and live for Him. It's so sad that many people never find this out.

Sure, there are many things in life that are important, e.g. your family, friends, health, job, home, money etc. but these are only secondary when it comes to the Lord Jesus and your salvation. **For what shall it profit a man, if he shall gain the whole world, and lose his own soul?** Mark 8v36.

Heaven is real, and so is Hell.

We need to know where we are going when we die.

Have you found that out yet?

There is nothing worse than coming to the end of your life having not yet found what the meaning and purpose to it was; that's tragic.

That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. Romans 10v9+10

Trust in the LORD with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths. Be not wise in thine own eyes: fear the LORD, and depart from evil. Proverbs 3v5-7.

It is better to trust in the LORD than to put confidence in man. Psalm 118v8.

When I found out *the meaning of life*, it changed my life totally. I have never understood or been so fulfilled, content, and had a purpose for living, like I have now. I absolutely love life, and I love my Saviour the Lord Jesus. I would urge you with all my heart to get saved, become a Christian, and get to know God, as this is what life is all about.
