Author's Note: The following was circulated by a young woman of about twenty, to an e-group consisting mainly of young women like her. To the best of my knowledge, neither she nor most of her acquaintances in the group had any particular church association but the item that she posted is indeed *food for thought*. One should pray Psalm 119:130 for her and her companions-in-cyberspace.

The entrance of thy words giveth light; it giveth understanding unto the simple.

Subject: *food for thought*. **A little leaven leaveneth the whole lump** Galatians 5:9.

It does not matter what you believe in but I found this message to be very awakening!!!! and very sad. It's not nice to think of what the world has come to. If some of you have already read this sorry for passing it on to you again. I just sent it to everyone in my address book. All those who haven't read it, it doesn't take long so just take a few minutes to read through it and then you can do what you want with it. I personally sent it round but you do not have to do the same.

Some very sobering food for thought:

Subject: Why did God allow the Sep 11 crisis to happen?

Finally, The Truth on National TV, Billy Graham's daughter was being interviewed on The Early Show² and Jane Clayson asked her "How could God let something like this happen?" And Anne Graham³ gave an extremely profound and insightful response. She said "I believe that God is deeply saddened by this, just as we are, but for years we've been telling God to get out of our schools, to get out of our government and to get out of our lives. And being the gentleman that He is, I believe that He has calmly backed out. How can we expect God give us His blessing and His protection if we demand that He leave us alone?"

I know there's been a lot of emails going around in regards to 9/11/01, but this really makes you think. If you don't have time, at least skim through it, but the bottom line is something to think about...In light of recent events...terrorists attack, school shootings, etc.

Let's see, I think it started when Madeline Murray O'Hair (she was murdered, her body was found recently) complained she didn't want any prayer in our schools, and we said OK.

Then, someone said you better not read the Bible in school...the Bible that says thou shalt not kill, thou shalt not steal, and love your neighbor as yourself. And we said, OK.

Then, Dr. Benjamin Spock said we shouldn't spank our children when they misbehave because their little personalities would be warped and we might damage their self-esteem. (Dr. Spock's son committed suicide.) And we said, an expert should know what he's talking about so we said, OK.

Then, someone said teachers and principals better not discipline our children when they misbehave. And the school administrators said no faculty member in this school better touch a student when they misbehave because we don't want any bad publicity, and we surely don't want to be sued. (There's a big difference between disciplining and touching, beating, smacking, humiliating, kicking, etc.) And we said, OK.

BRITAIN UNDER SIEGE

*"For them that honour me I will honour;
and they that despise me shall be lightly esteemed"*
1 Samuel 2:30

Then someone said, let's let our daughters have abortions if they want, and they won't even have to tell their parents. And we said, OK.

Then some wise school board member said, since boys will be boys and they're going to do it anyway, let's give our sons all the condoms they want, so they can have all the fun they desire, and we won't have to tell their parents they got them at school. And we said, OK.

Then some of our top elected officials said it doesn't matter what we do in private as long as we do our jobs. And agreeing with them, we said it doesn't matter to me what anyone, including the President, does in private as long as I have a job and the economy is good.

And then someone said let's print magazines with pictures of nude women and call it wholesome, down-to-earth appreciation for the beauty of the female body. And we said, OK.

And then someone else took that appreciation a step further and published pictures of nude children and then stepped further still by making them available on the internet. And we said OK, they're entitled to their free speech.

And then the entertainment industry said, let's make TV shows and movies that promote profanity, violence, and illicit sex. And let's record music that encourages rape, drugs, murder, suicide, and satanic themes. And we said it's just entertainment, it has no adverse effect, and nobody takes it seriously anyway, so go right ahead.

*Now we're asking ourselves why our children have no conscience, why they don't know right from wrong, and why it doesn't bother them to kill strangers, their classmates, and themselves. Probably, if we think about it long and hard enough, we can figure it out. I think it has a great deal to do with "WE REAP WHAT WE SOW." **Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap Galatians 6:7.***

"Dear God, Why didn't you save the little girl killed in her classroom?"*

"Sincerely, Concerned Student..." AND THE REPLY:

"Dear Concerned Student, I am not allowed in schools.

"Sincerely, God."

2021 Update: See **Appendix – Homicides England and Wales 1969-2020 for a UK summary.*

Funny how simple it is for people to trash God and then wonder why the world's going to hell. Funny how we believe what the newspapers [2021 Update: and Google] say, but question what the Bible says.

Funny how everyone wants to go to heaven provided they do not have to believe, think, say, or do anything the Bible says.

*Funny how someone can say "I believe in God" but still follow Satan who, by the way, also "believes" in God. **Thou believest that there is one God; thou doest well: the devils also believe, and tremble James 2:19.***

Funny how we are quick to judge but not to be judged.

Funny how you can send a thousand 'jokes' through e-mail and they spread like wildfire, but when you start sending messages regarding the Lord, people think twice about sharing.

Funny how the lewd, crude, vulgar and obscene pass freely through cyberspace, but the public discussion of God is suppressed in the school and workplace.

Funny how someone can be so fired up for Christ on Sunday, but be an invisible Christian the rest of the week. Are you laughing?

Funny how when you go to forward this message, you will not send it to many on your address list because you're not sure what they believe, or what they will think of you for sending it to them. Funny how I can be more worried about what other people think of me than what God thinks of me.

Are you thinking? Pass it on if you think it has merit. If not then just discard it...no one will know that you did. But, if you discard this thought process, then don't sit back and complain about what a bad shape the world is in!

2021 Update: Since 2001:

- The LGBTQ+ lobby has surfaced in force, coerced and invaded the church⁴.
- The menace of Islam has continued to gather strength⁵.
- The church has continued to abandon **the book of the LORD** Isaiah 34:16 in favour of Vatican versions⁶. See the attached study **Long John and The Black Spot** for confirmation.
- UK data show that serious crime e.g. homicide continues to increase as a proportion of population⁷. See **Appendix – Homicides England and Wales 1969-2020** for a UK summary. For the inevitable cynic who scoffs, 'It could be worse,' *how much worse do you want it to get?*

The insightful words of Mrs Ruth Graham⁸, now with the Lord, are therefore even more significant.

Mrs Ruth Graham⁹

"If God doesn't soon bring judgment upon America, He'll have to go back and apologize to Sodom and Gomorrah!"

This statement frequently attributed to Billy Graham, actually originated with his wife, Ruth, during a review of her husband's manuscript for his book, World Aflame¹⁰, published in 1965. He had just finished a chapter vividly describing the sinful conditions in America, and gave it to Ruth to read. She was very much sobered by the writing and returned the document to the study where he was writing and laid it on his desk, saying, "Billy, if God doesn't come soon and bring judgment upon the United States, He's going to have to apologize to Sodom and Gomorrah!" The account was recalled briefly as an illustration in a message by Dr. James Kennedy (pastor, Coral Ridge Presbyterian, Fort Lauderdale, Florida), entitled "Prayer and the World Crisis", at the National Prayer Congress, Dallas, Texas in 1976. The statement has frequently been requoted by many others since that time.

It is unwise to seek reassurance from the lapse of time between 1965 and the present:

I have declared the former things from the beginning; and they went forth out of my mouth, and I shewed them; I did them suddenly, and they came to pass Isaiah 48:3.

The judgement must fall. See this update from Dr Sam Gipp, who, with Charles H. Spurgeon, pin-points the main issue. Citing Revelation 22:18-19, Spurgeon¹¹ said, his emphases, ***The craving to alter the Word of God is accursed. This is a crime of the present day: the Lord preserve us from it!***

When you consider the 'fruits' of the modern translations, American evangelist, Dr Gipp¹² has this analysis:

Today's modern translations haven't been able to spark a revival in a Christian school, let alone be expected to close a bar. In fact, since the arrival of our modern English translations, beginning with the ASV of 1901, America has seen:

1. *God and prayer kicked out of our public schools*
2. *Abortion on demand legalised*
3. *Homosexuality accepted nationally as an "alternate life style"*
4. *In home pornography via TV and VCR [2020 Update: And the internet]*
5. *Child kidnapping and pornography running rampant*
6. *Dope has become an epidemic*
7. *Satanism is on the rise.*

If this is considered a "revival" then let's turn back to the King James to STOP it. Amen.

See the attached study **Long John and The Black Spot** for confirmation of those admonitions.

Food for Thought – The UK¹³

Equivalent application may be made to the USA.

The People of a Book - Then

It has been said that during the reign of Elizabeth 1, the nation of England *became the people of a Book - and that Book the Bible*¹⁴. Despite the political and social upheavals of the 17th century, the English people remained faithful to the Book and that Book was the Holy Bible, the Authorised Version of 1611, which displaced all others. None other than George Bernard Shaw¹⁵ said this. *The Bible means the translation authorised by King James the First. To this day the common human Britisher or citizen of the United States of North America accepts and worships it as a single book by a single author, the book being the Book of Books and the author being God.* Alexander McClure writes¹⁶ *Its [the AV1611's] origin and history so strongly commended it, that it speedily came into general use as the standard version, by the common consent of the English people; and required no act of parliament nor royal proclamation to establish its authority.*

The People of This World - Now

Sadly, the people of *that Book* are now the people of *this world* and must face the judgement of **Sodom and Egypt** Revelation 11:8. The historian G. H. Pember¹⁷, whose work was first published in 1876, has summarised the traits of worldliness, which brought down the judgement of God, with the great flood in the time of Noah, Genesis 6-8.

1. *A tendency to worship God as Elohim, that is, merely as the Creator and Benefactor, and not as Jehovah the covenant God of mercy, dealing with transgressors who are appointed to destruction, and finding a ransom for them.*
2. *An undue prominence of the female sex, and a disregard of the primal law of marriage.*
3. *A rapid progress in the mechanical arts, and the consequent invention of many devices whereby the hardships of the curse [Genesis 3:17] were mitigated, and life was rendered more easy and indulgent. Also a proficiency in the fine arts, which captivated the minds of men, and helped to induce an entire oblivion of God.*
4. *An alliance between the nominal Church and the World, which speedily resulted in a complete amalgamation.*
5. *A vast increase of population.*
6. *The rejection of the preaching of Enoch (and Noah), whose warnings thus became a savour of death unto the world, and hardened men beyond recovery.*
7. *The appearance upon earth of beings from the Principality of the Air, and their unlawful intercourse with the human race*¹⁸.

These causes concurred to envelop the world in a sensuous mist which no ray of truth could penetrate. They brought about a total forgetfulness of God and disregard of His will; and thus, by removing the great Centre Who alone is able to attract men from themselves, rendered the dwellers upon earth so selfish and unscrupulous that the world was presently filled with lewdness, injustice, oppression and bloodshed.

Theologians said ‘Sit in judgement on the King James Bible.’ Many said OK. They are wrong:

And as it was in the days of Noe, so shall it be also in the days of the Son of Man...Likewise also as it was in the days of Lot Luke 17:26-28, with respect to God’s judgement as **fire from the LORD out of heaven** Genesis 19:24. **Behold, the day of the LORD cometh, cruel both with wrath and fierce anger, to lay the land desolate: and he shall destroy the sinners thereof out of it. And I will punish the world for their evil, and the wicked for their iniquity; and I will cause the arrogance of the proud to cease, and will lay low the haughtiness of the terrible** Isaiah 13:9, 11.

1. The AV1611 has been compared with **6** modern versions for the **17** New Testament verses that express *major doctrine* and which opponents of the AV1611 *cut* or *criticise*.
2. *Birds of a feather* Matthew 13:32, Revelation 18:2, evangelicals, fundamentalists, Greek editors, charismatics, cultists, *cut all 17 verses out. They did worse than the papists.*
3. The modern versions show **100** of **102** possible departures from the AV1611. The JB, NJB include Mark 7:16, John 5:4 but wrongly read *the angel of the Lord* in John 5:4. The NASVs brace [] words for omission. It may be shown that NKJV f.n's dispute i.e. criticise all **17** verses.
4. Evangelicals, fundamentalists, the most prominent Greek editors, charismatics, cultists, papists are **98%** *against* the AV1611²¹.
5. *Only* the AV1611 is **light in the darkness** Psalm 112:4 to fulfil Psalm 119:105 **Thy word is a lamp unto my feet, and a light unto my path.**

Writer's Note

Escalating homicides in England and Wales coincided initially with the publication of the New English Bible²³, so-called. The NEB is a match mate to the corrupt versions that cut 17 verses of scripture from the New Testament. See **Long John and The Black Spot**. The NEB was a key departure of church and nation for the UK from **the royal law** James 2:8²⁴ from which it has yet to recover:

This writer sent this invitation to the leaders of three local evangelical churches on February 8th 2020.

...I have had printed two books²⁵ that I would be very pleased to offer as signed gift copies to individuals or couples/families associated with [church names follow, together with links to the contents of each book]. *Britain and Sodom and Egypt...* is a summary overview of Britain's current spiritual state that must soon bring down the wrath of God. *"O Biblios" – The Book...* is an historical summary overview of the scriptures followed by a comprehensive response to the [Fellowship of Independent Evangelical Churches FIEC's]²⁶ position on the scriptures... If you would inform the churches and the fellowship of the offer of these signed gift copies, that would be very much appreciated...

To date, October 2021, no reply has been received.
